

§ 7B-903. Dispositional alternatives for abused, neglected, or dependent juvenile.

(a) The following alternatives for disposition shall be available to any court exercising jurisdiction, and the court may combine any of the applicable alternatives when the court finds the disposition to be in the best interests of the juvenile:

(2) In the case of any juvenile who needs more adequate care or supervision or who needs placement, the court may:

c. Place the juvenile in the custody of the department of social services in the county of the juvenile's residence, or in the case of a juvenile who has legal residence outside the State, in the physical custody of the department of social services in the county where the juvenile is found so that agency may return the juvenile to the responsible authorities in the juvenile's home state. **The director may, unless otherwise ordered by the court, arrange for, provide, or consent to, needed routine or emergency medical or surgical care or treatment. In the case where the parent is unknown, unavailable, or unable to act on behalf of the juvenile, the director may, unless otherwise ordered by the court, arrange for, provide, or consent to any psychiatric, psychological, educational, or other remedial evaluations or treatment for the juvenile placed by a court or the court's designee in the custody or physical custody of a county department of social services under the authority of this or any other Chapter of the General Statutes. Prior to exercising this authority, the director shall make reasonable efforts to obtain consent from a parent or guardian of the affected juvenile. If the director cannot obtain such consent, the director shall promptly notify the parent or guardian that care or treatment has been provided and shall give the parent frequent status reports on the circumstances of the juvenile. Upon request of a parent or guardian of the affected juvenile, the results or records of the aforementioned evaluations, findings, or treatment shall be made available to such parent or guardian by the director unless prohibited by G.S. 122C-53(d).** If a juvenile is removed from the home and placed in custody or placement responsibility of a county department of social services, the director shall not allow unsupervised visitation with, or return physical custody of the juvenile to, the parent, guardian, custodian, or caretaker without a hearing at which the court NC General Statutes - Chapter 7B Article 9 4 finds that the juvenile will receive proper care and supervision in a safe home. In placing a juvenile in out-of-home care under this section, the court shall first consider whether a relative of the juvenile is willing and able to provide proper care and supervision of the juvenile in a safe home. If the court finds that the relative is willing and able to provide proper care and supervision in a safe home, then the court shall order placement of the juvenile with the relative unless the court finds that the placement is contrary to the best interests of the juvenile. In placing a juvenile in out-of-home care under this section, the court shall also consider whether it is in the juvenile's best interest to remain in the juvenile's community of residence. Placement of a juvenile with a relative outside of this State must be in accordance with the Interstate Compact on the Placement of Children.

(3) In any case, the court may order that the juvenile be examined by a physician, psychiatrist, psychologist, or other qualified expert as may be needed for the court to determine the needs of the juvenile:

a. Upon completion of the examination, the court shall conduct a hearing to determine whether the juvenile is in need of medical, surgical, psychiatric, psychological, or other treatment and who should pay the cost of the treatment. The county manager, or such person who shall be designated by the chairman of the county commissioners, of the juvenile's residence shall be notified of the hearing, and allowed to be heard. If the court finds the juvenile to be in need of medical, surgical, psychiatric, psychological, or other treatment, the court shall permit the parent or other responsible persons to arrange for treatment. If the parent declines or is unable to make necessary arrangements, the court may order the needed treatment, surgery, or care, and the court may order the parent to pay the cost of the care pursuant to G.S. 7B-904. If the court finds the parent is unable to pay the cost of treatment, the court shall order the county to arrange for treatment of the juvenile and to pay for the cost of the treatment. The county department of social services shall recommend the facility that will provide the juvenile with treatment.

b. If the court believes, or if there is evidence presented to the effect that the juvenile is mentally ill or is developmentally disabled, the court shall refer the juvenile to the area mental health, developmental disabilities, and substance abuse services director for appropriate action. A juvenile shall not be committed directly to a State hospital or mental retardation center; and orders purporting to commit a juvenile directly to a State hospital or mental retardation center except for an examination to determine capacity to proceed shall be void and of no effect. The area mental health, developmental disabilities, and substance abuse director shall be responsible for arranging an interdisciplinary evaluation of the juvenile and mobilizing resources to meet the juvenile's needs. If institutionalization is determined to be the best service for the juvenile, admission shall be with the voluntary consent of the parent or guardian. If the parent, guardian, custodian, or caretaker refuses to consent to a mental hospital or retardation center admission after NC General Statutes - Chapter 7B Article 9 5 such institutionalization is recommended by the area mental health, developmental disabilities, and substance abuse director, the signature and consent of the court may be substituted for that purpose. In all cases in which a regional mental hospital refuses admission to a juvenile referred for admission by a court and an area mental health, developmental disabilities, and substance abuse director or discharges a juvenile previously admitted on court referral prior to completion of treatment, the hospital shall submit to the court a written report setting out the reasons for denial of admission or discharge and setting out the juvenile's diagnosis, indications of mental illness, indications of need for treatment, and a statement as to the location of any facility known to have a treatment program for the juvenile in question.
