

DRIVER TO GIVE WAY TO OVERTAKING VEHICLE.<sup>1</sup> G.S. 20-149(b) and 20-151.

The motor vehicle law provides that the operator of a vehicle about to be overtaken and passed by another vehicle approaching from the rear shall give way to the right<sup>2</sup> in favor of the overtaking vehicle on suitable and audible signal<sup>3</sup> being given by the operator of the overtaking vehicle.

In any event, the operator of the overtaken vehicle shall not increase the speed of the vehicle until completely passed by the overtaking vehicle.

A violation of this law is negligence within itself.
