

285.35 [COPY] [RETENTION] OF [A REQUEST FOR] [A COMPLETED APPLICATION FOR] [IDENTIFYING INFORMATION DISCLOSED IN A REQUEST OR APPLICATION FOR] AN ABSENTEE BALLOT. FELONY.

The defendant has been charged with the [copying] [retention] of [a request for] [a completed application for] [identifying information disclosed in a request or application for] an absentee ballot.

For you to find the defendant guilty of this offense, the State must prove two things beyond a reasonable doubt.

First, the defendant [copied] [retained] [[a request for absentee ballot] [a completed application for absentee ballot] [identifying information, that is (*describe identifying information, e.g., a social security number*¹) disclosed in a request or application for an absentee ballot]].

And Second, the defendant was not the voter, near relative of the voter, or verifiable legal guardian of the voter.

If you find from the evidence beyond a reasonable doubt that on or about the alleged date, the defendant [copied] [retained] [[a request for absentee ballot] [a completed application for an absentee ballot] [identifying information disclosed in a request or application for an absentee ballot]] and the defendant was not the voter, near relative of the voter, or verifiable legal guardian of the voter, it would be your duty to return a verdict of guilty. If you do not so find or if you have reasonable doubt as to one or both of these things, then you would return a verdict of not guilty.
