Comments: TK and Andy Adams went to Hookah Bliss in response to a call that the health director's office received from Adam Bliss on 3-26-2010. Mr. Bliss stated that he had come into compliance and wanted staff to check it out. We arrived at 4:15. We were told by Andrew, the person left in charge, that Mr. Bliss was in Florida and he did not know when he would return. Andrew and other patrons in the bar were observed smoking Hookah pipes. Andrew confirmed that it was a tobacco product and that the establishment was still selling alcohol with an ABC permit..
