

REFUSING TO LEAVE A PUBLIC SCHOOL BUS OR PUBLIC SCHOOL ACTIVITY BUS. G.S. 14-132.2. MISDEMEANOR.

The defendant has been charged with refusing to leave a public school [bus] [activity bus].

For you to find the defendant guilty of this offense, the State must prove two things beyond a reasonable doubt:

First, that the [authorized school bus driver in charge of the public school [bus] [activity bus]] [school principal to whom the public school [bus] [activity bus] is assigned] demanded that the defendant leave the public school [bus] [activity bus].

And Second, that the defendant intentionally refused to leave the bus.

If you find from the evidence beyond a reasonable doubt that, on or about the alleged date, the defendant intentionally refused to leave a public school [bus] [activity bus] on demand of the [authorized school bus driver in charge thereof] [school principal to whom the public school [bus] [activity bus] is assigned], it would be your duty to return a verdict of guilty. If you do not so find or have a reasonable doubt as to one or more of these things, it would be your duty to return a verdict of not guilty.
