215.51 ARSON OR OTHER UNLAWFUL BURNING RESULTING IN SERIOUS INJURY TO A FIREFIGHTER, LAW ENFORCEMENT OFFICER, FIRE INVESTIGATOR, OR EMERGENCY MEDICAL TECHNICIAN. FELONY.

The defendant has been charged with [arson] [unlawful burning] resulting in serious injury to a [firefighter] [law enforcement officer] [fire investigator] [emergency medical technician].

For you to find the defendant guilty of this offense, the State must prove four things beyond a reasonable doubt.

<u>First</u>, that the defendant committed the felony of (*name felony within <u>Article</u>* <u>15</u> of Chapter 14 of the General Statutes). (Define the felony and enumerate its elements using the Pattern Jury Instruction for that felony.)

<u>Second</u>, that a [firefighter] [law enforcement officer] [fire investigator]<sup>1</sup> [emergency medical technician]<sup>2</sup> suffered serious injury. Serious injury is injury that causes great pain and suffering.<sup>3</sup>

If you find from the evidence beyond a reasonable doubt that on or about the alleged date the defendant committed the felony of (name felony) as I have defined that offense for you, and that a [firefighter] [law enforcement officer] [fire investigator] [emergency medical technician] suffered serious injury, which occurred while the [firefighter] [law enforcement officer] [fire investigator]
