Re:

Wake County Case No. [REDACTED]

Dear Judge Gable:

This letter is to document our UCCJEA conference on May 26, 2017 regarding the above-referenced case. None of the parties were present during this hearing as we discussed the procedural posture of this case.

It is my understanding that we agree that all custody matters will be stayed until the Adoption Proceeding, filed in Wake County on March 27, 2017, is resolved. We also agree that if the adoption proceeding is unsuccessful, a jurisdictional hearing will need to be scheduled. During this hearing, the parties will be able to appear in their respective states simultaneously, and you and I will make a decision on the record about which state has subject matter jurisdiction.

I will mail you a copy of my Order to Stay and you will send a copy of your Order to me upon completion. I enjoyed speaking with you and I look forward to perhaps talking with you again someday in the future.

Sincerely,

Judge Christine M. Walczyk
