SECONDARY METALS RECYCLER. G.S. 66-11(D)(3). FELONY. MISDEMEANOR.

NOTE WELL: This instruction is for offenses occurring on or after October 1, 2009.

NOTE WELL: See G.S. 15A-928 for provisions regarding indictment, bifurcated trial, verdict, and judgment.

The defendant has been charged with purchasing [[central air conditioner evaporator [coils] [condensers]] [catalytic converters] that were not attached to a vehicle from someone that was not a [company] [contractor] [individual] that is in the business of [installing] [replacing] [maintaining] [removing] [[central air conditioner evaporator [coils] [condensers]] [catalytic converters] without providing proper payment.

For you to find the defendant guilty of this offense, the State must prove [three] [four] things beyond a reasonable doubt:

First, that the defendant is a secondary metals recycler.¹

Second, that the defendant purchased [[central air conditioner evaporator [coils] [condensers]] [catalytic converter(s)] that were not attached to a vehicle from someone that was not a [company] [contractor] [individual] that is in the business of [installing] [replacing] [maintaining] [removing] [[central air conditioner evaporator [coils] [condensers]] [catalytic converter(s)].

¹ "Secondary metals recycler" means any person, firm, or corporation in the State:
a. That, from a fixed location or otherwise, is engaged in the business of gathering or obtaining ferrous or nonferrous metals that have served their original economic purpose or is in the business of performing the manufacturing process by which ferrous metals or nonferrous metals are converted into raw material products consisting of prepared grades and having an existing or potential economic value; or

(And) Third, that the defendant failed to pay for these metals by [[check] [money order] made out to the [company] [contractor] [individual]] [using a cash card system that captured the photograph of the person selling these metals and maintaining the photograph for 90 days].

If you do not so find or if you have a reasonable doubt as to one or more of these things, it would be your duty to return a verdict of not guilty.
