Town of Lewisville

Citizen Survey Report

Purpose and Scope:

Survey research represents one method of collecting important opinion information from your citizens and property owners. Properly conducted survey research helps convert citizen opinion information into clear “messages” to you about what they expect from you and believe about you as a supplier of services.

The purposes of this survey might be summarized as follows:

- * Measure, in general, how citizens feel about living in Lewisville.
- * Identify opinions concerning growth and development in Lewisville.
- * Identify what citizens think concerning Parks & Recreation long-term goals.
- * Learn more about citizens’ tax priorities.

The ability of survey results to assist you in decision making can be enhanced by looking at the survey data from different perspectives or ‘views’. Each view contributes to a more complete understanding of the true opinions underlying people’s responses to the survey questions. Looking at multiple views is part of the process of transforming relatively meaningless ‘data’ into useful ‘information’ and hopefully even into ‘insight’. Consequently, the results presented in this report are presented in various levels of detail in order to provide you with different views of the data. For example, in some cases the results summarize the opinions of *all* of the people who responded to the survey taken together. In other cases, the survey data is segmented into *groups* of respondents who differ from one another along one or more dimensions (*See Table Below*). This segmentation of the data enables you to determine if different groups of people answered questions differently based on these questions:

➤ How long have you lived here?
➤ Your age range:
➤ Do you have children under age 18 living in your home?
➤ Your home’s location:
➤ Do you currently rent or own your home?

In this report, we will refer to respondents, citizens and customers interchangeably.

Survey Description:

The survey is divided into three principle parts:

1. **Background Questions**
2. **Opinion and Priority Questions**
3. **Open Ended Questions.**

1. Background information (“About You”) was collected to understand what types of people responded to the survey. This information enables important differences in people’s responses to be examined based on some of these questions:

➤ How do you learn about town meetings, events, etc? (Check ALL that apply)	<input type="checkbox"/> Town Newsletter <input type="checkbox"/> Website <input type="checkbox"/> Facebook	<input type="checkbox"/> Channel 6 cable access <input type="checkbox"/> Bulletin boards <input type="checkbox"/> Other, please list _____
➤ Why do you choose to live in Lewisville? ➤ How long have you lived here?	<input type="checkbox"/> Under 5 yr.	<input type="checkbox"/> 5-19 yr. <input type="checkbox"/> 20 yr. & over
➤ Your age range:	<input type="checkbox"/> under 35 <input type="checkbox"/> 35 - 49 <input type="checkbox"/> 50 - 64 <input type="checkbox"/> 65 & over	
➤ Your home is:	<input type="checkbox"/> North of Robinhood Rd <input type="checkbox"/> Between Shallowford and Robinhood	<input type="checkbox"/> Between US 421 and Shallowford <input type="checkbox"/> South of Hwy 421
➤ Do you rent or own your home?	<input type="checkbox"/> Rent <input type="checkbox"/> Own	

2. Several categories of questions and statements were included in the survey to provide a wide array of respondents’ opinions. These categories include:
 - General (Living in Lewisville)
 - Community Safety
 - Growth & Development
 - Parks & Recreation Long-Term Goals
 - Your Tax Priorities

3. Written Comments were also captured. Comments provide an opportunity for respondents to reveal information of importance that was not specifically asked for in the survey. They also lend value to the interpretation of ratings by providing a better sense of context or supportive evidence that enriches the interpretation.

Survey Construction:

Care has been taken in the construction of this survey to help ensure citizen opinion information is gathered in an appropriate manner. In particular, the following characteristics of surveys, which are known to influence the accuracy of the information received, were considered during construction. These include:

1. WORDING OF STATEMENTS	<ul style="list-style-type: none">* Statements are kept brief to reduce the amount of reading required.* Statements are reviewed for ambiguity to ensure they convey only one meaning where possible.* Statements are designed to be neutral or slightly positive.* Each statement ideally covers only one idea to be rated.
2. STATEMENT ORDER	<ul style="list-style-type: none">* When possible, statements are put in order from the most general to the most specific. This is done to avoid raising specific issues early that may positively or negatively influence responses on more general statements that follow.* Statements are grouped with other statements into similar categories.* More emotionally charged statements to be rated are generally placed toward the end of a category, or the end of the survey since they can influence ratings on other less emotionally charged issues.
3. INSTRUCTIONS	<ul style="list-style-type: none">* Instructions provided at the beginning of the survey clearly indicate the purpose for the survey. The instructions also assure respondents that confidentiality will be preserved, and described when and how to return the survey.
4. RATING SCALE	<ul style="list-style-type: none">* A 7 point scale is used for rating purposes. This type of scale supports a multitude of parametric statistical tests that are most useful in evaluating and prioritizing the strengths and areas for improvement.

* ***A copy of the survey used is presented at the end of the report.***

Survey Distribution:

Approximately **5169** envelopes with surveys were mailed to customers via first class US Mail, using live stamps. The surveys were mailed by Insight Research, Inc. Surveys that were not deliverable should have been returned to the Town by the USPS.

A cover letter was included with the survey. The letter included:

- * The reason for the survey
- * How and when to complete the survey
- * Guarantee of anonymity by using an independent research firm

Background Questions

Overall Response:

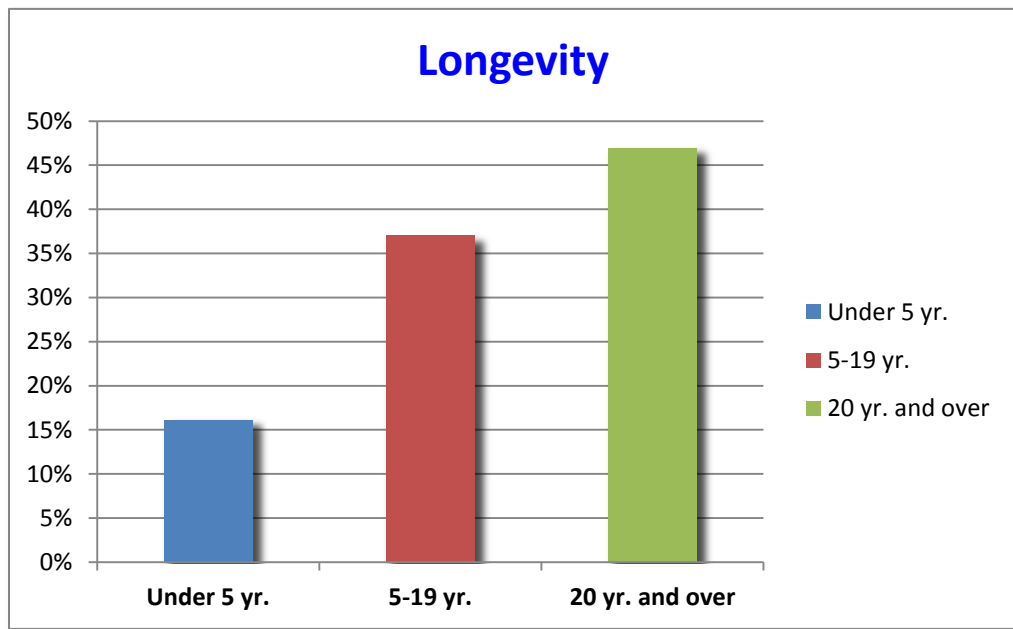

About 5169 envelopes were distributed by mail. 1750 surveys in all were completed, which is a response rate of about 34%. This is an excellent response since surveys of this type most often have response rates of between 15 and 30%.

Due to an error by the printing contractor a few envelopes did not actually contain surveys. Some residents called to report this and the town then mailed a copy of the survey to each of these residents

Please note: Not every respondent answers every question.

Opinion & Priority Questions

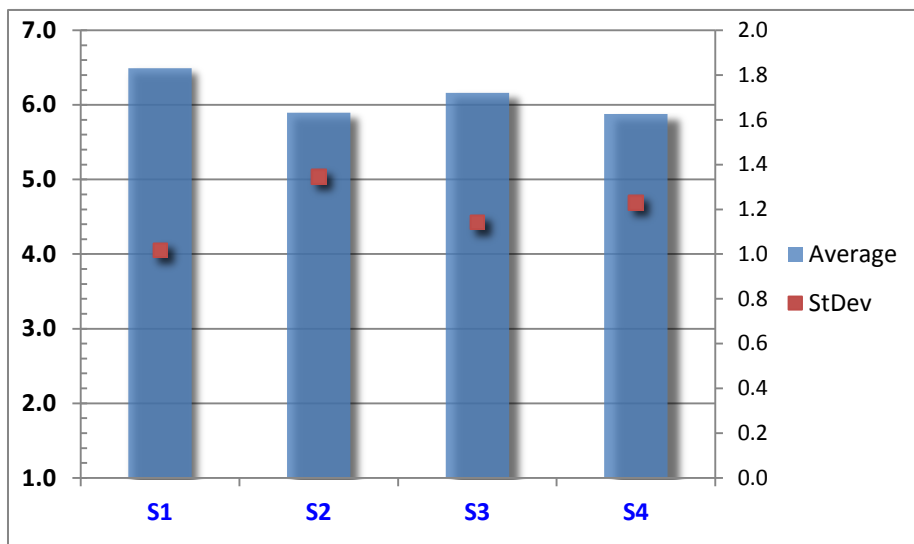

About the 7-Point Rating Scale

This section provides information about the results for each statement on the survey that was rated on the 7-point scale. Both a table and graph of the results are provided for each category of statements.

TABLE DESCRIPTION: The following information is included in the Tables:

Valid N	* Refers to the 'Number' of people responding to the statement.
Mean	* Refers to the 'Average' rating received from all respondents who rated the statement.
Median	* Refers to the 'Middlemost' score in a list of rank-ordered scores, above and below which 50% of the scores lie.
Standard Deviation	* Refers to a measure of the amount of variability there is in the responses above and below the average. For example, a smaller standard deviation indicates less variability, and thus more agreement among respondents than a larger standard deviation indicates.

GRAPH DESCRIPTION: The **blue** bar shows the average (mean, left scale) while the **red** dot shows the standard deviation (which is the right scale)

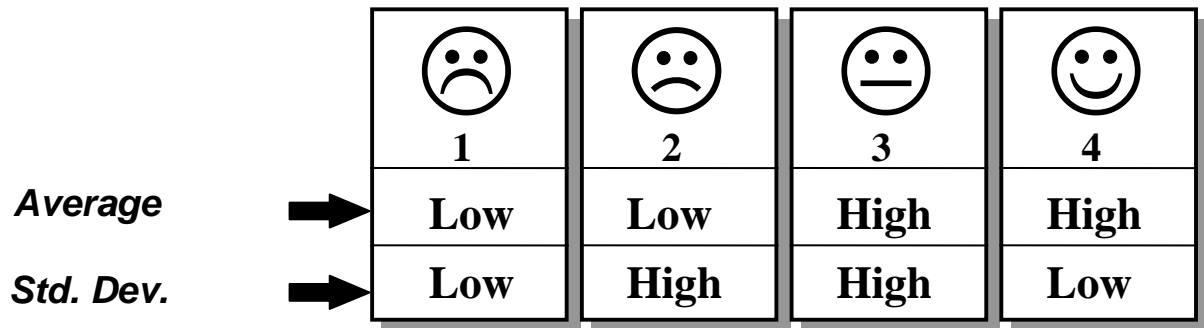

Interpreting the 7-Point Ratings

Two questions often asked in survey research are; “What is a good score, and how do I know where my real areas for improvement are?” Although every organization is different, a general theme in the opinion research literature indicates that “good” is not always “good enough”. That is to say, although an average rating of a ‘4’ on a 7-point scale may be perceived to be a “neutral” or even a “good” rating, it actually takes a much higher average rating to increase the likelihood that people are satisfied. Consequently, it is good practice to aim for the highest average possible.

At Insight Research, Inc., we have found it useful to suggest a target average of 5.5 or better for *satisfaction* statements for most industries. Scores lower below the target do not necessarily indicate a problem, but should be considered as areas for potential improvement that are worthy of attention. For local governments, however, achieving an overall satisfaction rating of 5.5 is often difficult; most average closer to 5.2. One reason for this difficulty might be that unlike most organizations in the private sector, a government usually keeps (rather than loses) most of their “unhappy customers”.

In addition, as mentioned earlier, low standard deviations reflect more agreement among respondents. As a result, it is most desirable to have a high “average” rating and a low “standard deviation”. This would indicate that most people agree that the rating should be high. A good rule of thumb suggests that standard deviations of 1.2 or less are desirable. The following diagram illustrates the relationship between the “average” and “standard deviation” with blocks 1 to 4 reflecting “Least Desirable” to “Most Desirable” in that order.

General Items: Living in Lewisville, Community Safety

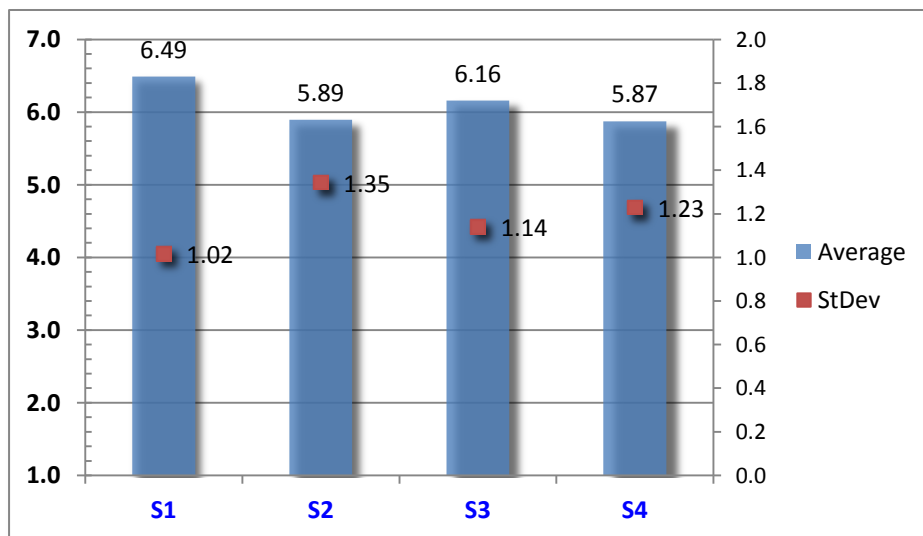

General: <i>Please rate these statements on a 1 to 7 scale. Skip it if you have no opinion.</i>		Strongly Disagree						Strongly Agree
		1	2	3	4	5	6	7
1.	<i>Overall, I enjoy living in the Lewisville area.</i>	○	○	○	○	○	○	○
2.	<i>Overall, I am satisfied with the services I receive through the Town of Lewisville.</i>	○	○	○	○	○	○	○
Community Safety:								
3.	<i>Overall, I feel safe in Lewisville.</i>	○	○	○	○	○	○	○
4.	<i>In general, crime in Lewisville is not a big problem.</i>	○	○	○	○	○	○	○

We suggest that you focus on the **Mean (Average)** for each item. This table shows us that respondents very much enjoy living in Lewisville. This is one of the strongest ratings we have received for this question. In addition, they are generally quite satisfied with the services offered by the Town (with some room for improvement).

The **standard deviations** indicate an average amount of variability in the answers. Ideally, you would want lower standard deviations (especially with S2 & S4), since this would mean more consistency in the ratings.

Median refers to the 'middlemost' score in a list of *rank-ordered* scores. For example, S10 has a median of 5.0. This tells us that at least half of the respondents gave an answer of '5' or higher and at least half of them gave us an answer of '5' or lower.

	Statements <small>1 = Strongly Disagree; 7 = Strongly Agree</small>	Valid N <small>(Number Responding)</small>	Mean <small>(Average Rating)</small>	Median <small>(Middlemost Score)</small>	Std. Dev. <small>(Amount of Variability)</small>
S1	<i>Overall, I enjoy living in the Lewisville area.</i>	1741	6.49	7.0	1.02
S2	<i>Overall, I am satisfied with the services I receive through the Town of Lewisville.</i>	1722	5.89	6.0	1.35
S3	<i>Overall, I feel safe in Lewisville.</i>	1740	6.16	6.0	1.14
S4	<i>In general, crime in Lewisville is not a big problem.</i>	1709	5.87	6.0	1.23

Across from library & Lowes Foods center. Great Wagon Rd as well.	Near the park.
All of Lewisville, mostly downtown.	Near the square.
Along Shallowford where Food Lion is, if possible.	Need that beltway!
Along the main street.	Next to Pig'n Out!
Along with downtown.	No further development.
Also downtown. Do not restrict to downtown only.	No opinion.
An area that doesn't effect parks & charm of Lewisville.	No preference.
Any area.	No preference.
Anywhere possible.	Nowhere!
Anywhere, PLEASE!!	None. 5
Anywhere.	Not interested. We already have too many businesses.
Around Food Lion area.	Not sure. 3
Better quality restaurants.	Nowhere in town. Already have empty retail space eyesores.
Build 2 level complex with condos upstairs & business/retail on bottom level.	On Shallowford Rd west of 421 toward the river.
Buildings already in existence.	Park developed by LV.
Business development in Pfafftown.	Please no more development!
By Food Lion & ABC store.	Please, no more big, brick doctor buildings!
Clemmons!	Please, no strip malls!
Country Club Rd between Meadowlark & Styers Ferry. Would love to see this strip cleaned up with nice stores & offices.	Quit building & use empty existing buildings.
Country Club/Meadowlark area.	Refurbish & better lighting in plaza.
Depends on the development.	Reuse existing shopping center vacancies.
Development in Yadkin/LV Rd will split the town core. That has happened in other towns & hurt the community feel.	Roller Mill area.
Do not favor.	Send all development to Winston Salem or Clemmons.
Do not want any development.	Shallowford Rd towards Styers Ferry Rd.
Downtown around the old mill.	Shallowford Rd, obviously.
Downtown but keep current guidelines, ie no fast food & signage.	Shallowford Road exit.
Drive through (not pharmacy or banks).	Shallowford.
Especially downtown.	Small business only; no chains or Walmart.
Existing spaces that are now vacant.	Small shop where old library was.

fix up area across from library!	Somewhere else.
Hwy 421 & Lewisville-Clemmons Rd.	Spread out among the 3 areas.
I do not favor more business development.	The old library building looks so sad & empty.
If there is a way to develop a shopping village atmosphere without the traffic issues & snarl that is the Clemmons experience.	The old mill area.
In Pfafftown area.	The vacant shopping center beside the town square.
In the area.	There is nothing in this area (421 & L V Clemons Rd).
Intersection of Robinhood/LV Rd	Use discretion with regard to traffic building height & appearance.
It depends on the business. I want a quaint rather than industrial downtown.	Use empty properties at Lowes Center & Shallowford Rd across from library.
It's already downtown Lewisville.	Use existing (not rented) buildings.
Lanier's shopping center across from library.	Use the empty spaces we have!
Leave Vienna as is. Waaaay too busy.	Vacant lot/nursery next to BP gas station.
Lewisville-Clemmons Rd. 3	We can travel to Winston Salem or Clemmons, etc.

Comparing Answers from Different Groups of Respondents

Although the findings presented thus far are revealing, it is often helpful to perform more fine-grained analyses of the data to determine if any particular groups of respondents rate the statements significantly different from other groups. Consequently, additional analyses, including analyses called “Analyses of Variance” were performed on the data, to determine if any differences could be found among respondents based on:

- | |
|--|
| ➤ How long have you lived here? |
| ➤ Your age range: |
| ➤ Do you have children under age 18 living in your home? |
| ➤ Your home’s location: |

If analyses of this type show significant differences along one or more of these dimensions, then the Town should consider taking these differences in citizen responses into account when making plans for the future.

Subjects for Comparisons:

- | |
|---|
| General items and Community Safety (Using Analysis of Variance) |
| Growth & Development (Break-outs) |
| Parks & Recreation Long-Term Goals (Break-outs) |
| Tax Priorities (Break-outs) |

Correlations of Rated Items

Correlation is a measure of how closely related two or more items are. **This often helps to understand your respondents better and can sometime help as you set priorities.**

A “**positive**” correlation indicates that two or more items are directly related (e.g., Height and weight are positively correlated since in general, the taller someone gets, the more they weigh).

A “**negative**” correlation exists when two or more items are related in opposite directions (e.g., The number of children in a family, and amount of money available to save each month might be negatively correlated. That is, the more children you have in the family, the more expenses you have to pay each month, which reduces the amount of money left to put into savings.)

Correlation measures can be extremely useful in survey analysis. Knowing how a person responds to one item can help predict how they will respond to another correlated item. Although these relationships do not necessarily represent “cause and effect” relationships, they may give good insight about what is important to your respondents.

	Rated Statements 1 = Strongly Disagree; 7 = Strongly Agree	Mean (Average Rating)
S1	<i>Overall, I enjoy living in the Lewisville area.</i>	6.49
S2	<i>Overall, I am satisfied with the services I receive through the Town of Lewisville.</i>	5.89
S3	<i>Overall, I feel safe in Lewisville.</i>	6.16
S4	<i>In general, crime in Lewisville is not a big problem.</i>	5.87

290	50-64	Yes		Arrest the drug dealers on the streets at the convenience stores & at the square! Build sidewalks to Styer Ferry shopping center.
126	65+	Yes		Commitments by council to maintain Lewisville as it is with only necessary business or individual additions since we are only minutes away from malls & shopping centers & traffic congestion. We pay taxes to county & to Lewisville, to MSD's fire districts, etc. Let's maintain our beauty & our rural atmosphere!
199	50-64	Yes		Downtown developed with shops & restaurants (not fast food).
1255	35-49	Yes		Have town hall let more small businesses in & have mandates for beautification of existing companies. Broken mailboxes, trash, weeds at businesses in town. Not pretty.
22	50-64	Yes		I love Lewisville just as it is. Remember, if it isn't broken it doesn't need to be fixed. Lewisville is a wonderful place to raise a family & to retire in.
294	35-49	Yes		Improvement to the Food Lion shopping plaza (refaced)? Improvement to the karate shopping plaza. They are both eyesores to our beautiful Lewisville.
605	50-64	Yes		Keep restrictions & ordinances to a minimum. Lower the tax rate or do not increase it. We are losing too much of our freedom & liberties because of government.
1488	35-49	Yes		Keep sidewalks & add more sidewalks to connect all businesses & parks. Outdoor seating for an upscale restaurant.
55	35-49	Yes		Love it as it is!
1010	35-49	Yes		Make home owners/renters keep yard up & not have piles of junk laying around.
1208	35-49	Yes		More security patrolling area.
32	35-49	Yes		Remaining more rural & small town in character.
1366	35-49	Yes		Traffic light at Oak shopping center.
481	65+	No		1 day music events by local people/groups at the square. Community assistance programs. Community meal events/gatherings, etc. Street lights.
626	65+	No		Baggers at grocery stores. Better view for fireworks. Sheetz.
652	50-64	No		Better background checks for HUD houses that are throughout Lewisville. More police patrols.
1211	65+	No		Better places to eat out.
1603	35-49	No		Better selection of bars & restaurants.
1163	50-64	No		Continue beautification efforts.
1647	65+	No		Distribute equally the tax payers money into all areas of the community instead of the prime area (Lewisville). Make sure substantial improvements are created in all areas of the community. Absolutely nothing has been improved and/or added to the forced annex areas. Show us some improvements & considerations during the year of 2016. Relocate the recycle center to the corner of Robinhood/Lewisville-Clemmons Rd & replace the Old Vienna fire station with a new "senior center" building.
234	65+	No		Dog barking law enforcement.
1342	65+	No		Find businesses to fill empty stores.

Case No	Age Range	<18 at Home?	Where	What <u>one</u> thing would you like to see done... (1 = N of R'hood, 2 = S'ford to R'hood, 3 = 421 to S'ford, 4 = S of 421)
1070	65+	No		Get a Hardees or a Dairy-O so we would not have to drive to Winston Salem or East Bend.
1552	<35	No		Have a local feel downtown – music, bars, restaurants, shops – all local & small. Continue with farmers market & nursery. We need a gym/yoga studio.
428	50-64	No		Have a quaint, charming, theme oriented business area next to the square that appeals to families. #25 – left out my area, off Lewisville-Clemmons Rd, north of 421.
133	50-64	No		Have a senior center area such as Shephards Center. Could be in a community area with walking tracks.
1313	35-49	No		Have the town hire a better research company to design survey.
1592	65+	No		I am happy to say I can't think of anything except bring back the open park day/evening. They were joyous.
376	65+	No		It is already a nice place.
720	65+	No		Keep cost effective government, lower taxes & limited government.
819	65+	No		Keep the small town environment with attention to an attractive town center.
1181	65+	No		Leaf & limb pickup.
1703	65+	No		Lewisville is a great & unique place to live. I like the rural small town flavor. Changing that would ruin what we have here.
505	65+	No		Love Lewisville!
1233	65+	No		Make homeowners keep up & maintain houses & yards. It makes the value of other homes go down. Keep animals (chickens) up from always being in the roads!
112	50-64	No		Make people who do not live in Lewisville pay for parking permits to ride & park in our town! It appears that Willowmeade is on the wrong side of 421.
1568	65+	No		More places to eat. More doctors & lawyers offices.
501	65+	No		More sidewalks.
1671	50-64	No		More walker friendly. Extend sidewalks to area neighborhoods. Grow more progressively with unique restaurants, not chains. Do not become commercial or like everyone else! Let's keep individuality & make Lewisville a place where people want to live & are given places to spend their money. Pedestrian friendly!
1330	65+	No		Need an excellent restaurant, not like current ones.
785	65+	No		No parking signs on street! People park barely on the street & on my yard. Can't keep grass along street. Yard sales, etc, & people park in my yard.
706	65+	No		Sewer & limb/leaf pickup.
35	65+	No		Sewer hook up.
1037	65+	No		Sidewalks in neighborhoods.
328	50-64	No		Street lights in the Ridge Gate Ct area. Too dark at night. Feel very insecure!
1433	50-64	No		Suggestion for a Halloween parade for trick or treaters & spectators can throw candy at them.
1438	50-64	No		Sunday hours at the library.
272	50-64	No		Unsafe only due to unleashed animals. Restrictions should be made on large dogs running through the neighborhoods.

Case No	Age Range	<18 at Home?	Where	What <u>one thing</u> would you like to see done... (1 = N of R'hood, 2 = S'ford to R'hood, 3 = 421 to S'ford, 4 = S of 421)
536	50-64	No		We live in a nice community but with little growth. We need to make sure that growth is in the right direction. Maybe what we should look at is seasonal growth events to bring others in for an event like Beach Weekend, not commercial growth. No Walmarts or CVS. Instead focus on bringing visitors we can promote specific events or times, kind of like Tanglewood lights. Would like to see town calendar at local businesses & parks. Incorporate a downtown festival with vendors. Would like to mention you need to give us more time when notifying about recycling & trash day. I received my newsletter the day <u>after</u> recycle day!
367	50-64	No		Would like a place to ride my bike (paths) off the main roads. Also we need to do something about all the cyclists that take up the whole road! I think Jack Warren Park is a waste of money. I drive to Tanglewood. It has nice walking paths & you can take your dog & bike on paths.
1681				Beef up police presence. Start writing more speeding tickets. Look at getting some streets on city sewer. Add more businesses like shopping centers, restaurants, hotels, etc. And why hasn't the bridge that was hit earlier this year been fixed?
837	35-49			Develop downtown area for mixed business & residential.
739				For homeowners to not store junk in their yards. Example is a house on the corner of Beroth Rd & Yadkinville Rd. They are allowed to store unused construction supplies in back yard. Appearance very unsightly & could be habitat for rodents.
575	50-64	Yes	1	Add biking paths & walking trails.
1270	35-49	Yes	1	Bike & walking paths.
70	35-49	Yes	1	Bike paths & green ways.
976	35-49	Yes	1	Bike paths on all roads.
760	35-49	Yes	1	I like what has been done to downtown Lewisville. Bikes/cyclists on Yadkinville Road is extremely dangerous!
1328	50-64	Yes	1	I live on Chickasha Dr & pay Lewisville taxes but have a Pfafftown address. I would like a Lewisville address.
1138	50-64	Yes	1	I want sewer services for my failing septic system. Costs me \$180 for each pumping.
451	<35	Yes	1	I would like to see the community helping each other out more.
525	50-64	Yes	1	If not already available, publish a business directory.
1408	<35	Yes	1	In regard to #12, include a hobby park – remote control planes, cars, etc.
1293	35-49	Yes	1	It would be nice to have a park closer to the Pfafftown area with walking trails, etc.
1604	<35	Yes	1	Keep it a small, rural community.
733	35-49	Yes	1	Keep it more rural. It is peppered with businesses.
1448	50-64	Yes	1	Keep supporting our amazing library.
675	50-64	Yes	1	Keep unlicensed cars off streets.
1735	35-49	Yes	1	Leaf & limb collection.
465		Yes	1	Leaf collection in the fall.
71	<35	Yes	1	Lewisville is already a great place to live! It would be extremely convenient to have retail stores & more restaurants closer to home. I would prefer to keep my money local!
456	35-49	Yes	1	Love the idea of bike paths. Would love to be able to bike from Vienna area to Shallowford Square & for my kids to be able to bike to school.
798	50-64	Yes	1	More attention paid to icy, snowy roads in more rural areas.
1498	35-49	Yes	1	More local restaurants.
1574	35-49	Yes	1	More parades; 4 th of July, Veteran's Day, floats, etc.

Case No	Age Range	<18 at Home?	Where	What <u>one</u> thing would you like to see done... (1 = N of R'hood, 2 = S'ford to R'hood, 3 = 421 to S'ford, 4 = S of 421)
748	35-49	Yes	1	More restaurants.
453	35-49	Yes	1	More small businesses downtown.
1346	50-64	Yes	1	More space for walking (trails) & a community center (like Polo Rec & Old Town Rec).
1689	50-64	Yes	1	Overall very good. I know we must grow but use caution & keep it small & close.
1653	35-49	Yes	1	Please continue to hold family/community events.
1576	35-49	Yes	1	Please do not let our great little town become like Clemmons. Keep it small & rustic.
1216	50-64	Yes	1	Provide sewer services. Realtors use this to steer buyers away from Lewisville.
1536	35-49	Yes	1	Public sewer.
1068	50-64	Yes	1	Sewer.
1741	50-64	Yes	1	Stop leveling historic buildings & properties for new buildings. Save the trees.
678	35-49	Yes	1	The sewer or free septic pumping service that was promised when we were annexed should be delivered. It has been 10+ years now.
586	65+	No	1	A park north of Robinhood.
1140	65+	No	1	A return call when I have a problem. I had 2 problems & never got a call back.
913	65+	No	1	Arts & crafts center.
101	50-64	No	1	Bike trails. Widen roads for bike lanes, especially Shallowford & Conrad.
484	50-64	No	1	Bike/running designated lanes or wider shoulders on heavy traffic roads.
1375	35-49	No	1	Build up the Lowes Foods shopping center. A lot of empty spaces. Not very visible from Shallowford Rd.
508	65+	No	1	Bus service with parking to give seniors & others in Vienna & Pfafftown a reason to come to Lewisville.
1745	50-64	No	1	Continue to limit commercial development.
1591	50-64	No	1	Creation of a dog park.
851	65+	No	1	Do not plan to build apartment buildings.
1390	65+	No	1	Don't become another Clemmons!
618	65+	No	1	Don't get too big. You don't need to spend money all the time. Reduce spending.
132	65+	No	1	Don't let it turn into a Clemmons.
1392	65+	No	1	Expanded services. Public sewer & street lights in subdivisions.
130	65+	No	1	Fiber optic service to homes.
1348	50-64	No	1	Fix the pot holes in the roads.
461	65+	No	1	Get out of Vienna & Pfafftown area.
1583	50-64	No	1	Give the outlying areas some attention. All dollars are spent in central town area. We only get garbage service for our tax dollars. How about a street light or two?
72	50-64	No	1	Green ways.
184	65+	No	1	Happy with it the way it is.
1329	50-64	No	1	Have leaf & trash pickup including tree waste like leaves.
1396	35-49	No	1	I do not favor the buildings being built so close to the road. I feel that takes the friendly, comfortable feeling away. You are past them before you realize it. I think the worst building built was the Wake Forest doctors offices. It has a very impersonal feel! I would love to see more food & small shops in town.
1478	35-49	No	1	I love it now. Just keep it small so traffic is bearable & everything will be just fine. Love the sense of community.

Case No	Age Range	<18 at Home?	Where	What <u>one</u> thing would you like to see done... (1 = N of R'hood, 2 = S'ford to R'hood, 3 = 421 to S'ford, 4 = S of 421)
578	50-64	No	1	I love Lewisville the way it is. Though the bike routes can be annoying at some times because the bikers can be rather rude in blocking the roads. And the clearing of Lewisville-Vienna Rd during winter is horrible.
1273	50-64	No	1	I think we really need an alarm system for bad weather. We need to know if a tornado is in the area.
787	50-64	No	1	I wish there was an indoor walking area in the downtown part of Lewisville.
701	50-64	No	1	I would like to see the side of the roads cleared more often in the spring & summer time. Too many weeds are growing year round.
812	50-64	No	1	I'd like to see the town as an "arts district." Specialty shops, craftsmen, small pubs, music, etc.
1669	65+	No	1	Improvement on Meadowlark to accommodate additional traffic created by Walmart & new subdivision near Robinhood.
1738	65+	No	1	Information to encourage homeowners to maintain their homes & yards. Junk cars, piles of junk & dogs not only bring property values down it reflects badly on the community as a whole!
628	65+	No	1	Install sewage system.
396	50-64	No	1	Keep costs down for this demographic.
450	50-64	No	1	Keep it rural.
587	65+	No	1	Keep it rural.
273	65+	No	1	Keep taxes low.
1595	65+	No	1	Leaf & limb collection.
1602	65+	No	1	Leaf & limb pickup.
455	65+	No	1	Leaf pick up.
1134	50-64	No	1	Leaf pickup.
1601	50-64	No	1	Leave us alone.
1458	65+	No	1	Less commercial business building.
1266	50-64	No	1	Lewisville needs some additional commercial developments downtown, particularly decent restaurants.
883	65+	No	1	Limit commercial development.
735	65+	No	1	Lose it's status as a town.
853	50-64	No	1	Lower taxes.
1486	50-64	No	1	Lower taxes. Street lights. More police presence. I think we should concentrate on providing <u>all</u> Lewisville residents with the basics before we build parks & community centers, etc., for the select few.
1480	50-64	No	1	Make attractive options that will encourage young adults with children & without children. Family oriented events: concerts with picnics, carnivals with games, plays, movie nights, holiday related activities. Love Lewisville!
1391	65+	No	1	Making parks more pet friendly or create a dog park.
1135	50-64	No	1	Minimum changes. Keep rural.
844	65+	No	1	More bike paths.
277	65+	No	1	More development.
246	65+	No	1	More fast food & sewer system.
1357	<35	No	1	More places for youth & millennial to socialize.
231	50-64	No	1	More police & quicker response!
734	65+	No	1	More restaurants & shops.
122	50-64	No	1	More retail. No place in Lewisville to buy clothes, shoes, etc.
615	65+	No	1	More senior citizen friendly.
616	65+	No	1	More senior citizen friendly.
732	35-49	No	1	More sidewalks throughout Lewisville to walk on.

Case No	Age Range	<18 at Home?	Where	What <u>one</u> thing would you like to see done... (1 = N of R'hood, 2 = S'ford to R'hood, 3 = 421 to S'ford, 4 = S of 421)
1333	65+	No	1	More street lighting outside the town proper. Sheriff's deputies need to stop the chronic tailgating which is extremely dangerous, especially when one is already going the posted speed.
449	65+	No	1	More/better law enforcement presence within the Lewisville town limits.
377		No	1	Need more sidewalks in the area of homes.
1129	50-64	No	1	Nice places to visit downtown. Eating, shopping, arts. A place for 13-18 year olds to gather.
1479	<35	No	1	No commercial development. The small town charm is what I love best.
581	50-64	No	1	Not sure it gets much better than this!
1598	65+	No	1	Pave Shore-Craft Drive. State was going to do this. When area was taken in by Lewisville it was dropped. We had already signed. When trash & recycle trucks travel down it it is very dusty or when it rains it's very muddy. When heavy rains come water just runs down the middle. Not kept up.
1137	50-64	No	1	Possibly expand the square into vacant lot.
1575	50-64	No	1	Preserve farm land/open space.
1141	65+	No	1	Provide bins for yard waste.
962	65+	No	1	Public sewer.
506	50-64	No	1	Restaurants.
243	50-64	No	1	Room for bikes.
1136	65+	No	1	Spend more for all Lewisville, not just downtown & Shallowford Square.
990	65+	No	1	Stop annexing unwilling residents.
1326	65+	No	1	Stop forced annexing as you did to us. We want to live in Pfafftown, not Lewisville. Un-annex us & leave us alone. Forsyth county has deputies (sheriff) & highway patrol to serve Lewisville. Why do we use our tax money to pay for more deputies? Crime is up in Lewisville. Robberies are frequent. What do all the unneeded deputies do?
557	65+	No	1	Street lights at least on main roads, such as Lewisville-Vienna Rd.
164	50-64	No	1	Street lights for all Lewisville citizens.
1651	50-64	No	1	Street lights in outlying neighborhoods.
80	50-64	No	1	The beltway completed for easier access.
81	50-64	No	1	The beltway for easier access.
1573	50-64	No	1	The elimination of open burning! Residents in our area are not following current burning rules causing ground level breathing issues. This is on Chickasha Rd.
1109	65+	No	1	Twice a year or at least once a year have a shredder set up to shred paper documents.
1224	50-64	No	1	Village atmosphere. Mellow.
1142	50-64	No	1	Yard waste & leaves picked up regularly.
1185	35-49	Yes	2	4-way stop sign at Wellesley Place Dr & Shadowridge Dr. If a community center is funded by tax dollars it should be free for use by Lewisville residents.
253	35-49	Yes	2	A couple of nice restaurants would be great. Lewisville also seems to be a bike mecca. Bike lanes would be very helpful with traffic.
691	50-64	Yes	2	A more "downtown" district with pedestrian friendly retail, restaurants, park activities and/or green space, etc. Parking is needed too.
26	50-64	Yes	2	A new elementary school.
663	35-49	Yes	2	A sidewalk on Grapevine Rd from entrance at Shallowford Lakes to Lewisville-Vienna Rd. A dog park also.
902	35-49	Yes	2	A small child care center would be nice.

Case No	Age Range	<18 at Home?	Where	What <u>one</u> thing would you like to see done... (1 = N of R'hood, 2 = S'ford to R'hood, 3 = 421 to S'ford, 4 = S of 421)
1399	35-49	Yes	2	A stop light at the intersection of Lewisville-Vienna & Shattalon Rd. At times traffic backs up when people are turning left. I believe this will be a dangerous intersection in the future.
745	35-49	Yes	2	Add sidewalks & sewers.
751	35-49	Yes	2	Adding more sidewalks along Lewisville-Vienna & Lewisville-Clemmons Roads, expanding town service.
1264	35-49	Yes	2	Additional speed bumps on residential streets used as short cuts, eg Deverow Ct & Pepperidge Rd.
64	35-49	Yes	2	Allow a bar & grill/sports bar as an anchor to the downtown or strip mall. Butler lighting with an outdoor patio so people who come for plays & musical events can stay & eat & shop our stores, walk downtown & spend money here instead of Winston Salem or Clemmons.
527	35-49	Yes	2	Allow more businesses to operate in Lewisville to grow tax revenue. Opportunities to enhance services will follow.
1429	50-64	Yes	2	Allow more chain restaurants to consider Lewisville.
185	<35	Yes	2	Availability for more food businesses & outdoor sports facilities.
1468	35-49	Yes	2	Before considering any additional commercial development I think the town needs to work on filling the two partially vacant shopping centers (Lowe's Foods) & the one across from the library. Would also love a sidewalk between Robinhood & Shallowford to facilitate walking to downtown.
1190	<35	Yes	2	Bicyclists need to be banned.
1673	50-64	Yes	2	Bike lanes for popular routes to make traffic flow better & be safer for bikers. Can't believe nobody killed yet.
741	35-49	Yes	2	Bike lanes.
640	35-49	Yes	2	Bike paths.
553	35-49	Yes	2	Build a middle school.
719	50-64	Yes	2	Build a stronger business-based tax base & lower taxes for residents. Moves the market closer & profits stay local.
419	50-64	Yes	2	Build up downtown with more local shops.
1017	35-49	Yes	2	Business development downtown. Non-fast food restaurants, professional offices, etc. Support shopping centers we have & don't want to lose.
1420	35-49	Yes	2	Buy the lot beside BB & T & make it a throughway into the shopping center. Stop left turns into BB & T off of Shallowford.
387	50-64	Yes	2	Carefully controlled zoning. Buildings that are aesthetically pleasing. Keep up the good work!
1402	35-49	Yes	2	Dedicated bike paths. Leaf pickup.
759	<35	Yes	2	Development of the old library building or renovation to make more desirable for small businesses. Continue with sidewalks down LV like previously mentioned & completion of circle at Food Lion shopping center.
930	35-49	Yes	2	Do not like the Beach Blast alcohol & not family/kid friendly.
764	35-49	Yes	2	Do something about the cyclists!
1443	<35	Yes	2	Dog park!
918	<35	Yes	2	Dogs on leashes allowed in parks.
1148	<35	Yes	2	Drive through dry cleaner. I often don't attend events downtown because I am unsure of exactly what it is. A description of the event would be nice. Being new here I am unsure & with small children don't adventure out for the unknown of atmosphere.
400	50-64	Yes	2	Either a traffic circle or stoplight at Shallowford Rd & Styers Ferry (by the Oaks Shopping center).

Case No	Age Range	<18 at Home?	Where	What <u>one thing</u> would you like to see done... (1 = N of R'hood, 2 = S'ford to R'hood, 3 = 421 to S'ford, 4 = S of 421)
682	35-49	Yes	2	Embrace opportunities to create walking and/or biking paths now for residents. As development occurs those opportunities become lost.
1371	35-49	Yes	2	Encourage higher end businesses to open here, ie Whole Foods, or have a complex (smaller scale) like Friendly Center in Greensboro.
1561	35-49	Yes	2	Enforcement of the leash law for dogs.
951	35-49	Yes	2	Enhance shopping center near Shallowford Square.
924	35-49	Yes	2	Expand our existing community areas for more multi-use. Add Frisbee golf to the walking part of Jack Warren Park.
1176	<35	Yes	2	Fill vacant buildings/stores with businesses.
124	35-49	Yes	2	Further development at Shallowford Square/downtown to include dining, small shops with additional green space.
1090	65+	Yes	2	Get bikes off roads. Get a mayor that grew up here.
1299	50-64	Yes	2	Get the bicyclists out of the way of drivers. Unsafe for all.
230	<35	Yes	2	Get the bikers off of the main road for safety.
1157	35-49	Yes	2	Have bicycle riders off the roads. It is very, very dangerous when they ride on the roads.
151	65+	Yes	2	Have retirement homes for folks that love Lewisville & would like to spend life here.
1234	35-49	Yes	2	Help provide sewage. A lot of the land here in Lewisville doesn't perk properly.
858	<35	Yes	2	I don't bike but I respect the ones that do & we definitely need bike paths. I play tennis & would love a tennis court.
362	50-64	Yes	2	I enjoy the area now & just feel that to keep it small & quaint but growth in the right areas is crucial.
57	35-49	Yes	2	I like the large, multipurpose community center idea, but otherwise love living here!
1074	35-49	Yes	2	Indoor place for children.
472	<35	Yes	2	Just recently moved here 4 months ago & your "welcoming" is extremely poor to previous areas lived. Need more communication from town to know what is available or coming soon. Have to drive 20+ minutes to get to anything fun or practical or for shopping.
818	<35	Yes	2	Keep commercialized businesses out.
1003	<35	Yes	2	Keep development of all kinds to a minimum. No big buildings. No cramped housing developments. We are surrounded by city/industrial. Please keep the rural/green/small town feel that makes Lewisville unique in this area.
1451	50-64	Yes	2	Keep government small & taxes low!
1186	50-64	Yes	2	Keep it friendly for people & animals.
1251	<35	Yes	2	Keep it how it is. Maybe bring new small businesses into the empty stores now here.
1039	35-49	Yes	2	Keep it small & clean. Don't let it become another Clemmons. I never use Jack Warren Park because it isn't dog friendly.
1325	35-49	Yes	2	Keep small town community!
1324	50-64	Yes	2	Keep taxes low! We do not need any more projects that create more spending!
288	35-49	Yes	2	Keep the small town character.
1564	35-49	Yes	2	Keeping it a residential, single-family home town.
767	<35	Yes	2	Large playground. Day care for under school-age children. Vapor smoke shop.
347	35-49	Yes	2	Leaf & limb collection services.
1126	35-49	Yes	2	Leaf & limb collection.
1527	<35	Yes	2	Leaf & limb collection.

Case No	Age Range	<18 at Home?	Where	What <u>one</u> thing would you like to see done... (1 = N of R'hood, 2 = S'ford to R'hood, 3 = 421 to S'ford, 4 = S of 421)
1696	<35	Yes	2	Leaf & limb collection.
494	<35	Yes	2	Leaf pickup.
177	35-49	Yes	2	Less bikers on the road!
242	35-49	Yes	2	Limit activities involving alcohol.
107	50-64	Yes	2	Limit these <u>ugly</u> businesses being built. Keep it small. No more development (especially circling the square). You cannot retrofit a quaint central business district. Keep it residential, even if you need to raise taxes.
46	<35	Yes	2	Love it here! Love the new "toys" at Jack Warren. Why is Joanie Moser not added to the "playground" at the <u>top</u> of the hill?
190	50-64	Yes	2	Lower speed out of Lowes Foods drive to Grapevine Rd. More sheriff patrols.
463	35-49	Yes	2	Lower taxes. With the services I receive (trash pickup & water) my taxes are almost 10% of property value. Way too expensive.
1617	35-49	Yes	2	Main street to me is not what it once used to be. Too many businesses. I would like to see more sidewalks down major roads like Grapevine Rd., Williams, etc., to connect us by walking or biking to the center of town. I will not vote for more restaurants.
478	35-49	Yes	2	Maintain the beautiful charm they seem to have done so far. Don't give in to "bigger is better."
1555	35-49	Yes	2	Make downtown a thriving destination spot.
613	<35	Yes	2	Make downtown a vibrant place to go, with shops, restaurants & parks.
1465	35-49	Yes	2	Make sure it does not become overdeveloped & commercialized like Clemmons did.
1102	<35	Yes	2	More events.
93	<35	Yes	2	More events. Have them publicized through social media. Bring in Starbucks that fits the character of the town.
1462	35-49	Yes	2	More non-fast food restaurants (dine in) on the upscale side.
838	<35	Yes	2	More non-fast food restaurants.
440	35-49	Yes	2	More places to eat here.
1467	50-64	Yes	2	More police patrols to deter crime.
1383	<35	Yes	2	More small business.
1105	35-49	Yes	2	More small local restaurants.
227	<35	Yes	2	More things to eat & do. Just no fast-food or commercial restaurants & stores. We love living here & the feel of this town. We would hate to see it turn into Clemmons.
1607	50-64	Yes	2	Moved from Winston Salem. Really miss leaf & limb pickup. Need more non-fast food restaurants.
1327	35-49	Yes	2	Neighborhood street lights!
23	50-64	Yes	2	Nice places to eat.
53	<35	Yes	2	No commercialization. No fast food. Keep small town feeling.
91	35-49	Yes	2	No more bikes!
1300	50-64	Yes	2	Non fast food restaurants.
1612	<35	Yes	2	Open an indoor/outdoor gun range.
1515	35-49	Yes	2	Organized sports for children. A bigger community center than can be used by everyone, not just seniors!
314	35-49	Yes	2	Park & community events.
1580	50-64	Yes	2	Please don't over develop.
573	35-49	Yes	2	Promote home ownership. Fewer rented homes & apartments.
815	35-49	Yes	2	Provide affordable apartments.
1544	35-49	Yes	2	Public sewer.

Case No	Age Range	<18 at Home?	Where	What <u>one</u> thing would you like to see done... (1 = N of R'hood, 2 = S'ford to R'hood, 3 = 421 to S'ford, 4 = S of 421)
1457	<35	Yes	2	Put some money into the Pfafftown area, such as WCCC, instead of "downtown Lewisville", or unannex Pfafftown.
1538	35-49	Yes	2	Redo the bike trail so that the riders are not congesting traffic. Make the trail in Yadkin county!
830	<35	Yes	2	Remain more rural & small town in character.
1077	50-64	Yes	2	Repave roads & streets.
775	35-49	Yes	2	Restaurants.
364	50-64	Yes	2	River Park with kayaking area, mountain bike trail.
221	35-49	Yes	2	Sewer primarily because Aqua has a monopoly & is charging waaaay too much for service.
1026	50-64	Yes	2	Sewer to replace septic tanks.
878	35-49	Yes	2	Sidewalk down Lewisville-Vienna to extend from town (bike path).
1613	35-49	Yes	2	Sidewalks down Shallowford towards FCDS.
1549	35-49	Yes	2	Slow growth.
379	50-64	Yes	2	Small town businesses, arts, small restaurants/bar.
1476	35-49	Yes	2	Snow & leaf removal.
374	50-64	Yes	2	Stay rural as possible. No more stop lights or businesses such as fast foods, etc. That's what happened in Clemmons!
1708	35-49	Yes	2	Stop yard waste burning & provide yard waste removal.
574	35-49	Yes	2	Stores stay open longer than 9 p.m.
1577	35-49	Yes	2	Street lights & leaf & limb collection.
1221	<35	Yes	2	Supply residents with more information about Lewisville's plans, how we plan to get there & what is needed to achieve our plans.
99	50-64	Yes	2	Support Wellesley Place residents with extremely expensive water & sewer through Aqua NC. Approximately \$100 a month. Aqua & city not comparable to what other Lewisville residents pay.
171	35-49	Yes	2	The half empty shopping centers filled. It's an eyesore to see large empty buildings.
554	35-49	Yes	2	There is not very much to do during the summer for kids. A town pool would be awesome. The private neighborhood pools are very expensive & do not offer affordable swim lessons. A recreation center with a location for indoor sports would be great also!
1454	35-49	Yes	2	To remain it's own township.
254	35-49	Yes	2	To stop having sheriff deputies ride through neighborhoods giving tickets to people parked on the street. My driveway is approximately 20 feet long & does not allow for multiple cars to be parked. I understand enforcing this law on busy roads but NOT in a neighborhood. We got a ticket once while my children were in my driveway playing ball & my car was parked in the street. I think this is ridiculous!

61	35-49	Yes	2	Up-fit a digital temperature gauge at the Square. I enjoyed that as a child when driving through Lewisville.
1156	35-49	Yes	2	Use the land around Ted's Kickin' Chicken & across old 421 from Ted's for YMCA if not able to use WCCC. This would be great for Lewisville & Reagan High School to use. Also bike lanes on Conrad Rd & Shallowford Rd, old 421 & Lewisville Vienna Rd.
1182	35-49	Yes	2	We don't like being limited to Windstream & Time Warner. We would like to have options.

1473	35-49	Yes	2	We love Lewisville the way it is. If we have to make it our home then the housing needs to be made more affordable.
808	35-49	Yes	2	We should have leaf & limb collection.
1411	<35	Yes	2	We would like to see a large community outreach program. Organizing ways to make an impact & give back to those in need.

665	50-64	No	2	A beautifully well conceived & executed "Gateway project" along 421 & Shallowford.
1682	50-64	No	2	A center to exercise with machines at low cost. I would like Country Club Rd near Meadowlark to be repaired. There is going to be much more traffic & there is little or no shoulder. We need to be proactive on this. Maybe Walmart should be responsible. It would be good will on their part.
1642	50-64	No	2	A couple of decent restaurants.

225	65+	No	2	A sewer system to town limits.
149	65+	No	2	A very nice restaurant.
1545	65+	No	2	A Walmart.
1091	65+	No	2	Absolutely leaf & brush pick up. Everyone complains we do not have this service. Glad to pay more for it!
1645	50-64	No	2	Addition of some limited street lights in neighborhoods.
1707	65+	No	2	Allow dogs on leashes in park like any other proper town does!

1487	65+	No	2	Bike/walking paths (trails). Expand downtown area.

754	50-64	No	2	Connecting trails to Muddy Creek Trail. Give us a safe place to ride bikes.
467	50-64	No	2	Consistent traffic speed control in town & subdivisions. Random speed checks are not enough. Riverwood Dr has been a danger zone for y ears. We have enough parks & green agenda.
614	65+	No	2	Construction of new road through downtown to better realize our grand plan for the village.
52	65+	No	2	Continue as before. Slow growth. Keep taxes low. Maintain safe environment. Don't create another governmental hierarchy – already enough!

580	50-64	No	2	Crack down on home break-ins! Leaf & limb collection.
699	65+	No	2	Create committee – the “need” versus “want” committee – to review all spending & structure. Meet only every 3 years. A six month report to citizens & the town council & then disband for 3 years. Could be chosen by town manager with council approval & public support. Should <u>not</u> be larger than 5-7 people.
1611	65+	No	2	Cultural arts center.
1522	65+	No	2	Cut trees at intersections to have clear view of oncoming traffic at Barkwood Dr. Dogwood tree blocks views!

1675	50-64	No	2	Dog park!
485	65+	No	2	Don't overdevelop like Clemmons. Don't change rural character. Tax base is more than adequate without industry/retail.
1258	65+	No	2	Downtown development. Relax some business restrictions.
432	50-64	No	2	Eliminate or greatly restrict dense housing development (condos/town homes/apartments) which would increase traffic congestion & stress community resources, changing the small town/bedroom community feel of Lewisville.
389	50-64	No	2	Eliminate the large bulky pickup – mattresses, furniture lying for weeks beside the roads.
1240	65+	No	2	Encourage restaurants, small shops, offices, etc., in downtown area. Similar to Blowing Rock.
415	50-64	No	2	Enforce speed limits, not just downtown but also outlying areas (Conrad & Sawmill Rd for example).

261	65+	No	2	Everything that Clemmons has done, do the opposite.
166	50-64	No	2	Expanded community sports fields; indoor center, baseball complex (multiple fields of varying sizes) & soccer complex.
917	65+	No	2	Expanded sewer service. Too much gunfire. Need much more restrictive laws.
925	65+	No	2	Extend walking & biking trails.
887	50-64	No	2	Fast food restaurant. Need a drive through.
334	50-64	No	2	Fast food. Hardware store. I do silk grade saddle horns at home but I have no way of letting people know.
391	65+	No	2	Fast foods.
128	65+	No	2	Fewer guns/less gunfire. Fewer dogs running loose.
175	50-64	No	2	Fill the empty stores in the 3 shopping centers with good, affordable shops, restaurants & businesses. Get rid of sweepstakes at 421 & no more tattoo parlors.
1367	50-64	No	2	Fix the design - "curb appeal" of Food Lion shopping center. It is right off they highway as people come into Lewisville into Williams Rd & is not attractive or in harmony with the other new businesses.
1599	35-49	No	2	Fix your roads on Robinwest Dr ASAP!! Something needs to be done.
1744	50-64	No	2	Get a Chick Fil A.
1386	50-64	No	2	Get all the bicycling out of here!
1412	<35	No	2	Get rid of Aqua. Get city sewer. Aqua is a privately owned self-serving, outrageously expensive service. They are only worried about making a profit for their shareholders & don't care how high their prices have to go to do that. Aqua has no place in Lewisville!
280	50-64	No	2	Get rid of large numbers of bike riders. They are impeding traffic & most are rude!!
1286	35-49	No	2	Get the bikers off the roads.
972	50-64	No	2	Get together on crimes in our area.
337	65+	No	2	Good family restaurant like Cracker Barrel or K & W.

1437	50-64	No	2	Have a main street with a square & lots of interesting shops!
1631	65+	No	2	Have a place for senior citizens to walk in bad weather.
1401	50-64	No	2	Having an upscale restaurant downtown would be great. With the boutiques & our awesome coffee shop a person could spend a wonderful day in Lewisville. A place to have a nice, gourmet dinner or lunch & a glass of wine with friends.
832	65+	No	2	Higher end restaurant. Not typical chain restaurant (not Mexican or Chinese). Possibly quality take out meals for busy working wives & mothers.
21	50-64	No	2	I don't know. Lewisville is pretty great.
90	50-64	No	2	I like it as it is. Keep Winston Salem at bay.
1243	<35	No	2	I like that it is small & not a lot of chain businesses. The businesses are local & I do not want to see chain businesses going up in Lewisville.
1626	65+	No	2	I need an affordable retirement/assisted living facility close to shopping. One level affordable homes or condo with garage.
1510	35-49	No	2	I think the community center is an excellent idea. We have spent a lot of money going over to the Tanglewood pools in the summer because they are family friendly. Would love to spend that money in this community instead. Indoor & outdoor pools should be considered for year round profits at the community center.

1609	65+	No	2	I wish there was a small pub/bar near downtown where a lady would be comfortable. Please lower the speed limit on Conrad or patrol it!
1616	<35	No	2	I would greatly benefit from a leaf & limb collection service. With so many older homes with mature trees it would be a huge improvement.
159	50-64	No	2	I would like the council, mayor & city manager to find ways to encourage the removal of snow from Grapevine Rd. I understand that it is county maintained by our elected & paid officials must be our voice & advocate to the county.
144	35-49	No	2	I would like to have Shore-Craft Dr paved. The large trucks mess it up.
927	50-64	No	2	I would like to see all of the empty storefronts occupied before new commercial construction is built!
848	50-64	No	2	I would like to see the town council & the major players of Lewisville frequent & shop in the businesses that are here. Having been in business in Lewisville for years (but no longer), the town made <u>everything</u> so difficult to conduct a lucrative establishment in the town. Shame on you, Lewisville. Family owned home for 52 years. You don't listen!
361	50-64	No	2	I would like to walk in & around Lewisville without so much traffic. It would be nice to have walking trails & not have to walk along Shallowford Rd.
408	65+	No	2	I'm happy with the leadership of Lewisville. Feel we should not do anything that we cannot afford, ie keep taxes like they are now!
1619	50-64	No	2	Improve Williams-Shallowford intersection by The Oaks shopping center. Stoplight or roundabout.
346	50-64	No	2	Improvements to Shallowford/Country Club at Meadow Lane to eliminate congestion.

820	50-64	No	2	Keep small town feel.
1372	50-64	No	2	Keep small town feel. Teenagers like to hang out in park in late hours to talk. Since it's an open area it's good. Don't know how well it's monitored.

1040	50-64	No	2	Keep that small town feel.
182	50-64	No	2	Keep the small town feel.

541	65+	No	2	Leaf pickup.
1354	50-64	No	2	Leaf pickup. More restaurants.
567	65+	No	2	Leaf/limb collection is needed. Lewisville is the only Forsyth county town without this service.
212	35-49	No	2	Leave it as is. No need for change.
690	50-64	No	2	Leave it as it is. That's why I moved here.

1643	50-64	No	2	Less bicycles on the road!

43	50-64	No	2	Less commercial signs.
782	<35	No	2	Less industrialization. Keep the grass & the trees. Because of that, that is why I love living in Lewisville.

839	50-64	No	2	Maintain the character of a small, close knit community while progressing with the needs of that same community.
1015	50-64	No	2	Make more laws regarding bicycles on our main streets. They do not obey the same laws as motorists. It's a big problem on our busiest roads (Lewisville-Clemmons, Shallowford, Lewisville-Vienna, etc).
1637	50-64	No	2	Maybe a Walmart.

102	65+	No	2	More community events with lots of folks involved, ie fireworks on the 4 th , Christmas parade, egg hunt, movies, sing-a-long in the square.
1482	65+	No	2	More consideration is given to bringing in new citizens than in caring for older ones. Give more consideration to older, long time residents who need more concern for high taxes, inflated property re-evaluations, than for "progress" in the form of entertainment, city parks, overly restrictive zoning that makes life difficult & expensive for those on a fixed income.
939	65+	No	2	More eating establishments.
670	50-64	No	2	More friendly dog environment.
1009	65+	No	2	More good restaurants (not fast food).

1119	65+	No	2	Natural gas heat available to all neighborhoods.
1413	50-64	No	2	Need consistent snow/ice clean up. We've had to miss work because roads not cleaned. NOT GOOD! Beech Forest & Briarmede Rd & Grapevine. Loss of one, two or three days income has happened a couple of times over the last few years.
791	65+	No	2	Need nice restaurant & cafeteria.
1484	65+	No	2	New people on planning board.

418	50-64	No	2	Paths for bicyclists so they won't ride on our main roads. Lewisville/Vienna & Shallowford is a serious traffic hazard!
383	50-64	No	2	Place street lights in neighborhoods that do not have them. Some are too dark.
1625	65+	No	2	Places to eat. Motel.
1150	50-64	No	2	Planned community development. We have a library, post office, town hall, grocery stores, medical services but no nice mixed use residential, dining, entertainment & retail all in walking distance of downtown! Residential nearby is <u>not</u> nice, mixed (single & multi together) or at all upscale.
1706	65+	No	2	Please do something about old shopping center where Pig'n Out is currently located. Make as green area or redo shops so it's more attractive for retail/small businesses. It's ugly! Dogs on leashes should be permitted. No weapons anywhere!
1663	65+	No	2	Please keep up with road repairs!
357	50-64	No	2	Preserve the small town atmosphere & target older buildings & lots for useful structures.

1385	50-64	No	2	Quit building these huge buildings right next to the road.
282	50-64	No	2	Quit trying to make it a "mini-Charleston." It is not. Add restaurants, charge for plays, etc, & allow business without making them abide by such strict rules for this town. Taxes are too high & we have too many parks now.
1516	50-64	No	2	Quit wasting tax payer money on stuff for people who don't live in Lewisville, ie bikes, fireworks, town square sidewalks, parks.
1606	50-64	No	2	Reduce speed limit from 35 mph to 25 mph from Food Lion to Lowes. 35 mph is not observed. If reduced maybe motorists would drive 35 mph!! High speed is dangerous for bikers., walkers, & runners.
141	50-64	No	2	Reduce traffic on secondary roads with a better plan. Increase street lights on Lewisville-Vienna Rd.
1430	65+	No	2	Rental property maintained, example the rental houses on end of Tullyries Ln.

1008	65+	No	2	Roundabout completed on Shallowford Rd as soon as possible! Good non-fast food restaurants.
835	65+	No	2	Sanitary sewer collection system.
584	50-64	No	2	Sanitary sewer would improve the quality of life & improve the environment in areas such as along Franklin Rd, where there are housing developments, all with septic tanks not maintained.
490	50-64	No	2	Selective business growth.

1597	50-64	No	2	Small health food store, something along the line of Whole Foods.
1149	50-64	No	2	Small organic restaurants. Encourage bike advocates. I do not bike but I think we should embrace the great people that come & enjoy our area.
840	65+	No	2	Some sort of assistance from town to at least make minor repairs or upgrades to streets that are not state maintained. For short streets with few homes, upgrading to state standards is simply not possible financially. Poorly maintained streets do reflect on the town as a whole.
82	50-64	No	2	Sometimes there are way too many sheriffs. Feels like they are just constantly looking for anything. Makes me nervous every time I drive out. I have 3 children – between them a ridiculous amount of tickets! A place with a quick drive through to get breakfast/coffee in the a.m.
746	35-49	No	2	Stay small. Keep the local rural feeling.
1628	50-64	No	2	Stick to the plan of sparse development. Property values will continually increase & Lewisville will be the most desired place to live. Don't fall prey to developers. Get your tax base from higher values & not more crowded development.

737	50-64	No	2	Street lights in our neighborhood. Better police. More police patrol. We never see officers in the neighborhood unless something is wrong. Our house was broken into & it was 45 minutes before we saw an officer.

1711	35-49	No	2	Symphony in the square.
108	65+	No	2	Take care of the common areas & don't let Duke Power stay. The little underbrush & trees leave an eyesore with all the dead trees. 1646	50-64	No	2	To either eliminate the “free” events at Shallowford square or make others, not Lewisville residents, pay for these events & increase town or contribute to town monies and/or future events. To help support the revenue for these events.

1067	50-64	No	2	Until the town of Lewisville welcomes all of it's citizens to include pet owners I will <u>not</u> support or participate in any town sponsored events.
1461	50-64	No	2	Update Lewisville Elementary School. Bring in a YMCA.
855	50-64	No	2	Upscale, beautiful cluster home development with walking paths. Better website. Walking paths near 421 off Conrad away from so much traffic & exhaust fumes. 2+ restaurants.

876	35-49	No	2	We love the character of Lewisville & don't see a lot of things that need to change.

443	65+	No	2	Widen Shallowford Rd through town to four lanes. Stop closing main Shallowford Rd through town for stupid parades. Should be kept open at all times since we pay taxes for it. Move Shallowford Square park to somewhere it would not interfere with traffic through town.
255	50-64	No	2	Wider roads to accommodate cars & bicycling.
635	65+	No	2	Would like to have “fine” dining restaurant. Keep out industrial development. Keep out government subsidy housing. Maintain current town policies for small.

113	65+	No	2	You do a nice job. Continue small town atmosphere.

943	50-64	Yes	3	Activities for teens.
1341	<35	Yes	3	Add one more deputy to the area & limit development of businesses.
24	35-49	Yes	3	Adding leaf & limb collection would be great. Other than that, this is a wonderful place to live.
710	35-49	Yes	3	All buildings should have historical or updated facades.
13	50-64	Yes	3	Better trash service. I am not happy with Waste Management.
121	35-49	Yes	3	Bike lanes.
211	<35	Yes	3	Bike lanes.
1200	35-49	Yes	3	Bike lanes. Motor vehicles & bikes <u>can</u> co-exist!
1344	35-49	Yes	3	Bike paths & sidewalks on Lewisville-Clemmons Rd. The high speed of our main roads make it so dangerous for all the bikes.
250	35-49	Yes	3	Bike paths & walking/running trails.
535	35-49	Yes	3	Bike paths as we have so many bikers & a beautiful place to ride.
1336	35-49	Yes	3	Bike paths.

495	50-64	Yes	3	Bike/walking paths.
493	35-49	Yes	3	Bike/walking paths. Turn one of the two current parks into multipurpose. Add athletic spaces onto existing park property. Need yard waste service.
1403	50-64	Yes	3	Bike/walking trails.
323	<35	Yes	3	Build buildings we need (town hall, fire department, etc), but they need not be Taj Mah Hal grand structures. Function over form. A pretty fire department does not put out a fire any better.
125	<35	Yes	3	Community events for children. A cool mini-golf course.
700	50-64	Yes	3	Connect to a public sewer system.
271	35-49	Yes	3	Continue development of Shallowford Rd area with boutique shops, restaurants & beautification.
1238	50-64	Yes	3	Continue to keep out fast food & strip malls. Add bike lanes.
34	65+	Yes	3	Control traffic (35 mph speed limit) uniformly in Lewisville. Enforce laws, especially around schools. Get the tailgating speed demons who deem Lewisville a NASCAR thoroughfare to somewhere else.
953	50-64	Yes	3	County manager, Hank Perkins, is basically non-responsive to residents, at least in my neighborhood (Bradford Place). Need much more help slowing traffic speeds & other mischief. County manager & sheriff's department do not do enough or their jobs well enough!
761	35-49	Yes	3	Cross country course. Upscale restaurant.

Case No	Age Range	<18 at Home?	Where	What <u>one</u> thing would you like to see done... (1 = N of R'hood, 2 = S'ford to R'hood, 3 = 421 to S'ford, 4 = S of 421)
504	35-49	Yes	3	Curbs in neighborhoods with drains to return ground water to supplying ponds, lakes & streams.
646	35-49	Yes	3	Develop a downtown area with shops, restaurants, activities, & educational programs.
597	50-64	Yes	3	Develop area by Pig'n Out.
974	50-64	Yes	3	Do not develop like Clemmons!
1248	<35	Yes	3	Do not have parks or neighborhoods built under the large power line towers. I fully avoid Jack Warren Park because of this despite it being a great park otherwise, & many others do too. The shredded rubber ground at Jack Warren has also been linked to cancer. We have all our events & play groups at Joanie Moser for this reason.
1455	50-64	Yes	3	Do something about the apartments & illegal activities that go on at them (across from the fire department & those behind the fire department).
793	35-49	Yes	3	Elder community center – larger. Few more family restaurants.
1517	<35	Yes	3	Even though we don't want to see Lewisville too commercialized, at least one fast food restaurant would be nice, close to the highway for convenience. Adding leaf & brush service.
601	50-64	Yes	3	Extend sidewalks to Shadybrook area. We could do with a medium size community center. We have enough parks near town.
54	35-49	Yes	3	Extend the sidewalk from Jack Warren park to Joanie Moser park.
69	35-49	Yes	3	Extend walking path in Lewisville-Clemmons Rd to go up to the light off 421. There are a lot of people walking to go to shopping center & have to walk on the grass.
1534	50-64	Yes	3	Finding a way to keep recreational bicyclists from blocking up our roads.
948	35-49	Yes	3	Frisbee and/or disc golf.
289	35-49	Yes	3	Gas station & local businesses. Mandate a no-loitering policy.
1164	35-49	Yes	3	Get rid of the ugly signs that are downtown. Make them more uniform in shape, size & color.
563	<35	Yes	3	Have only lived here 3 months & would like speed bumps put in on Bradford Place lane. People on this street go waaay too fast.
1415	65+	Yes	3	I like it the way it is now!
218	35-49	Yes	3	I love living in this town. Truly enjoy that it has so many green areas & it is so close to Winston Salem. It would be great to get more independent stores & an activity center would also be great.
140	<35	Yes	3	I would like to see new businesses in the empty stores in the Lowes Foods shopping center.
15	50-64	Yes	3	It is already the best place. A park may add it status.
1724	50-64	Yes	3	Just the importance of keeping Lewisville downtown non-commercial. The opposite of downtown Clemmons – small shops (non chains) with nice architecture. No chains/fast food.
647	50-64	Yes	3	Keep as is! We like the tax base as is.
1295	35-49	Yes	3	Keep big business out of Lewisville!
486	35-49	Yes	3	Keep it a rural area.
1053	35-49	Yes	3	Keep it small town feel. We've done a good job keeping new businesses & their buildings like they belong here.
514	35-49	Yes	3	Keep it's little town charm.
901	<35	Yes	3	Keep Lewisville a small, rural community.
548	50-64	Yes	3	Keep Lewisville from becoming too commercialized. Do not lose the small town feel.
813	35-49	Yes	3	Keep small town feel. Limit growth & develop community/neighborhood feel.

8	50-64	Yes	3	Keep taxes down.
1059	50-64	Yes	3	Keep the small town character. That is Lewisville's most valuable asset.
1521	35-49	Yes	3	Keeping bicycle riders from parking at the square on weekends. They do not leave space for residents to park. We love Lewisville!
1541	<35	Yes	3	Keeping Lewisville's small town feel.
621	50-64	Yes	3	Large land acquisition for a community center, pool, bike paths & art classes.

743	50-64	Yes	3	Leaf & limb collection.
1702	35-49	Yes	3	Leaf & limb collection.
780	35-49	Yes	3	Leaf & limb collection. I see this as a major issue for Lewisville. It is not only a fire hazard but some homes are unsightly. I would be happy to pay more in property taxes for leaf & limb collection.
1122	50-64	Yes	3	Leaf & limb collection. Lewisville is very wooded! More recyclables accepted. Sewer. Old septic tanks don't work.
1309	35-49	Yes	3	Leaf & limb pickup. Have no place to take it!
306	35-49	Yes	3	Leaf & yard waste pickup.
1546	50-64	Yes	3	Leaf pickup!
304	<35	Yes	3	Leaf/limb pickup!
998	50-64	Yes	3	Less houses being turned into businesses along Shallowford.
160	35-49	Yes	3	Lewisville is a great place to live. I can't choose one thing that would make it a better place to live. Gradual small improvements in shopping, dining & light entertainment would be nice though.
986	<35	Yes	3	Lewisville is great! Please keep up the good work.
146	<35	Yes	3	Local businesses occupy empty retail spaces in town.
331	35-49	Yes	3	Make that roundabout at The Oaks!
219	35-49	Yes	3	Make town more pedestrian/bike friendly.
187	35-49	Yes	3	McDonalds.
1471	35-49	Yes	3	More activities where families get to know each other.
1551	35-49	Yes	3	More community activities or a larger variety. It seems to be targeting small kids & little for teens.
1000	<35	Yes	3	More community events (4 th of July fireworks, Beach Blast). Overall we wouldn't change anything & really enjoy living here.
1737	65+	Yes	3	More curbside trash days. For those who live in a cul-de-sac to come inside of it for pickup.
725	35-49	Yes	3	More events downtown to make it more alive & get citizens involved in community life!
824	35-49	Yes	3	More lighting outside at night. Clear some of the old buildings out in some yards.
1042	35-49	Yes	3	More places to eat & shop.
655	50-64	Yes	3	More police to enforce the speed limits.
393	35-49	Yes	3	More restaurants.
1172	35-49	Yes	3	More restaurants.
537	50-64	Yes	3	More restaurants. There is no where to eat in Lewisville!
1098	<35	Yes	3	More sidewalks & street lights. More community events.
1016	65+	Yes	3	More sidewalks along Lewisville-Clemmons Rd.
679	35-49	Yes	3	More sidewalks connecting residential areas to downtown.
956	35-49	Yes	3	More sidewalks! Please continue the sidewalks from Jack Warren Park to the other end of Lewisville-Clemmons Rd.
600	35-49	Yes	3	More sidewalks.

1030	35-49	Yes	3	More sidewalks. Less apartments.
39	50-64	Yes	3	More small business & family owned restaurants. More user friendly downtown area. Just a place to hang out.
1319	35-49	Yes	3	More upscale dining options.
350	<35	Yes	3	Mountain bike trail. Wooded park area.
1523	50-64	Yes	3	Neighborhood home standards. No rental, standards for upkeep and/or living in the community. Fines should be applicable if standards aren't met.
1644	50-64	Yes	3	No more commercial development. Bike paths.
898	50-64	Yes	3	No more large commercial strip mall type buildings. Get rid of the unused ones we have & require ones in use to look better.
1002	<35	Yes	3	Not sure. Haven't lived here long enough yet. It's only been 3 months so far.
1622	50-64	Yes	3	Offer more tangible services (ie leaf collection) to better serve areas such as mine that have many trees.
1063	50-64	Yes	3	Park with basketball court indoor/outdoor free to community. If not indoor then under shelter for rainy weather.
1322	35-49	Yes	3	Please announce events on Facebook <u>before</u> the event. I usually see event posts & pics after the event is over. Good example was Shalloween. I wish I'd had a Facebook reminder.
1001	<35	Yes	3	Please do not over develop. It needs to stay a community, not a commercial area like Clemmons.
1714	35-49	Yes	3	Please use existing vacant facilities when possible before building new construction. Thanks.
1565	35-49	Yes	3	Possibly events for older kids (tweens or teens). Challenges or scavenger hunts for prizes.
1055	35-49	Yes	3	Preserve farm land.
1421	35-49	Yes	3	Preserve land for continued 4 th of July celebrations if current land gets sold. This land big enough for festivals, shows, concerts, etc.
66	50-64	Yes	3	Provide leaf & limb collection curbside. Vouchers for the landfill do not help if you have no way to get your yard waste over there!
1061	35-49	Yes	3	Refurbish downtown shopping center. Keep small town feel.
1404	35-49	Yes	3	Remove the on-street parking restrictions!
961	35-49	Yes	3	Repave my road (Oak Leaf Ln).
188	35-49	Yes	3	Require yards, porches, etc to be clear of hoarding. There are a few around that could use clearing. I do not want us to turn into Clemmons!
220	35-49	Yes	3	Run sidewalks along Shallowford to at least Forsyth Country Day School from Shallowford Square.
1107	50-64	Yes	3	Safety of children.
999	50-64	Yes	3	Sidewalk east on Shallowford Rd.
307	<35	Yes	3	Sidewalk through main streets of neighborhoods (ie Sequoia).
612	35-49	Yes	3	Sidewalks & street parking allowed which will mean wider streets. It is unacceptable for me to park on grass.
1123	35-49	Yes	3	Sidewalks on primary roads & also in neighborhoods.
157	35-49	Yes	3	Sidewalks! A sidewalk from the new Lowes Foods all the way down Shallowford Rd toward Meadowlark Rd. Speed limit on Shallowford to 35 mph the entire way.
417	35-49	Yes	3	Sidewalks.
677	50-64	Yes	3	Sidewalks.

1441	35-49	Yes	3	Stay mostly noncommercial.
445	50-64	Yes	3	Stop being so development averse! Properly planned development is a good thing. Thanks for the survey!
297	50-64	Yes	3	Stop cars from speeding in small neighborhoods. 25 mph is always being broken!
768	50-64	Yes	3	Strictly enforce laws governing residences with massive amounts of trash, furniture, & non-running vehicles. We have 2 houses near us (Lewisville-Clemmons Rd & Reynoldale) that are hoarders' homes! Argh!
470	50-64	Yes	3	Too many police & sheriff cars everywhere doing nothing.
842	35-49	Yes	3	Town ordinance on upkeep at property. I live beside a house no one lives in. All they do is mow the grass every few months. It's an eyesore & it stinks during the hot summer months.
846	35-49	Yes	3	Traffic along Lewisville-Clemmons Rd is way too fast for this town. 45 mph at the light. Come on! Become a recognized speed trap & slow folks down!
1283	35-49	Yes	3	Tree & limb debris pick up.
707	50-64	Yes	3	Vacant commercial spaces that are empty or run down (former library for example) to be filled before new buildings for commercial use are built.
1621	35-49	Yes	3	We like Lewisville the way it is!
373	<35	Yes	3	We love it here.
60	50-64	Yes	3	We need a local gathering restaurant/bar with good food & music (country, jazz, folk, pop, etc.). Leaf/limb collection. Keep small town feel as attraction to tourists. We enjoy the outdoor "vintage antique" sale at Shallowford Square every other Saturday. Fourth of July & outdoor musicals are awesome!
77	35-49	Yes	3	We oppose walking/biking trails/paths going through residential properties.
1481	35-49	Yes	3	We'd love more restaurants & even "fast food" type places can come in & have quaint looking buildings with low signage type advertising.
496	35-49	Yes	3	We're not opposed to tax increases to create a more progressive town. Lewisville needs to attract businesses to increase tax revenue! Possibly model the downtown area after Birkdale Village in Huntersville. This survey appears to be skewed towards seeking responses that support the current approach of keeping Lewisville as a "more rural & small town." Lewisville continues to grow & attract a number of younger professionals with growing families that would love to see the community expand to support their more active lifestyles. You always hear "Lewisville doesn't want to become Clemmons." I agree but we have the opportunity to be much more than Clemmons. If Lewisville doesn't improve in it's ability to attract sustainable business we will be left behind & become more like Yadkin County, which continually struggles to grow & improve. We'll never have to worry about becoming Clemmons.

1376	65+	No	3	Appropriate development of the shopping center where the library used to be (across from Wells Fargo bank). It's location in the center of town gives it such potential. 1250	35-49	No	3	Bike lanes on roadways. This area is so popular for cyclists that we should promote & capitalize outdoor activities.
1505	50-64	No	3	Bike lanes on Shallowford Rd. Coffee shop open at night.
468	50-64	No	3	Bike paths added.

Case No	Age Range	<18 at Home?	Where	What <u>one</u> thing would you like to see done... (1 = N of R'hood, 2 = S'ford to R'hood, 3 = 421 to S'ford, 4 = S of 421)
864	35-49	No	3	Bike paths, etc, to cut down on cyclists on the road. I believe in the right to cycle, but it is at times dangerous to me, especially Shallowford Rd. It's not worth jeopardizing lives of precious cargo or the cyclists themselves. Have had several scares on Shallowford while maintaining speed limit, but if you are in a curve & there is a bike or several with oncoming traffic, myself 7 others have nearly wrecked. Especially when they are not single file & you can't get around. Also turns 10 minute drive into 20 minutes. I grew up in Arcadia in a single family residential area. Beautiful country area for years. We had a community center in our neighborhood where all kinds of events were held. It was never a problem & always in good taste. Beside the center was an old school gym that was used for games, etc, with baseball fields beside gym for sports, games, etc. Was always reasonable. By the time I grew into an adult, it was voted to tear down community center to expand ball field. This changed everything. It ruined the charm & town feel. Traffic was absolutely horrible, just from this one change. It was sufficient the way it was before & even the other neighbors that had been for the change regretted it. I was so glad I had moved by then. It was a completely different environment with a new set of obstacles. Unsupervised children, young adults walking through yards, loud noise that doesn't go away, bright lights at night & major traffic. In hindsight the ball fields should have probably been placed in more city area where that was already the usual.

829	50-64	No	3	Cannot think of anything at this time.
1085	65+	No	3	Charge something to all these outsiders that come & take up our space at the square events. A lot of people don't come because of the crowd. The last time I was there everyone around me was from out of town.

604	50-64	No	3	Continue to maintain the balance of area/town growth.
1125	<35	No	3	Continue to preserve the small town local feel. Don't let Lewisville become too city-like. More development isn't always better. We don't need to become another Clemmons.
301	50-64	No	3	Continue with events & keep the small town feeling.
420	65+	No	3	Controlled, contiguous development. #5 is not necessarily incompatible.
783	50-64	No	3	Cycling lanes. Too dangerous to cycle on roads.
321	50-64	No	3	Do away with the no street parking. At least allow people to park for a party or an evening. Would love leaf & limb pickup.
1014	50-64	No	3	Do not let what is happening at Meadowlark/Country Club happen in Lewisville. Reduce taxes. Basic services only. We don't have to be Clemmons or Winston Salem.

921	50-64	No	3	Dog park. Dog friendly.
863	65+	No	3	Dog park. Dogs allowed at square events!

1288	65+	No	3	Don't expand too much, just enough.
10	50-64	No	3	Don't forget the history. Maybe a few play denoting key events & people in the past 50 years.

680	50-64	No	3	Enforce people to keep their lots cleaner & penalize/fine those that don't comply. Some people have junkyards & it looks awful (near Jack Warren Park).
731	65+	No	3	Enforce unkempt properties law. We have a law but too many yards/properties are trashy, have been reported, yet the yards are <u>not</u> cleaned up, so nothing changes. Why have such a law if it is <u>never</u> enforced. Some should be fired for neglecting their yards. Nothing else seem to work. People at town hall need to get on top of this <u>now!</u>
885	65+	No	3	Ethnic activities, cultural fairs, etc.
1742	50-64	No	3	Expand the sidewalks along Lewisville-Clemmons Rd.

1381	65+	No	3	Finish Great Wagon Rd.
940	50-64	No	3	Fix up, rent out, do something about the eyesore strip mall where the barbecue restaurant is. It looks terrible & I'm not proud of my town when showing people around that area.

201	65+	No	3	For me, a senior facility with exercise/swimming opportunities. The YMCA in Clemmons is limiting for my schedule.
1218	50-64	No	3	For those of us planning to downsize a nice, high-end town home community would be fantastic! I'm planning to sell my 4 bedroom, 3 bath home soon & may have to leave Lewisville to find something suitable.
414	65+	No	3	Get rid of the beach blasts – too many drunks! Stop bicycles from parking cars at park. Move them to Lewisville school at Oak Tree/Water Tower. Most important – give us sewer! Sunny Acres Dr. It is all around us! Stop fireworks & save money for taxpayers! Love the Christmas parade!

268	50-64	No	3	Healthy activities.
1272	50-64	No	3	I am for making bike paths to get bicyclists out of the road but I don't want to pay for it. Most of them don't live here. They take up too many parking spaces at the square near the playground, then they congregate in the street & won't move out of the road.

712	65+	No	3	Pleased with all that exists here. Love it.
1100	50-64	No	3	Police the public events so that crude, disgusting behavior is stopped & asked to leave. I want to be able to bring my grandchildren without them witnessing girls having their hands down their boyfriends front crotch & at the playground!
115	65+	No	3	Preserve downtown area. Please do not turn it all into business area. Keep what made it attractive to newcomers – the small town feel!

577	35-49	No	3	Remain small.
156	65+	No	3	Remove goodwill trailers. Looks like city dumps after hours! Lots of housing looks run down. Need renters & house owners to clean up & leave junk & cars in yard.
935	65+	No	3	Rental property better maintained by renters (540 Lewisville-Clemmons Rd). Owners of rental property cleaning up & around & in the back of their property (521 Lewisville-Clemmons Rd). 505 Lewisville-Clemmons Rd needs to be cleaned up. Hideous!
765	50-64	No	3	Replace the bridge. Keep out Section 8.

209	50-64	No	3	Retain small community atmosphere.

1630	<35	No	3	Sidewalks.
76	35-49	No	3	Stay small & historical (which includes more home ownership & less rental). Jack Warren park just needs more development – playground, landscape & more or better use of soccer field. Would like bike lanes & skateboard park. We already have Clemmons & Yadkinville YMCA's. We don't need just social improvements but community as well. Volunteer work, etc. Free community activities.
92	65+	No	3	Stop investing in real estate, repairing old buildings & building roads.
299	50-64	No	3	Stop light or roundabout at Shallowford & Williams Rd where shopping center is (Food Lion, Rite-Aid, ABC, etc).
1334	50-64	No	3	Stop non-residents from using or attending events our taxes pay for, ie fireworks. Charge parking for anyone not a resident. We don't go because we can't park. Forsyth could not have fireworks because of expense but Lewisville had them? Our tax money should be better used or taxes lowered.
941	50-64	No	3	Stop saying Lewisville loves bikes. Bikes are a pain.
1168	50-64	No	3	Stop the practice of reserving chairs at park events. I want to go but chairs are already put in place.
1349	50-64	No	3	Street lights in some of the neighborhoods for safety purposes.
395	50-64	No	3	Street lights in the Sequoia area.
861	50-64	No	3	Street lights on residential roads.
1210	65+	No	3	Stricter enforcement of pet laws. Having dogs on leash when off owners property & requiring poop pickup. I do have a dog & abide by the law & my recommendations.
183	65+	No	3	Stricter rules on people taking care of their property (appearance).
12	50-64	No	3	Stronger noise ordinance. Fill/tear down old shopping center. More traffic circles, fewer lights & fewer stop signs.
738	50-64	No	3	Swimming pool.
1657	50-64	No	3	The middle school & high school students need to have spaces to gather that are safe & legal. I propose a skate park that could be used for skaters & BMX bikes.
539	65+	No	3	The post office needs to be replaced & in a safer location. My car has been hit two times & I have fallen once.
562	50-64	No	3	The roundabout at Shallowford needed really bad!
556	50-64	No	3	The traffic circle at Williams & Shallowford Rd.
607		No	3	There are empty buildings across from the library that could be used for shops & restaurants. We can have a few more amenities & still keep the rural atmosphere.
920	65+	No	3	There is no better place to live.
1694	50-64	No	3	Ticket people that blow grass clippings into the streets & do not blow them back into their yards.
1169		No	3	Too many homes in the Sequoia neighborhood. Have too many vehicles parked on front lawns near road. Eye sore & safety issues.
880	50-64	No	3	Touring of sheriff in neighborhoods (Sequoia in particular). Speed checks.
1041	50-64	No	3	Town members are rude. Town hall is rude. Unfriendly place to live.
555	50-64	No	3	Traffic circle at Williams & Shallowford Rd.
106	65+	No	3	Try & get a new YMCA in Lewisville.
278	50-64	No	3	Update Food Lion shopping center & keep lights on in lot!

123	50-64	No	3	We really need sewer in a lot of developments. We need a place for teenagers or children from ages 12 & up to go & hang out besides tearing up our parks.
1709	65+	No	3	We were promised sewers. No chickens.
1590	35-49	No	3	With Walmart coming there will be a real traffic problem at Shallowford & Country Club.
181	65+	No	3	Would like to see street lights in our development, but otherwise I love living in Lewisville & can't imagine living anywhere else!
1180	50-64	No	3	Yard waste collection a must.
1435	50-64	No	3	Yard waste pickup.
353	50-64		3	More night patrols by Forsyth County sheriff deputies in neighborhoods because people vandalize cars in your driveway.
564	<35		3	More sidewalks & street lights within neighborhoods.
344	50-64		3	Some more business development in empty spaces along Shallowford. Don't be Clemmons!
988	35-49	Yes	4	A few more downtown businesses (not chains), particularly in the mostly empty strip mall.
1174	35-49	Yes	4	A nice family pub with good food.
247	35-49	Yes	4	Ban honey bees/hives in residential areas like Runnymead.
966	35-49	Yes	4	Bike lanes for safety of all!
298	35-49	Yes	4	BMX & running trail park.
1400	35-49	Yes	4	Charge less to fish in Marblehead Lake. Do not charge for children under 14.
1374	35-49	Yes	4	Clean town. Parks.
643	35-49	Yes	4	Continue to grow & develop downtown like Blowing Rock. Outdoor events, walking/bike paths & upper end boutiques & restaurants.
795	35-49	Yes	4	Develop land & shops across from Lewisville school to be more useful. Demolish old house across from library. Renovate Lewisville elementary school.
658	35-49	Yes	4	Do not expand use of street lights. We enjoy the country feel.
1472	35-49	Yes	4	Downtown multi-use, restoration & vibrancy.
623	<35	Yes	4	Fix US 421 at Williams Road bridge! Keep small town & do not allow large businesses in downtown area.
148	35-49	Yes	4	Get rid of bicycles (or keep them out of the road)!!!
1092	50-64	Yes	4	Get the trees out of our lakes. It shouldn't take this long!!!
47	50-64	Yes	4	Good. Longer walking/bike trails network.
1665	35-49	Yes	4	I want bike lanes & a bike shop. This brings a lot of potential opportunity for small shops with healthy or niche retail to bring revenue to the area.
545	35-49	Yes	4	Improve morning traffic around Lewisville Elementary.
572	50-64	Yes	4	Keep green spaces. Limit development.
1655	35-49	Yes	4	Keep it small!
1426	35-49	Yes	4	Keep the small town character. Limit commercialization. Keep home town feeling targeting families & elderly with modern conveniences.
1416	35-49	Yes	4	Keep things small. I don't want to see a lot of commercialization to the area. Leaf & limb service would be great but I have no complaints.
118	<35	Yes	4	Leaf & limb collection would make our life easier.
1219	35-49	Yes	4	Leaf pickup & ball fields for lacrosse.
1	50-64	Yes	4	Manage commercial development so as not to become like Clemmons.
1410	50-64	Yes	4	More for families with older children or empty nesters.
1143	35-49	Yes	4	Nothing! I love it here & so does my family! Keep it the same!

550	35-49	Yes	4	Please keep Lewisville small town feel. Local businesses, local people, Carolina pride. No commercial!
238	50-64	Yes	4	Reduce the speed limit!
1232	50-64	Yes	4	Regular yard waste collection.
1023	<35	Yes	4	Remodeling/renovation of existing retail centers so that they will aesthetically fall in line with the town image.
260	35-49	Yes	4	Remove any existing mobile homes. Rebuild with more cottage-style housing.
1229	35-49	Yes	4	Small shops like Reynolda Village, not a strip mall. Allow dogs in the parks.
1365	35-49	Yes	4	Stay small town. No influx of box stores or brand name places to eat. Keep it to the boutiques & keep it useful.
1065	50-64	Yes	4	We need public sewer before we entertain ourselves. This is important to public safety & the environment.
1394	65+	Yes	4	We need sewers south of 421! Our septic systems are nearly 40 years old & we worry as well as spend money to try to keep them working (Runnymede/Willowmede area). Please help facilitate sewer arrival. We are willing to pay!
590	50-64	Yes	4	Yard waste & leaf pickup.
1428	<35	No	4	A park with more recreational space (a pond, picnic areas, walking/biking trails, etc).
1537	65+	No	4	A place the American Legion & ALA could meet on first floor in different rooms at the same time for us older folks. Instead of 6 women we would have 25.
1678	65+	No	4	A white tablecloth restaurant.
1097	65+	No	4	Allow small businesses to be built. They ask the town for a permit & Lewisville would not give one because they didn't want a drive through. Looks like they would like the tax revenue from businesses. Keep the resident taxes low.
1006	65+	No	4	Avoid commercial congestion, like Clemmons.
1579	50-64	No	4	Better main street development. Make entrance to Businesses more accessible. Maybe a stop light at Shallowford Food Lion. Bad curve!
727	50-64	No	4	Better restaurants that are not fast food.
671	65+	No	4	Better snow removal in winter.
20	50-64	No	4	Bike paths separated from roads.
1359	65+	No	4	Can't think of anything now. It's pretty much like we like it.
392	65+	No	4	City sewage. Eliminate septic tanks & drain fields.
111	50-64	No	4	Clean up business storefronts. Add more businesses & restaurants.
1719	50-64	No	4	Clean up junk in front of neglected houses. We live next to the horrible yellow house on Reynolds Rd. We are planning to sell but the junk will prevent it.
916	50-64	No	4	Complete traffic circles.
637	65+	No	4	Continue with original master plan of years ago. Keep Lewisville quaint & not traffic congested. Love our rural atmosphere & history!
1049	65+	No	4	Couldn't ask for a better place to live. That's why we have lived here for 38 years.
1351	50-64	No	4	Dedicate more green space. Re-purpose the shopping center across from the library (remove asphalt).

Case No	Age Range	<18 at Home?	Where	What <u>one</u> thing would you like to see done... (1 = N of R'hood, 2 = S'ford to R'hood, 3 = 421 to S'ford, 4 = S of 421)
330	50-64	No	4	Demolish traffic circles & install traffic lights. We have literally the least effective circles in the county. They have no curbs nor are the edges high enough to deter people from driving right over them. I have often seen people make a "left turn" at the one at the end of Williams Road, going the wrong way around it to get on 421. Love the events but find them overcrowded with the non-Lewisville residents. Wish there was a way to charge them since my taxes fund them.
62	50-64	No	4	Develop & encourage significant farmers' market once or twice a week.
1718	50-64	No	4	Discourage bicyclists from taking over our roads & keeping residents from reasonable commutes. They wouldn't tolerate it in <u>their</u> neighborhoods.
1261	65+	No	4	Do away with open burning of leaves. It pollutes the air majorly.
1306	65+	No	4	Do away with the tiny flags & get some big enough to see. Something needs to be done to Christmas decorations. Can't see the wreaths for the trees & half of the lights on the wreaths don't work. Clemmons beats us bad at Christmas.
1197	65+	No	4	Don't ruin it & make it like every other suburb. Thank you for asking.
593	50-64	No	4	Encourage items in #6.
30	65+	No	4	Enforce bicycle riders to ride behind each other & not next to each other without moving when cars are coming.
168	50-64	No	4	Enforce speed limit in town.
1226	65+	No	4	Expand sewer to Runnymede area.
566	50-64	No	4	Expand small businesses downtown.
1370	50-64	No	4	Explain to people how to yield at traffic circles!
642	65+	No	4	Extend the other Shallowford Rd. Have bike lanes on both roads.
42	65+	No	4	Few more local home or business-like restaurants. No more homes turned into businesses. We eat mostly in Clemmons area & like to stay home in Lewisville. Support local.
598	65+	No	4	Fix up the vacant buildings.
1113	50-64	No	4	For me, leaf & limb collection is sorely needed to include Christmas tree pickup.
1108	50-64	No	4	Get bikes off the road!
596	65+	No	4	Get bikes off the road.
792	50-64	No	4	Get the bridge replacement done quickly, as in Pinnacle.
172	50-64	No	4	Great Wagon Road project completed.
1442	50-64	No	4	Greater regulation of development. Enforcement of stronger environmental runoff regulations.
413	50-64	No	4	Grow pub & restaurant. Keep small town atmosphere. Protect from using downtown for traffic going to WalMart, for example. Safer bike situation. Perhaps an ordinance limiting casual biking to a group of 4 or less, or else a permit is required.
905	65+	No	4	Have a bike trail. Lewisville is a great place to live.
1111	50-64	No	4	Have a community pool.
411	50-64	No	4	Have a shooting range.
437	65+	No	4	Have sewer service.
790	35-49	No	4	I would love to see more independent restaurants (non-chain) – some with a more upscale feel. Also I'd really like to see a redesign of the Oaks shopping area. I feel like it's an eyesore in an otherwise charming downtown business district.
1499	65+	No	4	If the families who live here don't like the way things are here, please move & not try to change things for their benefit.

Case No	Age Range	<18 at Home?	Where	What <u>one</u> thing would you like to see done... (1 = N of R'hood, 2 = S'ford to R'hood, 3 = 421 to S'ford, 4 = S of 421)
492	65+	No	4	Impose a bicycle use fee, hopefully discouraging bikes from our highways. They ignore traffic lanes, pose a hazard to motorists & themselves, contribute nothing to the local economy (most being from out of town). The fee should be substantial enough to deter & at the same time help the tax base.
1110	65+	No	4	Include more young people in planning, decision making & governing.
503	50-64	No	4	It's great the way it is!
729	65+	No	4	Keep development in line with a small town, <u>not</u> like Clemmons.
644	65+	No	4	Keep it small. No fast food.
1199	50-64	No	4	Keep low income, trashy, crime ridden, drug dealing people out by not offering any low income housing (big apartment complex's, condo's, duplex's, etc). Take action of crime. Nip it in the bud.
1084	65+	No	4	Keep taxes low by not spending any more money on Great Wagon Rd. No one uses it anyhow.
1406	50-64	No	4	Keep taxes low so it will be an affordable place to live.
651	50-64	No	4	Keep the small town flavor.
442	50-64	No	4	Keep the small town, intimate feel & don't turn into Clemmons!
412	50-64	No	4	Keep things simple.
1446	65+	No	4	Leaf & limb collection would help eliminate burning, especially in neighborhoods. This is a constant problem. Some residents burn illegally & poorly. It is hazardous & a health problem for people with smoke allergies/breathing problems.
786	50-64	No	4	Leaf pickup.
660	50-64	No	4	Leaf service would be nice. We love Lewisville.
769	65+	No	4	Leave it like it is. Perfectly happy as is.
1202	50-64	No	4	Less government restrictions.
1044	50-64	No	4	Less intrusion from the town hall.
964	35-49	No	4	Lewisville has lots of bikers. A velodrome like the one in Asheville, NC (Carrier Park Mellowdrome) with play area in center. Williams Rd needs speed bump before the traffic circle as well as exit off 421 from Winston. These speed bumps will help the traffic for customers at the store & drivers trying to enter at Liberty. People go too fast & don't slow down to let others into the circle. Harper Road circles work much better. They make drivers slow before entering.
1116	65+	No	4	Lewisville needs a YMCA.
982	65+	No	4	Like it the way it is. Don't do anything to spend more tax dollars. This is a bad time to be thinking & planning to increase the tax load in this economy. Wasting money on this survey.
1201	35-49	No	4	Love the events in Lewisville but providing these free to non-Lewisville residents is wrong. We pay for the entire Forsyth county's fireworks among other things (ie beach music, movie nights, etc).
1570	50-64	No	4	Lower our tax rate.
131	50-64	No	4	Lower property taxes.
904	65+	No	4	Lower taxes.
980	65+	No	4	Lower taxes.
513	50-64	No	4	More classes in the evening & weekends.
488	50-64	No	4	More open space preserved!
843	50-64	No	4	More patrol cars on old roads (older neighborhoods) not just the new ones.
1533	65+	No	4	More restaurants, shops, a community center, walking paths.
561	65+	No	4	More restaurants.
1727	65+	No	4	More sidewalks, bike paths & mass transit.

1331	50-64	No	4	More town services. Leaf & limb pickup, yard waste pickup & sewer service.
934	50-64	No	4	Nice pub.
650	35-49	No	4	Night life.
1623	65+	No	4	No more large housing developments.
145	50-64	No	4	Offer office paper shredding service.
523	65+	No	4	One thing. I am in Clemmons, on Styers Ferry Rd off Lewisville-Vienna Rd. I do not go to Lewisville!
1569	65+	No	4	Our own police department.
1525	50-64	No	4	Outlying areas, eg down Styers Ferry Rd, leaf & limb pickup. Bike path – bikers can be a nuisance.
1087	65+	No	4	Pick up leaves & yard waste.
1584	65+	No	4	Place a moratorium on all new residential building. Only allow to tear down & rebuild. Home values will rise. No new services will be needed, just maintenance. Tax revenues will increase because property values go up.
747	50-64	No	4	Please don't ever become a Clemmons.
645	65+	No	4	Pray to God in Jesus' name. Call on Him as you make new projects. Take time to wait for His direction, wisdom & knowledge before going forward. Thanks for the great library. I like Lewisville just as it is.
1417	50-64	No	4	Preservation of green space. Keep rural. Keep small town atmosphere.
648	65+	No	4	Preserve the farming in the area.
979	65+	No	4	Put more control on property upkeep, example the old farm near Unity Moravian Church & a house near Joanie Moser Park. There is also a very nice park available at Johnie Moser Park with ball fields, tennis courts, etc. Use them rather than wasting money on another park when these are available.
1118	65+	No	4	Put up signs on the southern town borders indicating entering/leaving Lewisville.
585	65+	No	4	Redevelop the old shopping area to attract small shops & cafe-type premises.
1154	65+	No	4	Repair bridge quickly.
742	65+	No	4	Senior services center.
1094	65+	No	4	Sewage & gas in our area. We do pay Lewisville taxes.
1635	50-64	No	4	Sewer & water. Yes, I am in the city & pay city taxes but only get garbage pickup for my tax dollars.

653	65+	No	4	Snow removal on rural roads.
989	65+	No	4	Stop adding businesses to Shallowford Rd. Convert residential to business use on Shallowford Rd.
502	50-64	No	4	Stop building roundabouts that most people can't handle.
153	50-64	No	4	Street lights & sewer. Leaders need to remember that the city limits do not end at 421.
890	65+	No	4	Street lights in neighborhoods.
981	65+	No	4	Utilities (water/sewer) for everyone!
434	35-49	No	4	Walkable communities.

968	65+	No	4	Walking & biking trails.
1207	50-64	No	4	Would like to have county water.
1338	50-64	No	4	Yard & limb debris pickup.
