

SPEEDING INSIDE MUNICIPAL CORPORATE LIMITS--NO LIMIT POSTED.  
G.S. 20-141(b). INFRACTION.

The defendant has been charged with speeding inside municipal corporate limits.

For you to find the defendant responsible for this infraction, the State must prove two things beyond a reasonable doubt:

First, that the defendant drove a vehicle inside municipal corporate limits where no speed limit (other than 35 m.p.h.) was posted.

And Second, that the defendant drove a vehicle at a speed exceeding 35 m.p.h.

If you find from the evidence beyond a reasonable doubt that on or about the alleged date, the defendant drove a vehicle inside municipal corporate limits where no speed limit (other than 35 m.p.h.) was posted, at a speed exceeding 35 m.p.h., it would be your duty to return a verdict of responsible. If you do not so find or if you have reasonable doubt as to one or both of these things, it would be your duty to return a verdict of not responsible.
