*think creatively*

*transformation*

*Strategic Leadership Education*

*for Municipal and County Elected Officials*

*monumental change*

The School of Government, in partnership with the NC League of Municipalities and the NC Association of County Commissioners, announces the Local Elected Leaders Academy. Through this new educational program, municipal and county elected officials will gain the knowledge and skills they need to lead and govern their communities in the 21<sup>st</sup> century.

*act collaboratively*

.....  
Three levels of programming will be offered through the Local Elected Leaders Academy:

- Offered in alternating years, the **Essentials of County Government** and **Essentials of Municipal Government** courses provide an introduction to North Carolina government
- **Focused, in-depth courses** provide knowledge and tools for elected officials to use in their own communities
- **Advanced programs** will help leaders plan and implement strategies at the regional and statewide level

Participants who complete specified courses and hours of attendance will be recognized at the annual NCLM and NCACC conferences.

Programs offered through the Local Elected Leaders Academy are described on the reverse side. To learn more, visit [www.sog.unc.edu/programs/leadership.html](http://www.sog.unc.edu/programs/leadership.html).
