

FUNCTION OF THE JURY.

Members of jury: All the evidence has been presented. It is now your duty to decide the facts from the evidence. You must then apply to those facts the law which I am about to give you. It is absolutely necessary that you understand and apply the law as I give it to you, and not as you thought it was or as you might like it to be.

As you know, we are trying a case in which the plaintiff seeks to recover money damages resulting from (*state nature of claim for relief*).

(By counterclaim the defendant also seeks to recover money damages resulting from (*state nature of claim for relief*).)
