City of Fayetteville 2013 Resident Survey APPENDIX G: SPECIAL CROSSTABS

Submitted to

The City of Fayetteville, North Carolina

ETC Institute 725 W. Frontier Circle Olathe, KS 66061

March 2013

Overview

The following pages display selected crosstabs of the survey data to provide the City with additional analysis into various communication, funding and community involvement issues. For the satisfaction questions included, "very satisfied" and "satisfied" responses AND "very dissatisfied" and "dissatisfied" responses were combined to more easily identify the differences between residents who were satisfied versus those who were not. For the ratings questions included, "excellent" and "good" responses AND "below average" and "poor" responses were combined to more easily identify the differences between residents who were satisfied versus those who were not. The crosstabs included in this analysis are listed below:

• Communication Crosstabs:

- Crosstab of (Q1I) overall satisfaction with City communication by (Q18) methods residents use to get City information and (Q19) methods residents prefer to get City information.
