## COURTS AND CRIMINAL LAW WEB RESOURCES

### CRIMINAL LAW IN NORTH CAROLINA

[www.sog.unc.edu/node/84](http://www.sog.unc.edu/node/84)

This website assembles in one place the work of the School of Government's criminal law faculty, including summaries of court decisions and legislation, faculty papers on various criminal law topics, bulletins, blog posts, and a subject index to facilitate searches.

### CRIMINAL LAW BLOG

[sogweb.sog.unc.edu/blogs/ncclaw/](http://sogweb.sog.unc.edu/blogs/ncclaw/)

The criminal law blog serves as a forum for discussion by School of Government faculty about current criminal law issues and related topics.

### CRIMINAL LAW LISTSERV

[www.sog.unc.edu/node/490](http://www.sog.unc.edu/node/490)

Subscribers to the listserv receive summaries of new appellate cases and new criminal law legislation as well as information about new resources on the School's criminal law website.

### INDIGENT DEFENSE EDUCATION

[www.sog.unc.edu/programs/indigentdefense](http://www.sog.unc.edu/programs/indigentdefense)

This website offers a complete list of indigent defense training programs and other useful indigent defense materials and resources, including reference manuals, orientation manuals, and links to motions, forms, and briefs. This site links to the Indigent Defense Manual Series, a collection of reference-quality manuals on criminal, juvenile delinquency, civil commitment, and other practice areas. The manuals are available for purchase or as free downloadable PDF files.

### SUPERIOR AND DISTRICT COURT JUDGES

Superior Court: [www.sog.unc.edu/node/194](http://www.sog.unc.edu/node/194)

District Court: [www.sog.unc.edu/node/96](http://www.sog.unc.edu/node/96)

These websites provide resources for trial judges, including information about training events, papers from past conferences, and reference materials such as the *Superior Court Judges' Survival Guide*, which serves as a bench book on criminal, civil, and evidence issues.

For a list of all School of Government Courts and Judicial Administration courses and web resources, visit [www.sog.unc.edu/node/1250](http://www.sog.unc.edu/node/1250).
