NORTH CAROLINA CANDIDATES CLUB
SCHOLARSHIP APPLICATION

The North Carolina Scholarship Program was created to provide funds to individuals for the purpose of furthering the completion of their professional designation and to encourage individuals with awards upon obtaining their Professional Designation. An applicant must be a member in good standing with the International Association of Assessing Officers and the North Carolina Candidates Club. Applicants must exhaust all other resources made available for funding before applying to the Candidates Club (ie: Jeff Hunt, CAE Memorial Candidates Assistance). Authority for disbursing the funds is the sole responsibility of the North Carolina Candidates Club Scholarship Committee. The committee will not consider a candidate who is not actively working towards completing their professional designation.

Please answer all questions as completely as possible. Attach any documentation in support of your scholarship request that you wish to be considered. Mail, E-mail, or Fax all applications to the Secretary of the Candidates Club.

Applications are requested to be submitted at least 30 days prior to the 1st day of class.

Funds are awarded without regard to race, sex, or national origin of the applicant.
