UNC

Origin of Proposal

- Developed as "good government" clarification, simplification, modernization by the NC Bar Association's Zoning, Planning, and Land Use Section
- Multi-year review and comment by local governments, development community, land use lawyers

0 UNC

5

Adoption

- Introduced in 2015, passed House
- Introduced in 2017, passed Senate
- Introduced in 2019, as S.B. 448, H.B. 422
- Enacted as Part II of S.L. 2019-111 (S.B. 355)

UNC

Overview

- Consolidates city and county planning and development regulation statutes as new Chapter 160D
- Reorganizes statutes into more userfriendly framework
- Many consensus reforms to clarify and modernize provisions

Numbering Convention

- Chapter-Article-Section
- 160D-7-3

UNC

a

Delayed Effective Date

- Effective 1/1/21
- All amendments made in 2019 to statutes incorporated into Ch. 160D to be integrated prior to effective date

1 UNC

11

Geographic Jurisdiction

- No change in basic allocation between cities and counties
- County can adopt development regulation for ETJ if city fails to adopt comparable city regulation there
- Simplify county ETJ appointments to city boards

UNC

13

Geographic Jurisdiction

- Can accept and process applications and hold hearings in anticipation of jurisdiction shift
- Can mutually agree that one jurisdiction will handle development regulation if city or county boundaries split a parcel

1 UNC

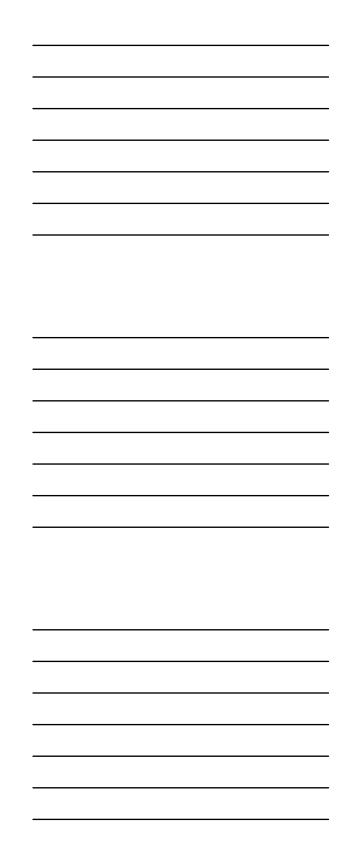

14

Boards

- Must have board to make recommendations on zoning amendments
- Simplify calculation of number of ETJ members needed
- Allow rules of procedure for each board
- · Require oath of office
- Clarify appointment process

0 UN

Notice and Hearing

- Must hold hearing for all development regulations with published notice
- Clarify "abutting properties" for mailed notice
- Clarify timing for posted notices

1 UNC

17

Plan Consistency

- Simplify plan consistency statements
- Can do with single motion
- Minutes can suffice if no formal statement
- Delete requirement to use one of three forms of statement
- FLUM deemed amended, not entire plan

UNC

Reasonableness

- Only mandatory for zoning map amendments
- · Factors set out
- Can combine plan consistency and reasonableness statements

19

Voting

- Simple majority vote on municipal first reading of development regulation amendments
- Defines prohibited "close family relationship" for legislative, quasi-judicial, and staff conflicts

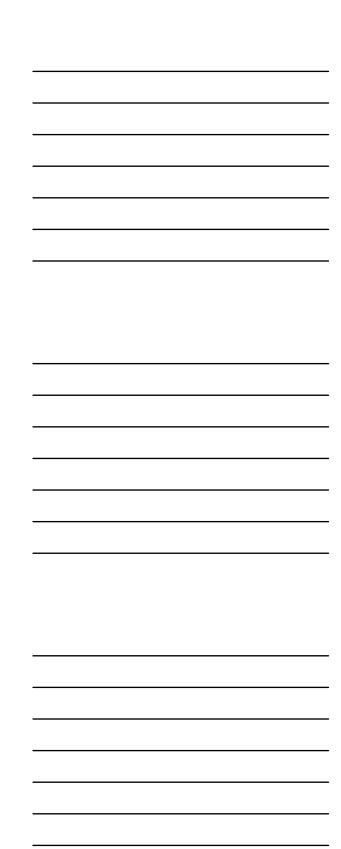

20

Eliminate CUD/Allow Form Code

- Can have conditional zoning and special use permits, but no longer as a combined process
 - Cannot have district with only special uses
 - Cannot do concurrent rezoning and special use permit
- · Allow use of form-based districts

III O

Uniform Terminology

- · All are "special use permits"
- Any former "conditional use permits" or "special exceptions" become a "SUP"

1 UNC

23

Uniform Procedures

- Same rules for all quasi-judicial by any board
- Continuation of hearing allowed
- Meeting packets allowed
- Administrative packet entered as evidence
- Anyone may be allowed to present relevant evidence, but only parties may crossexamine, object, etc.
- Advisory review allowed, but may not be used as evidence for decision

Planning Requirement Chapter 160D, Article 5

- Comprehensive plan will be required as condition of having zoning regulations
- Grace period until July 1, 2022

1 UNC

26

Plan process and updates

- No need to re-adopt existing plan
- Adoption process for future plans: same as legislative zoning decision
- · "reasonably maintained"
- Still advisory
- May be coordinated with other plans (CAMA, functional plans, regional plans)

UNC

Plan Contents May Include . . .

- Issues and opportunities facing the local government
- Pattern of desired growth and development and civic design
- · Economic development and community development
- Acceptable levels of public services and infrastructure
- · Housing with a range of types and affordability
- Recreation and open spaces.
- Mitigation of natural hazards
- Protection of the environment and natural resources
- Protection of significant architectural, scenic, cultural, historical, or archaeological resources
- Analysis and evaluation of implementation measures

UNC

28

29

General Administrative Authority

- · Chapter 160D, Article 4
- General rules applicable across development regulations (specific

UNC

New Staff Conflicts of Interest

- · Not make a decision if
 - the outcome would have a direct, substantial, and readily identifiable financial impact on the staff person
 - the staff person has a close familial, business, or other associational relationship with the applicant or other person subject to the decision
- · Prior standard is preserved
 - No financial or employment interest in development in the jurisdiction
 - No work inconsistent with duties to local government

UNC

31

Maps

- Official maps may be incorporated by reference (specific or most recent)
- Clerk or other specified office must maintain for public inspection
 - Current and past zoning maps
 - Current maps incorporated by reference
- · Paper or digital format is allowed

UNC

32

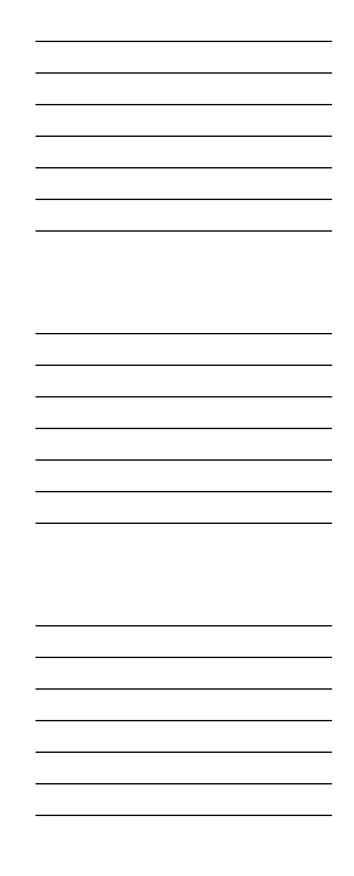

"Development Approvals"

- Written (print or electronic)
- Applications by property owner or person with lease, option, or easement on the property
- Community notice and/or informational meetings may be required
- 12-month expiration (as general rule)

T OF

Determinations

- Ordinance may designate official to make determination
- Written determination provided to the owner and requester (if different)

UNC

34

Minor Modifications

- Staff authorized to make modifications to
 - Development Approvals
 - Special Use Permits
 - Conditional Zoning
- Defined in the ordinance; parameters for amount of change
- No change in permitted uses or the density
- Major modification goes through standard approval process

UNC

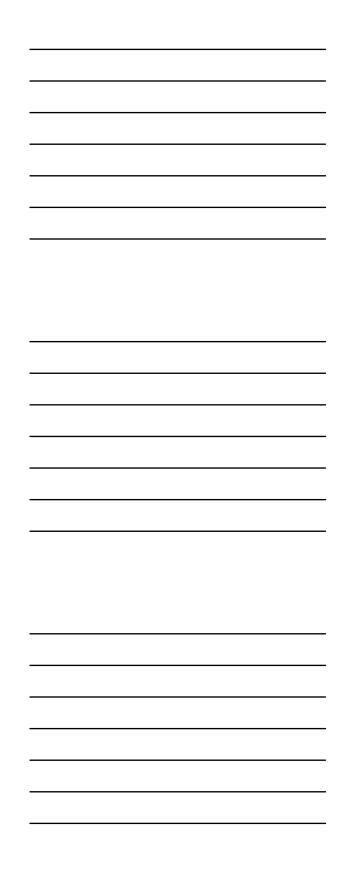

35

Exactions

 Exactions and performance guarantees are allowed for zoning regulations to the same extent and limitations as with subdivision plats

UNC

Enforcement

- Inspections
- Stop Work Orders
- Certificates of Occupancy
- Notice of Violation
- Revocation of Development Approvals
- General Enforcement (penalties, fines, court order)
- Historic Preservation Enforcement

37

Appeals of Administrative Decisions

- · Quasi-judicial process
- To board of adjustment (unless stated otherwise)
- Covers all dev. regs (state or local law may alter)
- Notice effective 3 days after the notice is mailed
- Staff decision-maker must be witness (or current office holder)
- Enforcement actions, including fines, are paused during appeal

UNC
