

222.29. INJURING AN ENERGY FACILITY. FELONY.

The defendant has been charged with injuring an energy facility.¹

For you to find the defendant guilty of this offense, the State must prove two things beyond a reasonable doubt:

First, that the defendant [[destroyed] [injured] [otherwise damaged]] [attempted to [destroy] [injure] [otherwise damage]] an energy facility (or) [[obstructed] [impeded] [impaired] the [services] [transmissions] of an energy facility] [attempted to [obstruct] [impede] [impair] the [services] [transmissions] of an energy facility];

And Second, that the defendant did so knowingly and willfully. Willfully means intentionally and without justification or excuse.

If you find from the evidence beyond a reasonable doubt that on or about the alleged date, the defendant knowingly and willfully [[destroyed] [injured] [otherwise damaged]] [attempted to [destroy] [injure] [otherwise damage]] an energy facility (or) [[obstructed] [impeded] [impaired] the [services] [transmissions] of an energy facility] [attempted to [obstruct] [impede] [impair] the [services] [transmissions] of an energy facility], it would be your duty to return a verdict of guilty. If you do not so find or have a reasonable doubt as to one or more of these things it would be your duty to return a verdict of not guilty.

1. For a definition of energy facility, see N.C. Gen. Stat. § 14-150.2(a).
