285.40 COMPENSATION BASED ON REQUESTS FOR ABSENTEE BALLOTS. FFLONY.

The defendant has been charged with [giving] [accepting] compensation based on requests for absentee ballots.

For you to find the defendant guilty of this offense, the State must prove two things beyond a reasonable doubt.

First, that the defendant [gave] [accepted] compensation.

<u>And Second</u>, that the compensation was based on the number of returned written requests<sup>1</sup> for absentee ballots.

If you find from the evidence beyond a reasonable doubt that on or about the alleged date, the defendant [gave] [accepted] compensation, and that the compensation was based on the number of returned written requests for absentee ballots, it would be your duty to return a verdict of guilty. If you do not so find or if you have a reasonable doubt as to one or both of these things, then you would return a verdict of not guilty.
