

Judicial Security- Doxing

Free Reverse look-up websites discussed during our training where you may be able to find your personal information. If you can find it, so can someone else!

Fastpeoplesearch.com

Truepeoplesearch.com

Familytreenow.com

Whitepages.com

Voterrecords.com

FaceCheckID.com

Spydialer.com (Reverse Cell Phone Lookup)

If you find your information on any of these websites, on the page where you find “your” information, go to the bottom of the screen, and look for a privacy tab or some will say Opt-out. If you go through the privacy tab, scroll down towards the middle of the page (usually around IV, then look for something that says opt-out or removal and then go through the process (Example below). If the page says Opt-out at the bottom, simply click there.

IV. CHOICE AND OPT OUT

Content Opt Out. Upon request we can block the records we have control over in our database from being shown on FastPeopleSearch. You can request for your personal information to be blocked from being searched using the link below. Unless otherwise required by law, we will only accept opt-out requests directly from the individual whose information is being opted-out and we reserve the right to require verification of identity and reject opt-out requests in our sole discretion. Of course we are unable to remove any information about you from databases operated by third parties. We do not accept opt-out requests via fax or mail. To manage or remove your public records from our database, please go to <https://www.fastpeoplesearch.com/removal>. Please note that changes you request may not be effective immediately. Note that despite any request for removal of or change to personal information, we may need to retain certain information for recordkeeping purposes and there may also be residual information that will remain within our databases and other records, which will not be removed or changed.
