

MEETING OF VEHICLES. G.S. 20-148.¹

The motor vehicle law provides that the operators of vehicles proceeding in opposite directions shall pass each other to the right, each giving to the other at least one-half of the main-traveled portion of the roadway as nearly as possible.²

A violation of this law is negligence within itself.

¹G.S. § 20-148 is irrelevant when the collision occurred on a three-lane highway. State v. Duncan, 264 N.C. 123, 141 S.E.2d 23 (1965).
