Please describe why you recommend the applicant for the Civic Fellows Program. What do you hope they will gain from participating?

All selected Civic Fellows are required to attend the entire two-week program. While tuition is free, employers are responsible for covering related travel expenses.

By checking this box, I confirm that our organization will cover all necessary travel expenses and, unless in an emergency, will refrain from assigning any work responsibilities during the two-week program.

Submit completed forms to Ling Rudicil at lrudicil@sog.unc.edu.
