

NEW HANOVER COUNTY

320 CHESTNUT STREET
WILMINGTON, NORTH CAROLINA 28401

June 30, 1986

Chairman, County Commissioners
Members of County Commission

Mayor, City of Wilmington
Members of City Council

It is requested that the Consolidation Charter Commission be granted an extension through November 7, 1986, to complete the preparation of a Consolidation Charter.

The Charter Commission, since the organizational meeting on March 26, 1986, has met two to three times a month. In addition, the Charter Commission Committees have held numerous meetings in working toward completion by July 15, 1986. It is the opinion of the Charter Commission members, after a careful assessment of the material and importance of this task, that additional time is necessary to prepare a proposed charter for the consolidated governments of New Hanover County and the City of Wilmington. A motion was introduced and passed unanimously at the June 23, 1986, Charter Commission meeting, to request this extension.

I believe that you agree with the Commission members on the significance of this task and the importance of preparing a comprehensive charter for presentation to the residents which it will affect.

Sincerely,

Walter L. Baker, Chairman
Consolidation Charter Commission
