

§ 7B-2503. Dispositional alternatives for undisciplined juveniles.

The following alternatives for disposition shall be available to the court exercising jurisdiction over a juvenile who has been adjudicated undisciplined. In placing a juvenile in out-of-home care under this section, the court shall also consider whether it is in the juvenile's best interest to remain in the juvenile's community of residence. The court may combine any of the applicable alternatives when the court finds it to be in the best interests of the juvenile:

- (1) In the case of any juvenile who needs more adequate care or supervision or who needs placement, the judge may:
 - a. **Require that the juvenile be supervised in the juvenile's own home by a department of social services in the juvenile's county of residence,** a juvenile court counselor, or other personnel as may be available to the court, subject to conditions applicable to the parent, guardian, or custodian or the juvenile as the judge may specify; or
 - b. Place the juvenile in the custody of a parent, guardian, custodian, relative, private agency offering placement services, or some other suitable person; or
 - c. **Place the juvenile in the custody of a department of social services in the county of the juvenile's residence,** or in the case of a juvenile who has legal residence outside the State, in the physical custody of a department of social services in the county where the juvenile is found so that agency may return the juvenile to the responsible authorities in the juvenile's home state. **An order placing a juvenile in the custody or placement responsibility of a county department of social services shall contain a finding that the juvenile's continuation in the juvenile's own home would be contrary to the juvenile's best interest. This placement shall be reviewed in accordance with G.S. 7B-906.** The director may, unless otherwise ordered by the judge, arrange for, provide, or consent to, needed routine or emergency medical or surgical care or treatment. In the case where the parent is unknown, unavailable, or unable to act on behalf of the juvenile or juveniles, the director may, unless otherwise ordered by the judge, arrange for, provide or consent to any psychiatric, psychological, educational, or other remedial evaluations or treatment for the juvenile placed by a judge or the judge's designee in the custody or physical custody of a county department of social services under the authority of this or any other Chapter of the General Statutes. Prior to exercising this authority, the director shall make reasonable efforts to obtain consent from a parent, guardian, or custodian of the affected juvenile. If the director cannot obtain consent, the director shall promptly notify the parent, guardian, or custodian that care or treatment has been provided and shall give the parent, guardian, or custodian frequent status reports on the circumstances of the juvenile. Upon request of a parent, guardian, or custodian of the affected juvenile, the results or records of the aforementioned evaluations, findings, or treatment shall be made available to the parent, guardian, or custodian by the director unless prohibited by G.S. 122C-53(d).

§ 7B-2506. Dispositional alternatives for delinquent juveniles.

The court exercising jurisdiction over a juvenile who has been adjudicated delinquent may use the following alternatives in accordance with the dispositional structure set forth in G.S. 7B-2508:

- (1) In the case of any juvenile who needs more adequate care or supervision or who needs placement, the judge may:
 - a. **Require that a juvenile be supervised in the juvenile's own home by the department of social services in the juvenile's county**, a juvenile court counselor, or other personnel as may be available to the court, subject to conditions applicable to the parent, guardian, or custodian or the juvenile as the judge may specify; or
 - b. Place the juvenile in the custody of a parent, guardian, custodian, relative, private agency offering placement services, or some other suitable person; or
 - c. **Place the juvenile in the custody of the department of social services in the county of his residence**, or in the case of a juvenile who has legal residence outside the State, in the physical custody of a department of social services in the county where the juvenile is found so that agency may return the juvenile to the responsible authorities in the juvenile's home state. **An order placing a juvenile in the custody or placement responsibility of a county department of social services shall contain a finding that the juvenile's continuation in the juvenile's own home would be contrary to the juvenile's best interest. This placement shall be reviewed in accordance with G.S. 7B-906.** The director may, unless otherwise ordered by the judge, arrange for, provide, or consent to, needed routine or emergency medical or surgical care or treatment. In the case where the parent is unknown, unavailable, or unable to act on behalf of the juvenile or juveniles, the director may, unless otherwise ordered by the judge, arrange for, provide, or consent to any psychiatric, psychological, educational, or other remedial evaluations or treatment for the juvenile placed by a judge or his designee in the custody or physical custody of a county department of social services under the authority of this or any other Chapter of the General Statutes. Prior to exercising this authority, the director shall make reasonable efforts to obtain consent from a parent, guardian, or custodian of the affected juvenile. If the director cannot obtain consent, the director shall promptly notify the parent, guardian, or custodian that care or treatment has been provided and shall give the parent, guardian, or custodian frequent status reports on the circumstances of the juvenile. Upon request of a parent, guardian, or custodian of the affected juvenile, the results or records of the aforementioned evaluations, findings, or treatment shall be made available to the parent, guardian, or custodian by the director unless prohibited by G.S. 122C-53(d).
