Odyssey Rollout Plan (as of April 2021)

- Twelve tracks/phases for statewide rollout
 - “Big bang” rollouts of all case types at the same time
- Rollout Plan is for Odyssey and eFiling
- eWarrants (NCAWARE replacement) statewide implementation in June 2021
- *When pilot counties go live, we all go live* (at least for inquiry)

Rollout Plan Considerations

- All counties in a district rollout at the same time
- Avoid coastal areas during peak hurricane season
- Avoid mountains during winter
- Provide ranges for go-live dates while retaining some flexibility
- Counties will get their targeted go-live date and will begin preparations 8 to 12 months before their track rollout

Efiling

- Goes live when a district goes live with Odyssey Case Manager
- Mandatory for attorneys; optional for self-represented litigants
- File & Serve
- Guide & File
- End user training/resources will be available by late July 2021 for pilot counties
