A felony is a crime which:

- (1) Was a felony at common law;
- (2) Is or may be punishable by death;
- (3) Is or may be punishable by imprisonment in the State's prison; or
- (4) Is denominated as a felony by statute.

§ 14-3. Punishment of misdemeanors, infamous offenses, offenses committed in secrecy and malice, or with deceit and intent to defraud, or with ethnic animosity.

(a) Except as provided in subsections (b) and (c), every person who shall be convicted of any misdemeanor for which no specific classification and no specific punishment is prescribed by statute shall be punishable as a Class 1 misdemeanor. Any misdemeanor that has a specific punishment, but is not assigned a classification by the General Assembly pursuant to law is classified as follows, based on the maximum punishment allowed by law for the offense as it existed on the effective date of Article 81B of Chapter 15A of the General Statutes:

- (1) If that maximum punishment is more than six months imprisonment, it is a Class 1 misdemeanor;
- (2) If that maximum punishment is more than 30 days but not more than six months imprisonment, it is a Class 2 misdemeanor; and
- (3) If that maximum punishment is 30 days or less imprisonment or only a fine, it is a Class 3 misdemeanor.

Misdemeanors that have punishments for one or more counties or cities pursuant to a local act of the General Assembly that are different from the generally applicable punishment are classified pursuant to this subsection if not otherwise specifically classified.

(b) If a misdemeanor offense as to which no specific punishment is prescribed be infamous, done in secrecy and malice, or with deceit and intent to defraud, the offender shall, except where the offense is a conspiracy to commit a misdemeanor, be guilty of a Class H felony.

(c) If any Class 2 or Class 3 misdemeanor is committed because of the victim's race, color, religion, nationality, or country of origin, the offender shall be guilty of a Class 1 misdemeanor. If any Class A1 or Class 1 misdemeanor offense is committed because of the victim's race, color, religion, nationality, or country of origin, the offender shall be guilty of a Class H felony. (R.C., c. 34, s. 120; Code, s. 1097; Rev., s. 3293; C.S., s. 4173; 1927, c. 1; 1967, c. 1251, s. 3; 1979, c. 760, s. 5; 1979, 2nd Sess., c. 1316, ss. 2, 47, 48; 1981, c. 63, s. 1; c. 179, s. 14; 1991, c. 702, s. 2; 1993, c. 538, s. 7; 1994, Ex.  - c. If it consists in whole or in part of a diseased, contaminated, filthy, putrid or decomposed substance, or if it is otherwise unfit for food; or
 - d. If it has been produced, prepared, packed or held under insanitary conditions whereby it may have become contaminated with filth, or whereby it may have been rendered diseased, unwholesome or injurious to health; or
 - e. If it is the product of a diseased animal or an animal which has died otherwise than by slaughter, or that has been fed upon the uncooked offal from a slaughterhouse; or
 - f. If its container is composed, in whole or in part, of any poisonous or deleterious substance which may render the contents injurious to health;

- a. Has partially or completely imbedded therein any nonnutritive object: Provided, that this clause shall not apply in the case of any nonnutritive object if, in the judgment of the Board of Agriculture as provided by regulations, such object is of practical functional value to the confectionery product and would not render the product injurious or hazardous to health; or

- b. Bears or contains more than five percent (5%) alcohol by volume. Confectionery that contains more than five-tenths of one percent (0.5%) alcohol by volume shall conspicuously bear a label indicating alcohol content; or
 - c. Bears or contains any nonnutritive substance: Provided, that this clause shall not apply to a safe nonnutritive substance which is in or on confectionery by reason of its use for some practical functional purpose in the manufacture, packaging, or storing of such confectionery if the use of the substance does not promote deception of the consumer or otherwise result in adulteration or misbranding in violation of any provision of this Article; and provided further, that the Board may, for the purpose of avoiding or resolving uncertainty as to the application of this clause, issue regulations allowing or prohibiting the use of particular nonnutritive substances.
- (4) If it is or bears or contains any color additive which is unsafe within the meaning of G.S. 106-132. (1939, c. 320, s. 10; 1975, c. 614, ss. 13-16; 1985, c. 399; 2011-26, s. 1.)

- (3) If it is an imitation of another food, unless its label bears, in type of uniform size and prominence, the word "imitation" and, immediately thereafter, the name of the food imitated.
- (4) If its container is so made, formed or filled as to be misleading.
- (5) If in package form, unless it bears a label containing
 - a. The name and place of business of the manufacturer, packer, or distributor; and
 - b. An accurate statement of the quantity of the contents in terms of weight, measure, or numerical count, which statement shall be separately and accurately stated in a uniform location upon the principal display panel of the label:

Provided, that under paragraph b of this subdivision reasonable variations shall be permitted, and exemptions as to small packages shall be established, by regulations prescribed by the Board of Agriculture.
- (6) If any word, statement, or other information required by or under authority of this Article to appear on the label or labeling is not prominently placed thereon with such conspicuousness (as compared with other words, statements, designs, or devices, in the labeling) and in such terms as to render it likely to be read and understood by the ordinary individual under customary conditions of purchase and use.
- (7) If it purports to be or is represented as a food for which a definition and standard of identity has been prescribed by regulations as provided by G.S. 106-128, unless
 - a. It conforms to such definition and standard, and
 - b. Its label bears the name of the food specified in the definition and standard, and, insofar as may be required by such regulations, the common names of

optional ingredients (other than spices, flavoring, and coloring) present in such food.

- (8) If it purports to be or is represented as
 - a. A food for which a standard of quality has been prescribed by regulations as provided by G.S. 106-128 and its quality falls below such standard unless its label bears, in such manner and form as such regulations specify, a statement that it falls below such standard; or
 - b. A food for which a standard or standards of fill of container have been prescribed by regulation as provided by G.S. 106-128, and it falls below the standard of fill of container applicable thereto, unless its label bears, in such manner and form as such regulations specify, a statement that it falls below such standard.
- (9) If it is not subject to the provisions of subdivision (7) of this section, unless its label bears
 - a. The common or usual name of the food, if any there be, and
 - b. In case it is fabricated from two or more ingredients, the common or usual name of each such ingredient; except that spices, flavorings, and colorings, other than those sold as such, may be designated as spices, flavorings, and colorings without naming each:

Provided, that, to the extent that compliance with the requirements of paragraph b of this subdivision is impracticable or results in deception or unfair competition, exemptions shall be established by regulations promulgated by the Board of Agriculture.
- (10) If it purports to be or is represented for special dietary uses, unless its label bears such information concerning its vitamin, mineral, and other dietary properties as the Board of Agriculture determines to be, and by regulations prescribes as, necessary in order to fully inform purchasers as to its value for such uses.

- (13) If it is a product intended as an ingredient of another food and when used according to the directions of the purveyor will result in the final food product being adulterated or misbranded.

- (14) If it is a color additive unless its packaging and labeling are in conformity with such packaging and labeling requirements applicable to such color additive prescribed under the provisions of G.S. 106-132 of this Article.
- (15) If the labeling provided by the manufacturer, packer, distributor, or retailer on meat, meat products, poultry, or seafood includes a "sell-by" date or other indicator of a last recommended day of sale, and the date has been removed, obscured, or altered by any person other than the customer. This subdivision does not prohibit the removal of a label for the purpose of repackaging and relabeling a food item so long as the new package or new label does not bear a "sell-by" date or other indicator of a last recommended day of sale later than the original package. This subdivision does not prohibit relabeling of meat, meat products, poultry, or seafood that has had its shelf life extended through freezing, cooking, or other additional processing that extends the shelf life of the product. If the person refuses to comply with the order, the Secretary or the local health director may institute an action in the superior court of the county where the public health nuisance exists to enforce the order. The action shall be calendared for trial within 60 days after service of the complaint upon the defendant. The court may order the owner to abate the nuisance or direct the Secretary or the local health director to abate the nuisance. If the Secretary or the local health director is ordered to abate the nuisance, the Department or the local health department shall have a lien on the property for the costs of the abatement of the nuisance in the nature of a mechanic's and materialmen's lien as provided in Chapter 44A of the General Statutes and the lien may be enforced as provided therein.

If the Secretary or a local health director abates the imminent hazard, the Department or the local health department shall have a lien on the property of the owner, lessee, operator, or other person in control of the property where the imminent hazard existed for the cost of the abatement of the imminent hazard. The lien may be enforced in accordance with procedures provided in Chapter 44A of the General Statutes. The lien may be defeated by a showing that an imminent hazard did not exist at the time the Secretary or the local health director took the action. The owner, lessee, operator, or any other person against whose property the lien has been filed may defeat the lien by showing that that person was not culpable in the creation of the imminent hazard.

(b) The Secretary of Environmental Quality and a local health director shall have the same rights enumerated in subsection (a) of this section to enforce the provisions of Articles 9 and 10 of this Chapter. Authority under this section shall not be delegated to individual environmental health specialists in local health departments otherwise authorized and carrying out laws and rules pursuant to G.S. 130A-4. When any action is taken pursuant to this section, the Department of Health and Human Services or the local health director shall immediately notify the Department of Agriculture and Consumer Services. For the purposes of this subsection, all duties and procedures in G.S. 106-125 shall be carried out by the Secretary of Health and Human Services or the local health director and shall not be required to be carried out by the Department of Agriculture and Consumer Services. It shall be unlawful for any person to remove or dispose of the food or drink by sale or otherwise without the permission of a Department of Health and Human Services regional environmental health specialist, the Director of the Division of Public Health or the Director's designee, the local health director, or a duly authorized agent of the Department of Agriculture and Consumer Services, or by the court in accordance with the provisions of G.S. 106-125.

(b) Recodified as G.S. 106-266.36 by Session Laws 2011-145, s. 13.3(s), effective July 1, 2011.

(d) Nothing in this section is intended to limit the embargo authority of the Department of Agriculture and Consumer Services. The Department of Health and Human Services and the Department of Agriculture and Consumer Services are authorized to enter agreements respecting the duties and responsibilities of each agency in the exercise of their embargo authority.

(e) For the purpose of this section, a food or drink is adulterated if the food or drink is deemed adulterated under G.S. 106-129; and food or drink is misbranded if it is deemed misbranded under G.S. 106-130. § 130A-22. Administrative penalties.

(a) The Secretary of Environmental Quality may impose an administrative penalty on a person who violates Article 9 of this Chapter, rules adopted by the Commission pursuant to Article 9, or any term or condition of a permit or order issued under Article 9. Each day of a continuing violation shall constitute a separate violation. The penalty shall not exceed fifteen thousand dollars (\$15,000) per day in the case of a violation involving nonhazardous waste. The penalty shall not exceed thirty-two thousand five hundred dollars (\$32,500) per day in the case of a first violation involving hazardous waste as defined in G.S. 130A-290 or involving the disposal of medical waste as defined in G.S. 130A-290 in or upon water in a manner that results in medical waste entering waters or lands of the State; and shall not exceed fifty thousand dollars (\$50,000) per day for a second or further violation involving the disposal of

medical waste as defined in G.S. 130A-290 in or upon water in a manner that results in medical waste entering waters or lands of the State. The penalty shall not exceed thirty-two thousand five hundred dollars (\$32,500) per day for a violation involving a voluntary remedial action implemented pursuant to G.S. 130A-310.9(c) or a violation of the rules adopted pursuant to G.S. 130A-310.12(b). The penalty shall not exceed one hundred dollars (\$100.00) for a first violation; two hundred dollars (\$200.00) for a second violation within any 12-month period; and five hundred dollars (\$500.00) for each additional violation within any 12-month period for any violation of Part 2G of Article 9 of this Chapter. For violations of Part 7 of Article 9 of this Chapter and G.S. 130A-309.10(m): (i) a warning shall be issued for a first violation; (ii) the penalty shall not exceed two hundred dollars (\$200.00) for a second violation; and (iii) the penalty shall not exceed five hundred dollars (\$500.00) for subsequent violations. If a person fails to pay a civil penalty within 60 days after the final agency decision or court order has been served on the violator, the Secretary of Environmental Quality shall request the Attorney General to institute a civil action in the superior court of any county in which the violator resides or has his or its principal place of business to recover the amount of the assessment. Such civil actions must be filed within three years of the date the final agency decision or court order was served on the violator.

(a1) Part 5 of Article 21A of Chapter 143 of the General Statutes shall apply to the determination of civil liability or penalty pursuant to subsection (a) of this section.

(b) The Secretary of Environmental Quality may impose an administrative penalty on a person who violates G.S. 130A-325. Each day of a continuing violation shall constitute a separate violation. The penalty shall not exceed twenty-five thousand dollars (\$25,000) for each day the violation continues.

(b1) The Secretary may impose an administrative penalty on a person who violates Article 19 of this Chapter or a rule adopted pursuant to that Article. Except as provided in subsection (b2) of this section, the penalty shall not exceed one thousand dollars (\$1,000) per day per violation. Until the Department has notified the person of the violation, a continuing violation shall be treated as one violation. Each day thereafter of a continuing violation shall be treated as a separate violation.

In determining the amount of a penalty under this subsection or subsection (b2) of this section, the Secretary shall consider all of the following factors:

- (1) The degree and extent of harm to the natural resources of the State, to the public health, or to private property resulting from the violation.
- (2) The duration and gravity of the violation.
- (3) The effect on air quality.

(b2) The penalty for violations of the asbestos NESHAP for demolition and renovation, as defined in G.S. 130A-444, shall not exceed ten thousand dollars (\$10,000) per day per violation. Until the Department has provided the person with written notification of the violation of the asbestos NESHAP for demolition and renovation that describes the violation, recommends a general course of action, and establishes a time frame in which to correct the violations, a continuing violation shall be treated as one violation. Each day thereafter of a continuing violation shall be treated as a separate violation. A violation of the asbestos NESHAP for demolition and renovation is not considered to continue during the period a person who has received the notice of violation is following the general course of action and complying with the time frame set forth in the notice of violation.

(b3) The Secretary may impose an administrative penalty on a person who violates Article 19A or 19B of this Chapter or any rules adopted pursuant to Article 19A or 19B of this Chapter. Each day of a

continuing violation is a separate violation. The penalty shall not exceed five thousand dollars (\$5,000) for each day the violation continues for Article 19A of this Chapter. The penalty shall not exceed five thousand dollars (\$5,000) for each day the violation continues for Article 19B of this Chapter. The penalty authorized by this section does not apply to a person who is not required to be certified under Article 19A or 19B.

(c) The Secretary may impose an administrative penalty on a person who willfully violates Article 11 of this Chapter, rules adopted by the Commission pursuant to Article 11 or any condition imposed upon a permit issued under Article 11. An administrative penalty may not be imposed upon a person who establishes that neither the site nor the system may be improved or a new system installed so as to comply with Article 11 of this Chapter. Each day of a continuing violation shall constitute a separate violation. The penalty shall not exceed fifty dollars (\$50.00) per day in the case of a wastewater collection, treatment and disposal system with a design daily flow of no more than 480 gallons or in the case of any system serving a single one-family dwelling. The penalty shall not exceed three hundred dollars (\$300.00) per day in the case of a wastewater collection, treatment and disposal system with a design daily flow of more than 480 gallons which does not serve a single one-family dwelling.

(c1) The Secretary may impose a monetary penalty on a vendor who violates rules adopted by the Commission pursuant to Article 13 of this Chapter when the Secretary determines that disqualification would result in hardship to participants in the Women, Infants, and Children (WIC) program. The penalty shall be calculated using the following formula: multiply five percent (5%) times the average dollar amount of the vendor's monthly redemptions of WIC food instruments for the 12-month period immediately preceding disqualification, then multiply that product by the number of months of the disqualification period determined by the Secretary.

(d) In determining the amount of the penalty in subsections (a), (b) and (c), the Secretary and the Secretary of Environmental Quality shall consider all of the following factors:

- (1) Type of violation.

(e) A person contesting a penalty shall, by filing a petition pursuant to G.S. 150B-23(a) not later than 30 days after receipt by the petitioner of the document which constitutes agency action, be entitled to an administrative hearing and judicial review in accordance with Chapter 150B of the General Statutes, the Administrative Procedure Act.

(f) The Commission shall adopt rules concerning the imposition of administrative penalties under this section.

(g) The Secretary or the Secretary of Environmental Quality may bring a civil action in the superior court of the county where the violation occurred or where the defendant resides to recover the amount of an administrative penalty authorized under this section whenever a person:

- (1) Who has not requested an administrative hearing in accordance with subsection (e) of this section fails to pay the penalty within 60 days after being notified of the penalty; or
- (2) Who has requested an administrative hearing fails to pay the penalty within 60 days after service of a written copy of the final agency decision.

(h) A local health director may impose an administrative penalty on any person who willfully violates the wastewater collection, treatment, and disposal rules of the local board of health adopted pursuant to G.S. 130A-335(c) or who willfully violates a condition imposed upon a permit issued under the approved local rules. An administrative penalty may not be imposed upon a person who establishes that neither the site nor the system may be improved or a new system installed so as to comply with Article 11 of this Chapter. The local health director shall establish and recover the amount of the administrative penalty in accordance with subsections (d) and (g). Each day of a continuing violation shall constitute a separate violation. The penalty shall not exceed fifty dollars (\$50.00) per day in the case of a wastewater collection, treatment and disposal system with a design daily flow of no more than 480 gallons or in the case of any system serving a single one-family dwelling.

The penalty shall not exceed three hundred dollars (\$300.00) per day in the case of a wastewater collection, treatment and disposal system with a design daily flow of more than 480 gallons which does not serve a single one-family dwelling. A person contesting a penalty imposed under this subsection shall be entitled to an administrative hearing and judicial review in accordance with G.S. 130A-24. A local board of health shall adopt rules concerning the imposition of administrative penalties under this subsection.

(h1) A local health director may take the following actions and may impose the following administrative penalty on a person who manages, operates, or controls a public place or place of employment and fails to comply with the provisions of Part 1C of Article 23 of this Chapter or with rules adopted thereunder or with local ordinances, rules, laws, or policies adopted pursuant to Part 2 of Article 23 of this Chapter:

- (1) First violation. - Provide the person in violation with written notice of the person's first violation and notification of action to be taken in the event of subsequent violations.
- (2) Second violation. - Provide the person in violation with written notice of the person's second violation and notification of administrative penalties to be imposed for subsequent violations.
- (3) Subsequent violations. - Impose on the person in violation an administrative penalty of not more than two hundred dollars (\$200.00) for the third and subsequent violations.

Each day on which a violation of this Article or rules adopted pursuant to this Article occurs may be considered a separate and distinct violation. Notwithstanding G.S. 130A-25, a violation of Article 23 of this Chapter shall not be punishable as a criminal violation.

(i) The clear proceeds of penalties assessed pursuant to this section shall be remitted to the Civil Penalty and Forfeiture Fund in accordance with G.S. 115C-457.2.

(j) The Secretary of Environmental Quality may also assess the reasonable costs of any investigation, inspection, or monitoring associated with the assessment of the civil penalty against any person who is assessed a civil penalty under this section. A permit may also be suspended or revoked upon a finding that its issuance was based upon incorrect or inadequate information that materially affected the decision to issue the permit.

(b) The Secretary may suspend or revoke a person's participation in a program administered under this Chapter upon a finding that a violation of the applicable provisions of this Chapter or the rules of the Commission has occurred. Program participation may also be suspended or revoked upon a finding that participation was based upon incorrect or inadequate information that materially affected the decision to grant program participation.

(c) A person shall be given notice that there has been a tentative decision to suspend or revoke the permit or program participation and that an administrative hearing will be held in accordance with Chapter 150B of the General Statutes, the Administrative Procedure Act, at which time the person may challenge the tentative decision.

(d) A permit shall be suspended or revoked immediately if a violation of the Chapter, the rules or a condition imposed upon the permit presents an imminent hazard. An operation permit issued pursuant to G.S. 130A-281 shall be immediately suspended for failure of a public swimming pool to maintain minimum water quality or safety standards or design and construction standards pertaining to the abatement of suction hazards which result in an unsafe condition. A permit issued pursuant to G.S. 130A-248 shall be revoked immediately for failure of an establishment to maintain a minimum grade of C. The petition shall be filed not later than 30 days after notice of the action which confers the right of appeal unless a federal statute or regulation provides for a different time limitation. The time limitation imposed under this subsection shall commence when notice of the agency decision is given to all persons aggrieved. Such notice shall be provided to all persons known to the agency by personal delivery or by the placing of notice in an official depository of the United States Postal Service addressed to the person at the latest address provided to the agency by the person.

(b) Appeals concerning the enforcement of rules adopted by the local board of health and concerning the imposition of administrative penalties by a local health director shall be conducted in accordance with this subsection and subsections (c) and (d) of this section. The aggrieved person shall give written notice of appeal to the local health director within 30 days of the challenged action. The notice shall contain the name and address of the aggrieved person, a description of the challenged action and a statement of the reasons why the challenged action is incorrect. Upon filing of the notice,

the local health director shall, within five working days, transmit to the local board of health the notice of appeal and the papers and materials upon which the challenged action was taken.

(c) The local board of health shall hold a hearing within 15 days of the receipt of the notice of appeal. The board shall give the person not less than 10 days' notice of the date, time and place of the hearing. On appeal, the board shall have authority to affirm, modify or reverse the challenged action. (a) The local health director shall investigate, as required by the Commission, cases of communicable diseases and communicable conditions reported to the local health director pursuant to this Article.

(b) Physicians, persons in charge of medical facilities or laboratories, and other persons shall, upon request and proper identification, permit a local health director or the State Health Director to examine, review, and obtain a copy of medical or other records in their possession or under their control which the State Health Director or a local health director determines pertain to the (i) diagnosis, treatment, or prevention of a communicable disease or communicable condition for a person infected, exposed, or reasonably suspected of being infected or exposed to such a disease or condition, or (ii) the investigation of a known or reasonably suspected outbreak of a communicable disease or communicable condition.

(c) A physician or a person in charge of a medical facility or laboratory who permits examination, review or copying of medical records pursuant to subsection (b) shall be immune from any civil or criminal liability that otherwise might be incurred or imposed as a result of complying with a request made pursuant to subsection (b).

(d) The attending physician shall give control measures prescribed by the Commission to a patient with a communicable disease or communicable condition and to patients reasonably suspected of being infected or exposed to such a disease or condition. The physician shall also give control measures to other individuals as required by rules adopted by the Commission.

(e) The local health director shall ensure that control measures prescribed by the Commission have been given to prevent the spread of all reportable communicable diseases or communicable conditions and any other communicable disease or communicable condition that represents a significant threat to the public health. The local health department shall provide, at no cost to the patient, the examination and treatment for tuberculosis disease and infection and for sexually transmitted diseases designated by the Commission.

(f) All persons shall comply with control measures, including submission to examinations and tests, prescribed by the Commission subject to the limitations of G.S. 130A-148.

(g) The Commission shall adopt rules that prescribe control measures for communicable diseases and conditions subject to the limitations of G.S. 130A-148. Temporary rules prescribing control measures for communicable diseases and conditions shall be adopted pursuant to G.S. 150B-13.

(h) Anyone who assists in an inquiry or investigation conducted by the State Health Director for the purpose of evaluating the risk of transmission of HIV or Hepatitis B from an infected health care worker to patients, or who serves on an expert panel established by the State Health Director for that purpose, shall be immune from civil liability that otherwise might be incurred or imposed for any acts or omissions which result from such assistance or service, provided that the person acts in good faith and the acts or omissions do not amount to gross negligence, willful or wanton misconduct, or intentional wrongdoing. This qualified immunity does not apply to acts or omissions which occur with respect to the operation of a motor vehicle. Nothing in this subsection provides immunity from liability for a violation of G.S. 130A-143.
