City of Durham 2015 Resident Survey Executive Summary Report

Overview and Methodology

During the winter of 2015, ETC Institute administered its sixth DirectionFinder® Survey for the City of Durham. The purpose of the survey is to assess citizen satisfaction with the delivery of major City services and to help determine priorities for the community as part of the City's ongoing planning process. Previous DirectionFinder® surveys were administered in 2005, 2007, 2009, 2011 and 2013.

Methodology. A seven-page survey was mailed to a random sample of households in the City of Durham. The mailed survey included a postage paid return envelope and a cover letter explaining the purpose of the survey and encouraging residents to complete the survey.

Approximately seven days after the surveys were mailed, residents who received the survey were contacted by phone. Those who indicated that they had not returned the survey were given the option of completing it by phone. The goal was to receive at least 400 completed surveys. This goal was far exceeded, with a total of 479 households completing a survey. The results for the random sample of 479 households have a 95% level of confidence with a precision of at least $\pm 4.5\%$.

In order to understand how well services are being delivered in different areas of the City, ETC Institute geocoded the home address of respondents to the survey. The map to the right shows the physical distribution of respondents to the resident survey based on the location of their home.

Interpretation of “Don’t Know” Responses. The percentage of “don’t know” responses has been excluded from many of the graphs in this report to assess satisfaction with residents who had used City services and to facilitate valid comparisons with other communities in the benchmarking analysis. Since the number of “don’t know” responses often reflects the utilization and awareness of City services, the percentage of “don’t know” responses has been included in the tabular data in Section 4 of this report. When the “don’t know” responses have been excluded, the text of this report will indicate that the responses have been excluded with the phrase “who had an opinion.”

This report contains the following:

- a summary of the methodology for administering the survey and major findings
- charts showing the overall results for the 2015 survey, along with comparisons to the results from the 2005 and 2013 surveys (Section 1)
- importance-satisfaction analysis that identifies priorities for investment (Section 2)
- tabular data showing the overall results for all questions on the survey (Section 3)
- a copy of the cover letter and survey instrument (Section 4)

Perceptions of the City

- **Overall Ratings of the City of Durham.** Eighty-four percent (84%) of the residents surveyed who had an opinion rated the City as an “excellent” or “good” place to live, and 84% also rated it as an “excellent” or “good” place to work.
- **Overall Perceptions of the City.** Eighty-one percent (81%) of the residents surveyed who had an opinion were satisfied with the quality of life in their neighborhood; 72% were satisfied with the quality of life in the City, and 65% were satisfied with the overall quality services provided by the City.

Overall Satisfaction

- **Major Categories of City Services.** The overall city services with the highest levels of satisfaction, based upon the combined percentage of “very satisfied” and “satisfied” responses among residents who had an opinion, were: the quality of fire protection and rescues services (82%), the overall quality of EMS services (81%), the overall quality of library services and programs (81%), the response time of EMS services (79%), and the response time for fire services (76%).

Satisfaction with Specific Services

- **Law Enforcement/Criminal Justice.** The highest levels of satisfaction with law enforcement/criminal justice, based upon the combined percentage of “very satisfied” and “satisfied” responses of residents who had an opinion, were: the overall police relationship with the community (62%) and the Sheriff Office relationship with the community (59%).
- **Parks and Recreation.** The highest levels of satisfaction with parks and recreation services, based upon the combined percentage of “very satisfied” and “satisfied” responses of residents who had an opinion, were: greenways and trails in the City (68%), cultural programming (65%), and the length of residents’ commute to their desired recreation amenities (59%).
- **City Maintenance.** The highest levels of satisfaction with City maintenance, based upon the combined percentage of “very satisfied” and “satisfied” responses of residents who had an opinion, were: the condition of neighborhood streets (63%), the condition of City parks (59%) and cleanliness of city streets (59%).
- **Parking and Transit.** The highest levels of satisfaction with parking and transit, based upon the combined percentage of “very satisfied” and “satisfied” responses of residents who had an opinion, were: the ease of travel by driving (67%) and the location of downtown parking facilities (44%).
- **Code Enforcement.** The highest levels of satisfaction with code enforcement, based upon the combined percentage of “very satisfied” and “satisfied” responses of residents who had an opinion, were: how quickly graffiti is removed in neighborhoods (41%) and response to code enforcement requests for service or complaints (40%).
- **Solid Waste and Utilities Services.** The highest levels of satisfaction with solid waste and utility services, based upon the combined percentage of “very satisfied” and “satisfied” responses of residents who had an opinion, were: solid waste collection services (88%), curbside recycling services (85%), sewer services (73%), and the quality of drinking water (71%).
- **Development and Appearance.** The highest levels of satisfaction with development and appearance, based upon the combined percentage of “very satisfied” and “satisfied” responses of residents who had an opinion, were: the appearance of houses in neighborhoods (74%) and protection of historic buildings (57%).
- **Economic Development.** The highest level of satisfaction with various aspects of economic development in the City, based upon the combined percentage of “very

satisfied” and “satisfied” responses among residents who had an opinion, were: the proximity of neighborhoods to shopping (74%), and the proximity of neighborhoods to arts and cultural amenities (67%).

- **Customer Service.** The highest levels of satisfaction with customer service from City employees, based upon the combined percentage of “very satisfied” and “satisfied” responses of residents who had an opinion, were: the ease of paying the water bill (80%), courtesy of employees (78%), how easy they were to contact (74%), and the accuracy of information and assistance given (72%).

Other Survey Findings

- Based upon a combination of “very safe” and “safe” responses among residents who had an opinion, residents felt most safe walking alone in their neighborhood during the day (91%). Residents felt least safe when riding the DATA/Bull City Connector (37%).
- Seventy-three percent (73%) of the residents surveyed are “strongly supportive” or “cautiously supportive” of allowing more misdemeanor drug offenses to be handled outside of court, compared to 16% who are “not supportive” or “not supportive at all”.
- The top sources that residents used to get information about the City were: the local television or radio news (66%), the Durham Citizen’s newsletter (54%), friends/neighbors (51%), and the Herald-Sun or other local newspaper (47%).
- Seventy-four percent (74%) of the residents surveyed do not normally watch DTN; 23% watch DTN on TV, and 3% watch DTN online.
- Thirty-eight percent (38%) of the residents surveyed would be willing to pay higher taxes to support enhancements to City and/or County services; 47% would not be willing to pay higher taxes to support enhancements, and 15% indicated “don’t know”.
- Of the 38% of residents who would be willing to pay higher taxes to support enhancements to City and/or County services, the types of services they would be most willing to support are: road improvements, repairing and restoring deteriorating infrastructure, trails and greenways, and the construction of new sidewalks.
- Forty percent (40%) of the residents surveyed would pay fees instead of taxes to pay for improvements to City services that they use or benefit from; 19% would not be willing to pay fees instead of taxes, and 41% indicated “not sure”.

Trend Analysis

Long-Term Trends. Satisfaction ratings have increased in 47 of the 53 areas that were assessed from the 2005 survey; 1 area has stayed the same and only 5 areas have decreased from 2005. Of the 47 areas that have shown increases, 41 of these increases were significant (5% or more). Listed below are the areas that have had a significant increase since the 2005 survey.

Area	2015	2005	Difference	Category
Overall image of the city	52%	25%	27%	Perceptions of the City
Condition of streets in your neighborhood	63%	40%	23%	Maintenance
Overall quality of life in the city	72%	49%	23%	Perceptions of the City
In downtown Durham	62%	39%	23%	Feeling of Safety
Cleanliness of city streets	59%	38%	21%	Maintenance
Condition of city parks	59%	39%	20%	Maintenance
Overall appearance of the city	53%	34%	19%	Perceptions of the City
As a city that is moving in the right direction	66%	47%	19%	Quality of Life Ratings
When walking alone in your neighborhood at night	63%	45%	18%	Feeling of Safety
As a place to visit	71%	54%	17%	Quality of Life Ratings
Greenways and trails in the city	68%	52%	16%	Parks and Recreation
As a place to live	84%	68%	16%	Quality of Life Ratings
Bulky item pick up/removal services	70%	54%	16%	Water and Utility Services
As a place to work	84%	69%	15%	Quality of Life Ratings
In the City of Durham overall	52%	37%	15%	Feeling of Safety
How well your issue was handled	65%	50%	15%	Customer Service
Cleanliness and appearance of medians/roadsides	53%	39%	14%	Maintenance
Overall quality of life in your neighborhood	81%	67%	14%	Perceptions of the City
Walking alone in the nearest park during the day	61%	47%	14%	Feeling of Safety
Accuracy of the information & assistance given	72%	58%	14%	Customer Service
When visiting recreation centers	62%	48%	14%	Feeling of Safety
Walking alone in your neighborhood during the day	91%	78%	13%	Feeling of Safety
Outdoor athletic fields	56%	44%	12%	Parks and Recreation
Availability of information about programs/services	61%	49%	12%	Customer Service
Value you receive for your city taxes and fees	38%	26%	12%	Perceptions of the City
As a place to retire	60%	49%	11%	Quality of Life Ratings
City efforts to keep informed about local issues	54%	43%	11%	Customer Service
How easy they were to contact	74%	63%	11%	Customer Service
Level of public involvement in local decisions	41%	31%	10%	Customer Service
As a place to raise children	62%	52%	10%	Quality of Life Ratings
Overall quality of services provided by the city	65%	55%	10%	Perceptions of the City
Time it took for your request to be answered	61%	51%	10%	Customer Service
Maintenance of city streets	33%	23%	10%	Major Categories of City services
Mowing/tree trimming along streets & other areas	54%	45%	9%	Maintenance
Courtesy of employees	77%	68%	9%	Customer Service
Quality of City water and sewer utilities	70%	62%	8%	Major Categories of City services
Yard waste (leaves/tree limbs) collection services	70%	62%	8%	Water and Utility Services
Quality of fire protection/rescue services	83%	77%	6%	Major Categories of City services
Quality of customer service from City employees	61%	55%	6%	Major Categories of City services
Enforcement of junk cleanup on private property	37%	32%	5%	Code Enforcement
Effectiveness of City communication w/public	50%	45%	5%	Major Categories of City services

Short-Term Trends. Satisfaction ratings have increased in 30 of the 67 areas that were assessed from the 2013 survey; 5 areas have stayed the same and 32 areas have decreased from 2013. Listed below are the areas that have had the most significant increases since the 2013 survey.

Area	2015	2013	Difference	Category
When walking alone in your neighborhood at night	63%	49%	14%	Feeling of Safety
Greenways and trails in the city	68%	60%	8%	Parks and Recreation
Cleanliness and appearance of medians/roadsides	53%	47%	6%	Maintenance
As a place to work	84%	78%	6%	Quality of Life Ratings
Overall quality of life in your neighborhood	81%	76%	5%	Perceptions of the City
Walking alone in your neighborhood during the day	91%	86%	5%	Feeling of Safety
Walking alone in the nearest park during the day	61%	56%	5%	Feeling of Safety
Condition of streets in your neighborhood	63%	58%	5%	Maintenance
Cleanliness of city streets	59%	54%	5%	Maintenance
As a place to play	72%	67%	5%	Quality of Life Ratings

Listed below are the areas that have had the most significant decreases since the 2013 survey.

Area	2015	2013	Difference	Category
Flow of traffic in the City	34%	52%	-18%	Major Categories of City services
Quality of the City's public transit system	33%	49%	-16%	Major Categories of City services
When riding DATA/Bull City Connector	37%	49%	-12%	Feeling of Safety
Maintenance of city streets	33%	44%	-11%	Major Categories of City services
Effectiveness of City communication w/public	50%	60%	-10%	Major Categories of City services
Condition of bicycle facilities	27%	37%	-10%	Maintenance
How quickly graffiti is removed in neighborhood	41%	50%	-9%	Code Enforcement
Access to training/development for under-employed	23%	32%	-9%	Economic Development
Variety of City recreation opportunities	44%	52%	-8%	Parks and Recreation
Cleanliness of storm water drains	38%	46%	-8%	Maintenance
Resources to support small business development	28%	36%	-8%	Economic Development
Time it took for your request to be answered	61%	69%	-8%	Customer Service
How easy they were to contact	74%	81%	-7%	Customer Service

Investment Priorities

Recommended Priorities for the Next Two Years. In order to help the City identify investment priorities for the next two years, ETC Institute conducted an Importance-Satisfaction (I-S) analysis. This analysis examined the importance that residents placed on each City service and the level of satisfaction with each service. By identifying services of high importance and low satisfaction, the analysis identified which services will have the most impact on overall satisfaction with City services over the next two years. If the City wants to improve its overall satisfaction rating, the City should prioritize investments in services with the highest Importance Satisfaction (I-S) ratings. Details regarding the methodology for the analysis are provided in the Section 2 of this report.

Overall Priorities for the City by Major Category. This analysis reviewed the importance of and satisfaction with major categories of City services. This analysis was conducted to help set the overall priorities for the City. Based on the results of this analysis, the major services that are recommended as the top priorities for investment over the next two years in order to raise the City's overall satisfaction rating are listed below:

- Overall maintenance of streets in the City (IS Rating=0. 2412)
- Overall flow of traffic in Durham (IS Rating=0. 1980)
- Overall quality of police protection (IS Rating=0.1512)

The table below shows the importance-satisfaction rating for all 18 major categories of City services that were rated.

Importance-Satisfaction Rating City of Durham, North Carolina Major Categories of City Services						
Category of Service	Most Important %	Most Important Rank	Satisfaction %	Satisfaction Rank	Importance-Satisfaction Rating	I-S Rating Rank
<u>Very High Priority (IS >.20)</u>

Section 2:
Importance-Satisfaction
Analysis

Importance-Satisfaction Analysis

The City of Durham, North Carolina

Overview

Today, community officials have limited resources which need to be targeted to activities that are of the most benefit to their citizens. Two of the most important criteria for decision making are (1) to target resources toward services of the highest importance to citizens; and (2) to target resources toward those services where citizens are the least satisfied.

The Importance-Satisfaction (IS) rating is a unique tool that allows public officials to better understand both of these highly important decision making criteria for each of the services they are providing. The Importance-Satisfaction rating is based on the concept that cities will maximize overall citizen satisfaction by emphasizing improvements in those service categories where the level of satisfaction is relatively low and the perceived importance of the service is relatively high.

Methodology

The rating is calculated by summing the percentage of responses for items selected as the first, second, and third most important services for the City to emphasize over the next two years. This sum is then multiplied by 1 minus the percentage of respondents that indicated they were positively satisfied with the City's performance in the related area (the sum of the ratings of 4 and 5 on a 5-point scale excluding "don't know" responses). "Don't know" responses are excluded from the calculation to ensure that the satisfaction ratings among service categories are comparable. $[IS = \text{Importance} \times (1 - \text{Satisfaction})]$.

Example of the Calculation. Respondents were asked to identify the major categories of City services they thought should receive the most emphasis over the next two years. Thirty-six percent (36%) ranked the "overall maintenance of City streets" as one of the most important services to emphasize over the next two years.

With regard to satisfaction, “overall maintenance of City streets” was ranked 18th overall with 33% rating as a “4” or a “5” on a 5-point scale excluding “don't know” responses. The I-S rating for the “overall maintenance of City streets” was calculated by multiplying the sum of the most important percentages by 1 minus the sum of the satisfaction percentages. In this example, 36% was multiplied by 67% (1-0.33). This calculation yielded an I-S rating of 0.2412, which was ranked first out of 19 major service categories.

The maximum rating is 1.00 and would be achieved when 100% of the respondents select an item as one of their top three choices to emphasize over the next two years and 0% indicate that they are positively satisfied with the delivery of the service.

The lowest rating is 0.00 and could be achieved under either one of the following two situations:

- if 100% of the respondents were positively satisfied with the delivery of the service
- if none (0%) of the respondents selected the service as one of the three most important areas for the City to emphasize over the next two years.

Interpreting the Ratings

Ratings that are greater than or equal to 0.20 identify areas that should receive significantly more emphasis over the next two years. Ratings from .10 to .20 identify service areas that should receive increased emphasis. Ratings less than .10 should continue to receive the current level of emphasis.

- Definitely Increase Emphasis ($IS \geq 0.20$)
- Increase Current Emphasis ($0.10 \leq IS < 0.20$)
- Maintain Current Emphasis ($IS < 0.10$)

The results for the City of Durham are provided on the following page.

.

Importance-Satisfaction Rating

City of Durham, North Carolina

Major Categories of City Services

Category of Service	Most Important %	Most Important Rank	Satisfaction %	Satisfaction Rank	Importance-Satisfaction Rating	I-S Rating Rank
<u>Very High Priority (IS >.20)</u>						
Overall maintenance of streets in the City	36%	2	33%	18	0.2412	1
<u>High Priority (IS .10 - .20)</u>						
Overall flow of traffic in Durham	30%	3	34%	17	0.1980	2
Overall quality of police protection	42%	1	64%	8	0.1512	3
Overall quality of the public transit system	15%	4	33%	19	0.1005	4
<u>Medium Priority (IS <.10)</u>						
Services of Durham County Dept of Social Services	12%	6	37%	16	0.0756	5
Overall quality of Tax Administration services	9%	9	42%	15	0.0522	6
Overall quality of parks & recreation programs	13%	6	65%	7	0.0455	7
Overall quality of sheriff protection	11%	7	61%	10	0.0429	8
Effectiveness of communication with the public	8%	10	49%	12	0.0408	9
Overall enforcement of codes & ordinances	7%	11	43%	14	0.0399	10
Overall quality of Public Health services	6%	14	44%	13	0.0336	11
Customer service received from City employees	7%	12	61%	9	0.0273	12
Overall quality of water & sewer utilities	8%	10	70%	6	0.0240	13
Customer service received from County employees	3%	17	59%	11	0.0123	14
Quality of fire protection & rescue services	6%	13	82%	1	0.0108	15
Overall quality of EMS services	3%	15	81%	2	0.0057	16
Overall quality of library services & programs	3%	16	81%	3	0.0057	17
Response time for fire services	2%	18	76%	5	0.0048	18
Response time for EMS services	2%	19	79%	4	0.0042	19

Note: The I-S Rating is calculated by multiplying the "Most Important" % by (1-'Satisfaction' %)

Most Important %:

The "Most Important" percentage represents the sum of the first, second, third and fourth most important responses for each item. Respondents were asked to identify the items they thought should receive the most emphasis over the next two years.

Satisfaction %:

The "Satisfaction" percentage represents the sum of the ratings "4" and "5" excluding 'don't knows.' Respondents ranked their level of satisfaction with the each of the items on a scale of 1 to 5 with "5" being very satisfied and "1" being very dissatisfied.

Category of Service	Most Important %	Most Important Rank	Satisfaction %	Satisfaction Rank	Importance-Satisfaction Rating	I-S Rating Rank
High Priority (IS .10 - .20)						
Greenways and trails	33%	1	68%	1	0.1056	1
Medium Priority (IS <.10)						
Outdoor athletic fields & courts	22%	3	56%	4	0.0972	2
Variety of City recreation opportunities	19%	4	54%	5	0.0884	3
Cultural programming	23%	2	65%	2	0.0796	4
Recreation Center programs	10%	5	42%	7	0.0584	5
Aquatic programs	8%	7	35%	9	0.0520	6
Athletic programs	8%	6	41%	8	0.0474	7
Customer service provided by Parks & Rec staff	5%	8	53%	6	0.0234	8
Length of commute to desired recreation amenities	4%	9	59%	3	0.0165	9

Note: The I-S Rating is calculated by multiplying the "Most Important" % by (1-'Satisfaction' %)

Most Important %:

The "Most Important" percentage represents the sum of the first, second, third and fourth most important responses for each item. Respondents were asked to identify the items they thought should receive the most emphasis over the next two years.

Satisfaction %:

The "Satisfaction" percentage represents the sum of the ratings "4" and "5" excluding 'don't knows.' Respondents ranked their level of satisfaction with the each of the items on a scale of 1 to 5 with "5" being very satisfied and "1" being very dissatisfied.

Importance-Satisfaction Rating

City of Durham, North Carolina

Maintenance Services

Category of Service	Most Important %	Most Important Rank	Satisfaction %	Satisfaction Rank	Importance-Satisfaction Rating	I-S Rating Rank

Benchmarking Analysis

DirectionFinder Survey

Year 2015 Benchmarking Summary Report

Overview

ETC Institute's *DirectionFinder*® program was originally developed in 1999 to help community leaders use statistically valid community survey data as a tool for making better decisions. Since November 1999, the survey has been administered in more than 210 cities and counties in 43 states. Most participating communities conduct the survey on an annual or biennial basis.

This report contains benchmarking data from two sources: (1) a national survey that was administered by ETC Institute during July 2015 to a random sample of more than 2,000 residents in the continental United States living in cities with a population of more than 250,000 residents and (2) survey results from 30 large communities (population of more than 250,000 residents) where the *DirectionFinder*® survey was administered between January 2011 and July 2015. The national survey results were used as the basis for the average performance ratings that are shown in this report. The results from individual communities were used as the basis for developing the range of performance. The communities included in the performance comparisons that are shown in this report are listed below:

- Arlington County, VA
- Arlington, TX
- Austin, TX
- Dallas, TX
- Denver, CO
- Des Moines, IA
- Detroit, MI
- Durham, NC
- Fort Lauderdale, FL
- Fort Worth, TX
- Houston, TX
- Indianapolis, IN
- Johnson County, KS
- Kansas City, MO
- Mecklenburg County, NC
- Miami-Dade County, FL
- Minneapolis, MN
- Oklahoma City, OK
- Plano, Texas
- Providence, RI
- San Antonio, TX
- San Diego, CA
- San Francisco, CA
- Seattle, WA
- St. Louis, MO
- Tempe, AZ
- Tulsa, OK
- Tucson, AZ
- Wichita, KS
- Yuma County, AZ

There are two sets of charts in this report:

- The **first set** shows how the results for the City of Durham compare to the national average for large U.S. cities. The blue bar shows the results for the City of Durham. The green bar shows the results of a national survey that was administered by ETC Institute to a random sample of more than 2,000 U.S. residents living in cities with a population of more than 250,000 residents during July of 2015.
- The **second set** shows how the results for the City of Durham compare to the range of performance for other large U.S. communities. A total of 30 large U.S. communities were included in this analysis (these cities are listed on the previous page). The horizontal blue bar shows the range of performance for each of the areas that were surveyed. The percentage on the left shows the results for the worst performing community. The percentage on the right shows the results for the best performing community. The yellow dot shows the results for the City of Durham. The green vertical bar shows the results of a national survey that was administered by ETC Institute to a random sample of more than 2,000 U.S. residents living in communities with a population of more than 250,000 residents during July of 2015.

National Benchmarks

October, 2015

Dear Durham Resident,

Thanks to you, Durham remains one of the most vibrant and progressive communities in the United States. As we continue to grow and meet new challenges, it is important that we also continue to strategically plan for our future.

An important part of this planning process involves gathering input from residents on a wide range of issues impacting our quality of life. We want you to be a part of this process by taking a few minutes to complete the enclosed *2015 Durham Resident Survey*.

For the first time, the City and County are jointly overseeing the survey so that more Durham residents have an opportunity to be heard. By completing and returning this survey, you will assist elected officials, as well as the City/County Administration, in making critical decisions about prioritizing resources and helping set the direction for the future of our community.

Please return your completed survey in the enclosed postage-paid envelope ***within the next 10 days*** to the ETC Institute, 725 W. Frontier Circle, Olathe, KS 66061.

If you have any questions about this survey, please contact Durham One Call at (919) 560-1200.

Your feedback is very vital to us and we appreciate your help in making Durham an even better place to call home.

Sincerely,

Thomas J. Bonfield
City Manager

Wendell M. Davis
County Manager

2015 DURHAM CITY AND COUNTY RESIDENT SURVEY

Please take a few minutes to complete this survey. Your input is an important part of the City and County's on-going effort to identify and respond to resident concerns. If you have questions, please contact Durham One Call at (919) 560-1200 or the Durham County Tax Administration at (919) 560-0300. This survey is intended for Durham City and County resident's only.
