

810.00 SERIES. REORGANIZATION NOTICE—DAMAGES

The instructions collected in the 810.00 series have been updated and reorganized into five distinct sections:

Personal Injury Damages	810.00 through 810.24
Personal Injury Damages— Derivative Claims	810.30 through 810.32
Wrongful Death Damages	810.40 through 810.41
Property Damages	810.60 through 810.68
Punitive Damages	810.90 through 810.98

Deleted as separate instructions are the former 810.26 (“Loss of Future Earnings Capacity Where the Plaintiff has No Employment or Past Employment at the Time of Injury”—now incorporated into 810.06), 810.49 (“Personal Injury Damages—Avoidable Consequences—Failure to Mitigate Damages”—now included in 810.24) and 810.90 (“Damages—Reduction to Present Value—now redundant with 810.16 and 810.50). The instruction formerly appearing at N.C.P.I.—Civil 810.80 (“Action for Loss of Consortium”) has been renumbered and transferred to N.C.P.I.—Civil 800.65. All of the wrongful death instructions (N.C.P.I.—Civil 810.40 through 810.66) except setoff/deduction for workers’ compensation awards (now renumbered as N.C.P.I.—Civil 810.41) have been consolidated into a single instruction (N.C.P.I.—Civil 810.40). All other instructions appearing in the former 810.00 series have been renumbered. **Thus, ALL instructions previously included in the 810.00 series are replaced with instructions contained in the June 2000 Supplement.**

The 810.00 series does not attempt to collect damages instructions of every type. Contractual damages, remedies specified by statute and certain torts are the subject of damages instructions set forth elsewhere in this volume.
