

DUTY TO KEEP TO THE RIGHT IN CROSSING INTERSECTIONS OR RAILROADS.  
G.S. 20-147.

The motor vehicle law provides that the operator of a vehicle shall at all times drive on the right half of the highway in crossing [an intersection of highways] [the intersection of a highway by a railroad right-of-way] unless the right side of the highway is obstructed or impassable.

A violation of this law is negligence within itself.
