

**N.C.P.I.--Civil 810.49 PERSONAL INJURY DAMAGES--AVOIDABLE CONSEQUENCES--
FAILURE TO MITIGATE DAMAGES. (DELETE SHEET).**

October 1999

As originally drafted, N.C.P.I.--Civil 810.49 appeared as a component within the plaintiff's personal injury instruction. However, proof of failure to mitigate is the defendant's burden, so N.C.P.I.--Civil 810.49 has been rewritten as a defendant's issue and inserted at N.C.P.I.--Civil 810.24.
