"Building Community Capacity to Stop Domestic and Sexual Violence"   **#1: Community Asset Inventory**

| Who provides the service? | **Community Asset*** | | |
	Type of service (education, emergency response, mental health, etc.) **Or population group** (children, teens, Hispanic, etc.)	**What is adequately covered now?**	**What are the existing or potential gaps in coverage?**

*Each community can decide whether to organize the inventory assets by service or by population group.
