

HAZING. G.S. 14-35. MISDEMEANOR.

The defendant has been charged with hazing.

For you to find the defendant guilty of this offense, the State must prove two things beyond a reasonable doubt.

First, that at the time of the hazing the defendant was a student in attendance at a university, college, or school in the State of North Carolina.

And Second, that the defendant [engaged in] [aided or abetted any other student in] hazing. Hazing means to subject another student to physical injury as part of an initiation, or as a prerequisite to membership into any organized school group, including any society, athletic team, fraternity or sorority, or other similar group.

If you find from the evidence beyond a reasonable doubt that on or about the alleged date, the defendant was a student in attendance at a university, college, or school in the State of North Carolina, and that the defendant [engaged in] [aided or abetted any other student in] hazing, it would be your duty to return a verdict of guilty. If you do not so find or if you have a reasonable doubt as to one or both of these things, it would be your duty to return a verdict of not guilty.
