

IN THE SUPREME COURT OF NORTH CAROLINA

Order Adopting Amendments to the North Carolina Code of Judicial Conduct

The North Carolina Code of Judicial Conduct is hereby amended to read as follows:

Preamble

An independent and honorable judiciary is indispensable to justice in our society, and to this end and in furtherance thereof, this Code of Judicial Conduct is hereby established. A violation of this Code of Judicial Conduct may be deemed conduct prejudicial to the administration of justice that brings the judicial office into disrepute, or willful misconduct in office, or otherwise as grounds for disciplinary proceedings pursuant to Article 30 of Chapter 7A of the General Statutes of North Carolina. No other code or proposed code of judicial conduct shall be relied upon in the interpretation and application of this Code of Judicial Conduct.

Canon 1

A judge should uphold the integrity and independence of the judiciary.

A judge should participate in establishing, maintaining, and enforcing, and should personally observe, appropriate standards of conduct to ensure that the integrity and independence of the judiciary shall be preserved.

Canon 2

A judge should avoid impropriety in all the judge's activities.

A. A judge should respect and comply with the law and should conduct himself/herself at all times in a manner that promotes public confidence in the integrity and impartiality of the judiciary.

B. A judge should not allow the judge's family, social or other relationships to influence the judge's judicial conduct or

judgment. The judge should not lend the prestige of the judge's office to advance the private interest of others; nor should the judge convey or permit others to convey the impression that they are in a special position to influence the judge. A judge may, based on personal knowledge, serve as a personal reference or provide a letter of recommendation. A judge should not testify voluntarily as a character witness.

C. A judge should not hold membership in any organization that practices unlawful discrimination on the basis of race, gender, religion or national origin.

Canon 3

A judge should perform the duties of the judge's office impartially and diligently.

The judicial duties of a judge take precedence over all the judge's other activities. The judge's judicial duties include all the duties of the judge's office prescribed by law. In the performance of these duties, the following standards apply.

A. Adjudicative responsibilities.

(1) A judge should be faithful to the law and maintain professional competence in it. A judge should be unswayed by partisan interests, public clamor, or fear of criticism.

(2) A judge should maintain order and decorum in proceedings before the judge.

(3) A judge should be patient, dignified and courteous to litigants, jurors, witnesses, lawyers and others with whom the judge deals in the judge's official capacity, and should require similar conduct of lawyers, and of the judge's staff, court officials and others subject to the judge's direction and control.

(4) A judge should accord to every person who is legally interested in a proceeding, or the person's lawyer, full right to be heard according to law, and, except as authorized by law, neither knowingly initiate nor knowingly consider *ex parte* or other communications concerning a pending proceeding. A judge, however, may obtain the advice of a disinterested expert on the law applicable to a proceeding before the judge.

(5) A judge should dispose promptly of the business of the court.

(6) A judge should abstain from public comment about the merits of a pending proceeding in any state or federal court dealing with a case or controversy arising in North Carolina or addressing North Carolina law and should encourage similar abstention on the part of court personnel subject to the judge's direction and control. This subsection does not prohibit a judge from making public statements in the course of official duties; from explaining for public information the proceedings of the Court; from addressing or discussing previously issued judicial decisions when serving as faculty or otherwise participating in educational courses or programs; or from addressing educational, religious, charitable, fraternal, political, or civic organizations.

(7) A judge should exercise discretion with regard to permitting broadcasting, televising, recording, or taking photographs in the courtroom and areas immediately adjacent thereto during civil or criminal sessions of court or recesses between sessions, pursuant to the provisions of Rule 15 of the General Rules of Practice for the Superior and District Courts.

B. Administrative responsibilities.

(1) A judge should diligently discharge the judge's administrative responsibilities, maintain professional competence in judicial administration, and facilitate the performance of the administrative responsibilities of other judges and court officials.

(2) A judge should require the judge's staff and court officials subject to the judge's direction and control to observe the standards of fidelity and diligence that apply to the judge.

(3) A judge should take or initiate appropriate disciplinary measures against a judge or lawyer for unprofessional conduct of which the judge may become aware.

(4) A judge should not make unnecessary appointments. A judge should exercise the judge's power of appointment only on the basis of merit, avoiding nepotism and favoritism. A judge should not approve compensation of appointees beyond the fair value of services rendered.

C. Disqualification.

(1) On motion of any party, a judge should disqualify himself/herself in a proceeding in which the judge's impartiality may reasonably be questioned, including but not limited to instances where:

(a) The judge has a personal bias or prejudice concerning a party, or personal knowledge of disputed evidentiary facts concerning the proceedings;

(b) The judge served as lawyer in the matter in controversy, or a lawyer with whom the judge previously practiced law served during such association as a lawyer concerning the matter, or the judge or such lawyer has been a material witness concerning it;

(c) The judge knows that he/she, individually or as a fiduciary, or the judge's spouse or minor child residing in the judge's household, has a financial interest in the subject matter in controversy or in a party to the proceeding, or any other interest that could be substantially affected by the outcome of the proceeding;

(d) The judge or the judge's spouse, or a person within the third degree of relationship to either of them, or the spouse of such a person:

(i) Is a party to the proceeding, or an officer, director, or trustee of a party;

(ii) Is acting as a lawyer in the proceeding;

(iii) Is known by the judge to have an interest that could be substantially affected by the outcome of the proceeding;

(iv) Is to the judge's knowledge likely to be a material witness in the proceeding.

(2) A judge should inform himself/herself about the judge's personal and fiduciary financial interests, and make a reasonable effort to inform himself/herself about the personal financial interests of the judge's spouse and minor children residing in the judge's household.

(3) For the purposes of this section:

(a) The degree of relationship is calculated according to the civil law system;

(b) "Fiduciary" includes such relationships as executor, administrator, trustee and guardian;

(c) "Financial interest" means ownership of a substantial legal or equitable interest (*i.e.*, an interest that would be significantly affected in value by the outcome of the subject legal proceeding), or a relationship as director or other active participant in the affairs of a party, except that:

(i) ownership in a mutual or common investment fund that holds securities is not a "financial interest" in such securities unless the judge participates in the management of the fund;

(ii) an office in an educational, cultural, historical, religious, charitable, fraternal or civic organization is not a "financial interest" in securities held by the organization.

D. Remittal of disqualification.

Nothing in this Canon shall preclude a judge from disqualifying himself/herself from participating in any proceeding upon the judge's own initiative. Also, a judge potentially disqualified by the terms of Canon 3C may, instead of withdrawing from the proceeding, disclose on the record the basis of the judge's potential disqualification. If, based on such disclosure, the parties and lawyers, on behalf of their clients and independently of the judge's participation, all agree in writing that the judge's basis for potential disqualification is immaterial or insubstantial, the judge is no longer disqualified, and may participate in the proceeding. The agreement, signed by all lawyers, shall be incorporated in the record of the proceeding. For purposes of this section, *pro se* parties shall be considered lawyers.

Canon 4

A judge may participate in cultural or historical activities or engage in activities concerning the legal, economic, educational, or governmental system, or the administration of justice.

A judge, subject to the proper performance of the judge's judicial duties, may engage in the following quasi-judicial activities, if in doing so the judge does not cast substantial doubt on the judge's capacity to decide impartially any issue that may come before the judge:

A. A judge may speak, write, lecture, teach, participate in cultural or historical activities, or otherwise engage in activities concerning the economic, educational, legal, or governmental system, or the administration of justice.

B. A judge may appear at a public hearing before an executive or legislative body or official with respect to activities permitted under Canon 4A or other provision of this Code, and the judge may otherwise consult with an executive or legislative body or official.

C. A judge may serve as a member, officer or director of an organization or governmental agency concerning the activities described in Canon 4A, and may participate in its management and investment decisions. A judge may not actively assist such an organization in raising funds but may be listed as a contributor on a fund-raising invitation. A judge may make recommendations to public and private fund-granting agencies regarding activities or projects undertaken by such an organization.

Canon 5

A judge should regulate the judge's extra-judicial activities to ensure that they do not prevent the judge from carrying out the judge's judicial duties.

A. Avocational activities. A judge may write, lecture, teach, and speak on legal or non-legal subjects, and engage in the arts, sports, and other social and recreational activities, if such avocational activities do not substantially interfere with the performance of the judge's judicial duties.

B. Civic and charitable activities. A judge may participate in civic and charitable activities that do not reflect adversely upon the judge's impartiality or interfere with the performance of the judge's judicial duties. A judge may serve as an officer, director, trustee, or non-legal advisor of an educational, religious, charitable, fraternal or civic organization subject to the following limitations.

(1) A judge should not serve if it is likely that the organization will be engaged in proceedings that would ordinarily come before the judge.

(2) A judge may be listed as an officer, director or trustee of

any cultural, educational, historical, religious, charitable, fraternal or civic organization. A judge may not actively assist such an organization in raising funds but may be listed as a contributor on a fund-raising invitation.

(3) A judge may serve on the board of directors or board of trustees of such an organization even though the board has the responsibility for approving investment decisions.

C. Financial activities.

(1) A judge should refrain from financial and business dealings that reflect adversely on the judge's impartiality, interfere with the proper performance of the judge's judicial duties, exploit the judge's judicial position or involve the judge in frequent transactions with lawyers or persons likely to come before the court on which the judge serves.

(2) Subject to the requirements of subsection (1), a judge may hold and manage the judge's own personal investments or those of the judge's spouse, children, or parents, including real estate investments, and may engage in other remunerative activity not otherwise inconsistent with the provisions of this Code but should not serve as an officer, director or manager of any business.

(3) A judge should manage his/her investments and other financial interests to minimize the number of cases in which the judge is disqualified.

(4) Neither a judge nor a member of the judge's family residing in the judge's household should accept a gift from anyone except as follows:

(a) A judge may accept a gift incident to a public testimonial to the judge; books supplied by publishers on a complimentary basis for official or academic use; or an invitation to the judge and the judge's spouse to attend a bar-related function, a cultural or historical activity, or an event related to the economic, educational, legal, or governmental system, or the administration of justice;

(b) A judge or a member of the judge's family residing in the judge's household may accept ordinary social hospitality; a gift, favor or loan from a friend or relative; a wedding, engagement or other special occasion gift; a loan from a lending institution in its regular course of business on the same terms generally

available to persons who are not judges; or a scholarship or fellowship awarded on the same terms applied to other applicants;

(c) Other than as permitted under subsection C.(4)(b) of this Canon, a judge or a member of the judge's family residing in the judge's household may accept any other gift only if the donor is not a party presently before the judge and, if its value exceeds \$500, the judge reports it in the same manner as the judge reports compensation in Canon 6C.

(5) For the purposes of this section "member of the judge's family residing in the judge's household" means any relative of a judge by blood or marriage, or a person treated by a judge as a member of the judge's family, who resides in the judge's household.

(6) A judge is not required by this Code to disclose his/her income, debts or investments, except as provided in this Canon and Canons 3 and 6.

(7) Information acquired by a judge in the judge's judicial capacity should not be used or disclosed by the judge in financial dealings or for any other purpose not related to the judge's judicial duties.

D. Fiduciary activities. A judge should not serve as the executor, administrator, trustee, guardian or other fiduciary, except for the estate, trust or person of a member of the judge's family, and then only if such service will not interfere with the proper performance of the judge's judicial duties. "Member of the judge's family" includes a spouse, child, grandchild, parent, grandparent or any other relative of the judge by blood or marriage. As a family fiduciary a judge is subject to the following restrictions:

(1) A judge should not serve if it is likely that as a fiduciary the judge will be engaged in proceedings that would ordinarily come before the judge, or if the estate, trust or ward becomes involved in adversarial proceedings in the court on which the judge serves or one under its appellate jurisdiction.

(2) While acting as a fiduciary a judge is subject to the same restrictions on financial activities that apply to the judge in his/her personal capacity.

E. Arbitration. A judge should not act as an arbitrator or mediator. However, an emergency justice or judge of the

Appellate Division designated as such pursuant to Article 6 of Chapter 7A of the General Statutes of North Carolina, and an Emergency Judge of the District Court or Superior Court commissioned as such pursuant to Article 8 of Chapter 7A of the General Statutes of North Carolina may serve as an arbitrator or mediator when such service does not conflict with or interfere with the justice's or judge's judicial service in emergency status. A judge of the Appellate Division may participate in any dispute resolution program conducted at the Court of Appeals and authorized by the Supreme Court.

F. Practice of law. A judge should not practice law.

G. Extra-judicial appointments. A judge should not accept appointment to a committee, commission, or other body concerned with issues of fact or policy on matters other than those relating to cultural or historical matters, the economic, educational, legal or governmental system, or the administration of justice. A judge may represent his/her country, state or locality on ceremonial occasions or in connection with historical, educational or cultural activities.

Canon 6

A judge should regularly file reports of compensation received for quasi-judicial and extra-judicial activities.

A judge may receive compensation, honoraria and reimbursement of expenses for the quasi-judicial and extra-judicial activities permitted by this Code, subject to the following restrictions:

A. Compensation and honoraria. Compensation and honoraria should not exceed a reasonable amount.

B. Expense reimbursement. Expense reimbursement should be limited to the actual cost of travel, food and lodging reasonably incurred by the judge and, where appropriate to the occasion, by the judge's spouse. Any payment in excess of such an amount is compensation.

C. Public reports. A judge shall report the name and nature of any source or activity from which the judge received more than \$2,000 in income during the calendar year for which the report is filed. Any required report shall be made annually and filed as a public document as follows: The members of the Supreme Court shall file such reports with the Clerk of the Supreme Court; the

members of the Court of Appeals shall file such reports with the Clerk of the Court of Appeals; and each Superior Court Judge, regular, special, and emergency, and each District Court Judge, shall file such report with the Clerk of the Superior Court of the county in which the judge resides. For each calendar year, such report shall be filed, absent good cause shown, not later than May 15th of the following year.

Canon 7

A judge may engage in political activity consistent with the judge's status as a public official.

The provisions of Canon 7 are designed to strike a balance between two important but competing considerations: (1) the need for an impartial and independent judiciary and (2) in light of the continued requirement that judicial candidates run in public elections as mandated by the Constitution and laws of North Carolina, the right of judicial candidates to engage in constitutionally protected political activity. To promote clarity and to avoid potentially unfair application of the provisions of this Code, subsection B of Canon 7 establishes a safe harbor of permissible political conduct.

A. Terminology. For the purposes of this Canon only, the following definitions apply.

(1) A "candidate" is a person actively and publicly seeking election to judicial office. A person becomes a candidate for judicial office as soon as the person makes a public declaration of candidacy, declares or files as a candidate with the appropriate election authority, authorizes solicitation or acceptance of contributions or public support, or sends a letter of intent to the chair of the Judicial Standards Commission. The term "candidate" has the same meaning when applied to a judge seeking election to a non-judicial office.

(2) To "solicit" means to directly, knowingly and intentionally make a request, appeal or announcement, public or private, oral or written, whether in person or through the press, radio, television, telephone, Internet, billboard, or distribution and circulation of printed materials, that expressly requests other persons to contribute, give, loan or pledge any money, goods, labor, services or real property interest to a specific

individual's efforts to be elected to public office.

(3) To "endorse" means to knowingly and expressly request, appeal or announce publicly, orally or in writing, whether in person or through the press, radio, television, telephone, Internet, billboard or distribution and circulation of printed materials, that other persons should support a specific individual in that person's efforts to be elected to public office.

B. Permissible political conduct. A judge or a candidate may:

(1) attend, preside over, and speak at any political party gathering, meeting or other convocation, including a fund-raising function for himself/herself, another individual or group of individuals seeking election to office and the judge or candidate may be listed or noted within any publicity relating to such an event, so long as he/she does not expressly endorse a candidate (other than himself/herself) for a specific office or expressly solicit funds from the audience during the event;

(2) if a judge is a candidate, endorse any individual seeking election to any office or conduct a joint campaign with and endorse other individuals seeking election to judicial office, including the solicitation of funds for a joint judicial campaign;

(3) identify himself/herself as a member of a political party and make financial contributions to a political party or organization; provided, however, that he/she may not personally make financial contributions or loans to any individual seeking election to office (other than himself/herself) except as part of a joint judicial campaign as permitted in subsection B(2);

(4) personally solicit campaign funds and request public support from anyone for his/her own campaign or, alternatively, and in addition thereto, authorize or establish committees of responsible persons to secure and manage the solicitation and expenditure of campaign funds;

(5) become a candidate either in a primary or in a general election for a judicial office provided that the judge should resign the judge's judicial office prior to becoming a candidate either in a party primary or in a general election for a non-judicial office;

(6) engage in any other constitutionally protected political

activity.

C. Prohibited political conduct. A judge or a candidate should not:

(1) solicit funds on behalf of a political party, organization, or an individual (other than himself/herself) seeking election to office, by specifically asking for such contributions in person, by telephone, by electronic media, or by signing a letter, except as permitted under subsection B of this Canon or otherwise within this Code;

(2) endorse a candidate for public office except as permitted under subsection B of this Canon or otherwise within this Code;

(3) intentionally and knowingly misrepresent his/her identity or qualifications.

D. Political conduct of family members. The spouse or other family member of a judge or a candidate is permitted to engage in political activity.

Limitation of Proceedings

Disciplinary proceedings to redress alleged violations of Canon 7 of this Code must be commenced within three months of the act or omission allegedly giving rise to the violation. Disciplinary proceedings to redress alleged violations of all other provisions of this Code must be commenced within three years of the act or omission allegedly giving rise to the violation; provided, however, that disciplinary proceedings may be instituted at any time against a judge convicted of a felony during the judge's tenure in judicial office.

Scope and Effective Date of Compliance

The provisions of Canon 7 of this Code shall apply to judges and candidates for judicial office. The other provisions of this Code shall become effective as to a judge upon the administration of the judge's oath to the office of judge; provided, however, that it shall be permissible for a newly installed judge to facilitate or assist in the transfer of the judge's prior duties as legal counsel but the judge may not be compensated therefor.

The two Vice-Chairpersons shall be assigned to different panels and each shall preside over their respective panel meetings in the absence of the Chairperson. No member, other than the Commission Chairperson who shall preside over all disciplinary recommendation hearings, who has served on an investigative panel for a particular inquiry shall serve upon the hearing panel for the same matter. Should both panels of the Commission meet jointly, and the Chairperson not be present, then the Vice-Chairperson with the longest tenure of service on the Commission shall preside.

(c) The full Commission shall meet on the call of the Chairperson or upon the written request of any five (5) members. Each panel of the Commission shall meet every other month, unless prevented by exigent circumstances, such as inclement weather, emergency, or unresolvable conflict with court calendars, alternating such meetings with the other panel, or upon the call of the Chairperson. Hearing panels shall also meet as needed to conduct disciplinary recommendation hearings upon the call of the Chairperson. Each member of the Commission, including the Chairperson, Vice-Chairpersons, or other presiding member shall be a voting member.

(d) A quorum for the conduct of business of the full Commission shall consist of any nine (9) members. A quorum for the conduct of the business of a panel shall consist of five (5) members. A quorum for the conduct of any disciplinary recommendation proceeding instituted pursuant to Rule 12 shall consist of five (5) members of the panel assigned to hear the proceeding. The affirmative vote of five (5) members of a hearing panel is required to make a recommendation to the Supreme

Court that a judge be issued a public reprimand, censured, suspended, or removed from office.

(e) The Commission shall ordinarily meet in Raleigh, but may meet anywhere in the State. The Commission's address is P.O. Box 1122, Raleigh, N.C. 27602.

 - (A) With the approval of the Commission, the investigative officer may notify respondent that a complaint has been received and may disclose to respondent the name of the person making the complaint.
 - (B) The Commission may inform a complainant or potential witness of the date when respondent is first notified that a complaint alleging misconduct or incapacity has been filed with the Commission.
 - (C) When the Commission has determined that there is a need to notify another person or agency in order to protect the public or the administration of justice.
 - (D) In any case in which a complaint filed with the Commission is made public by the complainant, the judge involved, independent sources, or by

rule of law, the Commission may issue such statements of clarification and correction as it deems appropriate in the interest of maintaining confidence in the justice system. Such statements may address the status and procedural aspects of the proceeding, the judge's right to a fair hearing in accordance with due process requirements, and any official action of disposition by the Commission, including release of its written notice to the complainant or the judge of such action or disposition.

(E) In any case in which the Commission initiates a formal investigation that would create a reasonable conflict of interest for the respondent judge if he or she were to proceed in adjudicating a matter involving the complainant, the identity of the complainant may be made known to the respondent judge to facilitate recusal.

(2) The fact that a complaint has been made, or that a statement has been given to the Commission, shall be confidential during the investigation and initial proceeding except as provided in this Rule.

(3) No person providing information to the Commission shall disclose information they have obtained from the Commission concerning the investigation, including the fact that an investigation is being conducted, unless and until the Supreme Court orders any disciplinary action taken against the respondent.

(4) The work product of the Commission members, its Executive Director, Commission Counsel and investigator shall be confidential and shall not be disclosed.

(5) Where a complaint has been made to the State Ethics Commission and the Ethics Commission has forwarded the complaint to the Judicial Standards Commission and, as required by statute, notified the respondent judge of the complaint, the Judicial Standards Commission may, at its discretion, confirm the receipt and disposition of the complaint upon inquiry of the judge so notified.

(b) Commission Deliberations. All deliberations of the Commission in reaching a decision on the statement of charges or a recommendation to the Supreme Court shall be confidential and shall not be disclosed.

(c) General Applicability.

(1) No person shall disclose information obtained from Commission proceedings or papers filed only with the Commission, except information obtained from documents disclosed to the public by the Commission pursuant to this Rule.

(2) Any person violating the confidentiality requirements of this Rule 6 may be subject to punishment for contempt.

(3) A judge shall not intimidate, coerce, or otherwise attempt to induce any person to

disclose, conceal or alter records, papers, or information made confidential by the Rule. A violation of this subsection may be charged as a separate violation of the Code of Judicial Conduct.

(4) All written communications from the Commission or its employees to a judge or his or her counsel which are deemed confidential pursuant to these rules shall be enclosed in a securely sealed inner envelope which is clearly marked "Confidential".

(d) After Investigation by the Commission and Findings of Misconduct by the Supreme Court.

(1) If, after an investigation is completed, the Commission concludes that disciplinary proceedings should be instituted, the notice and statement of charges filed by the Commission, along with the answer and all other pleadings, remain confidential. Disciplinary hearings ordered by the Commission are confidential, and recommendations of the Commission to the Supreme Court, along with the record filed in support of such recommendations are confidential. Testimony and other evidence presented to the Commission is privileged in any action for defamation.

(2) Upon issuance of a public reprimand, censure, suspension, or removal by the Supreme Court, the notice and statement of charges filed by the Commission along with the answer and all other pleadings, and recommendations of the Commission to the Supreme Court along with the record filed in support of such recommendations, are no longer confidential.

RULE 7. DISQUALIFICATION

A judge who is a member of the Commission is disqualified from acting in any case in which he or she is a respondent, except in his or her own defense.

RULE 8. ADVISORY OPINIONS

(a) A judge may seek an informal advisory opinion as to whether conduct, actual or contemplated, conforms to the requirements of the Code of Judicial Conduct. Such informal advisory opinion may be requested verbally or in writing. The Chairperson, Executive Director, or Counsel may grant or deny a request for an informal advisory opinion. Information contained in a request for an informal advisory opinion shall be confidential, however, when a request for an informal advisory opinion discloses actual conduct which may be actionable as a violation of the Code of Judicial Conduct, the Chairperson, Executive Director, or Counsel shall refer the matter to an investigative panel of the Commission for consideration. The Chairperson, Executive Director, or Counsel may issue an informal advisory opinion to guide the inquiring judge's own prospective conduct if the inquiry is routine, the responsive advice is readily available from the Code of Judicial Conduct and formal Commission opinions, or the inquiry requires immediate response to protect the inquiring judge's right or interest. An informal advisory opinion may be issued verbally, but shall be confirmed in writing and shall approve or disapprove only the matter in issue and shall not otherwise serve as precedent and shall not be published. An inquiry requesting an opinion concerning past conduct or

that presents a matter of first impression shall be referred to the Commission for formal opinion. Such informal advisory opinions shall be reviewed periodically by the Commission and, if upon such review, a majority of the Commission present and voting decided that such informal advisory opinion should be withdrawn or modified, the inquiring judge shall be notified in writing by the Executive Director. Until such notification, the judge shall be deemed to have acted in good faith if he or she acts in conformity with the informal advisory opinion which is later withdrawn or modified. If an inquiring judge disagrees with the informal advisory opinion issued by the Chairperson, Executive Director, or Counsel, such judge may submit a written request, in accordance with subsection (b), for consideration of the inquiry by the Commission at its next regularly scheduled meeting.

(b) Any person may request that the Commission issue a formal opinion as to whether actual or contemplated conduct on the part of a judge conforms to the requirements of the Code of Judicial Conduct. Such requests for formal opinions shall be submitted to the Executive Director. Information contained in a request for a formal opinion shall not be confidential. The Commission shall determine whether to issue a formal opinion in response to such request; if the Commission determines to issue a formal opinion, it shall prepare a formal written opinion which shall state its conclusion with respect to the question asked and the reason therefor. Such formal opinions shall be provided to interested parties in the manner deemed appropriate by the Chairperson and a copy shall be provided the Appellate Reporter for publication and such Reporter shall, from time to time as directed by the Commission, publish an index of advisory opinions. Formal advisory opinions shall have precedential value in determining whether similar conduct conforms to the Code of Judicial Conduct, but shall not constitute controlling legal authority for the purposes of review of a disciplinary recommendation by a reviewing court. A formal opinion may be reconsidered or withdrawn by the Commission in the same manner in which it was issued. Until a formal advisory opinion is modified or withdrawn by the Commission or overturned by a reviewing court, a judge shall be deemed to have acted in good faith if he or she acts in conformity therewith.

(c) All inquiries, whether requesting a formal opinion or an informal advisory opinion, shall present in detail all operative facts upon which the inquiry is based, but should not disclose privileged or sensitive information which is not necessary to the resolution of the question presented.

RULE 9. PROCEDURE UPON RECEIPT OF COMPLAINT OR INFORMATION

(a) The Executive Director and Commission Counsel shall review each complaint or information received by the Commission to determine whether the complaint or information, if true, discloses facts indicating that a judge has engaged in conduct which is in violation of the Code of Judicial Conduct, has engaged in willful misconduct in office, has willfully and persistently failed to perform the duties of his or her judicial office, has engaged in conduct prejudicial to the administration of justice that brings the judicial office into disrepute, or is habitually intemperate, or alleging that a judge is suffering from a mental or physical incapacity interfering with the performance of his duties, which incapacity is, or is likely to become, permanent.

(1) If such initial review discloses no such facts so that the complaint is obviously unfounded or frivolous, the Executive Director shall notify the Chairperson who, if he or she agrees, may dismiss the complaint. The Chairperson shall inform the investigative panel of any such dismissal at the panel's next meeting and, upon the

request of any member, such determination may be reconsidered; otherwise the dismissal of the complaint shall be final and the complainant shall be notified.

(2) If such initial review discloses no such facts so that the complaint is obviously unfounded and frivolous, and the complaint substantially conforms to an abuse of the complaint process, the Executive Director shall notify the Chairperson, who, if he or she agrees, may dismiss the complaint and recommend that the complainant be barred from further complaints to the Commission. The Chairperson shall inform the investigative panel of any such dismissal and recommended bar at the panel's next meeting and, upon the request of any member, such dismissal may be reconsidered. Provided, a recommended bar of further complaints by the complainant shall be ordered only upon the affirmative finding of the panel, by clear and convincing evidence, that the complainant has abused the complaint process by one or more of the following:

(A) Abusive or threatening language directed toward the staff, Commission, or judiciary;

(B) Knowingly filing false information with the Commission;

(C) Repeated demands to rehear a complaint already reviewed and dismissed with no new or significantly different allegations or evidence, or repeated demands to rehear a complaint already determined to be outside of the time period allowed for review of alleged misconduct by the Commission;

(D) Complaints which maintain that the complainant is not subject to the authority of the State of North Carolina, its laws, rules, or procedures and refuse to recognize the authority of the General Statutes of North Carolina over the Commission's operations and procedures;

(b) If a complaint or information is not dismissed as frivolous or unfounded, the Executive Director and Investigator shall conduct such preliminary review as may be necessary to apprise the investigative panel of the nature thereof, and such panel shall review the complaint or information at the next meeting occurring after the complaint or information is received.

(c) If the investigative panel, by the affirmative vote of not less than five (5) members, determines that the complaint alleges, or information discloses, facts indicating that a judge has engaged in conduct which is in violation of the Code of Judicial Conduct, has engaged in willful misconduct in office, has willfully and persistently failed to perform the duties of his or her judicial office, has engaged in conduct prejudicial to the administration of justice that brings the judicial office into disrepute, or is habitually intemperate, or alleging that a judge is suffering from a mental or physical incapacity interfering with the performance of his duties, which incapacity is, or is likely to become, permanent, such panel shall order a formal investigation to determine whether disciplinary proceedings or health-related retirement should be recommended.

(d) The judge shall be notified of the formal investigation, the nature of the allegations which the Commission is investigating, and whether the formal investigation is on the Commission's own motion or upon written complaint. The notice shall afford the judge a reasonable opportunity to present such relevant information as he or she may deem advisable. Such notice shall be in writing and may be personally delivered by the Chairperson, Executive Director, Commission Counsel, or Investigator, or it may be delivered by certified mail, return receipt requested.

(e) If, upon ordering a formal investigation in accordance with subparagraph (d) above, the investigative panel determines that immediate suspension of the judge is required for the proper administration of justice, it may recommend to the Chief Justice that such judge be temporarily suspended from the performance of his or her judicial duties pending final disposition of the inquiry. A copy of such recommendation shall be provided the judge by certified mail, return receipt requested.

RULE 10. RECORD OF PROCEEDINGS

The Commission shall keep a record of all formal investigations and disciplinary recommendation proceedings concerning a judge. In disciplinary recommendation hearings, testimony shall be recorded verbatim by a court reporter and by video recording and, if the Commission recommends to the Supreme Court that the judge be disciplined, a transcript of the evidence and all proceedings therein shall be prepared, including a video recording of the testimony of all witnesses who testify at the disciplinary recommendation hearing, and made a part of the record.

RULE 11. LETTER OF CAUTION

If the inquiry discloses conduct by a judge which requires attention but is not of such a nature as to warrant a recommendation by Commission that the judge be disciplined by the Supreme Court, the investigative panel may issue a letter of caution to the judge. No letter of caution may be issued after a disciplinary recommendation proceeding has been initiated pursuant to Rule 12.

RULE 12. INITIATION OF DISCIPLINARY RECOMMENDATION PROCEEDINGS

If, after completion of the formal investigation, the investigative panel determines, by the affirmative vote of not less than five (5) members, that probable cause exists that a judge has:

- (a) violated the Code of Judicial Conduct and engaged in conduct prejudicial to the administration of justice and that such conduct, if proven, would warrant a recommendation by the Commission that the judge receive a public reprimand by the Supreme Court, that may require that the judge follow a corrective course of action or, be disciplined by the Supreme Court; or
- (b) that a judge is temporarily incapacitated or is suffering from an incapacity which is, or is likely to become, permanent; then,

the Commission shall initiate disciplinary recommendation proceedings by the filing, at the

Commission offices, a Statement of Charges alleging the charge or charges. The Statement of Charges shall identify the complainant and state the charge or charges in plain and concise language and in sufficient detail to give fair and adequate notice of the nature of the alleged conduct or incapacity. The Statement of Charges shall be entitled "BEFORE THE JUDICIAL STANDARDS COMMISSION, Inquiry Concerning a Judge No. ____." A copy of the Statement of Charges shall be personally served upon the respondent judge by the Chairperson, the Executive Director, the Commission's Investigator, or by some person of suitable age and discretion designated by the Commission. If, after reasonable efforts to do so, personal service upon the respondent judge cannot be effected, service may be made by registered or certified mail with a delivery receipt, and proof of service in accordance with N.C. Gen. Stat. § 1-75.10(4) shall be filed with the Commission. Service of a copy of the Statement of Charges shall constitute notice to the respondent judge of the initiation of disciplinary recommendation proceedings.

RULE 13. ANSWER

Unless the time is extended by order of the Commission, the respondent judge shall file at the Commission offices, within twenty (20) days after service of the Statement of Charges, a written original and 10 copies of an Answer, which shall be verified. The Statement of Charges and Answer shall constitute the pleadings. No further pleadings may be filed, and no motions may be filed against any of the pleadings. The assertion of a mental or physical condition as a defense by the respondent judge shall constitute a waiver of medical privilege for the purpose of the Commission proceeding.

Failure to answer the Statement of Charges shall constitute an admission of the factual allegations contained in the Statement of Charges.

RULE 14. EX PARTE CONTACTS

After the filing of a Statement of Charges and disciplinary recommendation proceedings by the Commission, members of the Commission shall not engage in *ex parte* communications regarding the matter with the respondent judge, counsel for the respondent judge, Commission counsel, or any witness, except that Commission members may communicate with Commission staff and others with respect to procedural and administrative matters as may be required to perform their duties in accordance with these rules.

RULE 15. DISCOVERY

(a) Upon written demand after the time for filing an Answer has expired, Commission Counsel and respondent judge will each disclose to the other, within 20 days after such demand, the following:

- (1) the name and address of each witness the party expects to offer at the disciplinary recommendation hearing;
- (2) a brief summary of the expected testimony of each witness;
- (3) copies of any written statement and a transcript of any electronically recorded statement made by any person the party anticipates calling as a witness;

(4) copies of documentary evidence which may be offered;

(b) Failure to disclose the name of any witness, or to provide any material required to be disclosed by section (a) may result in the exclusion of the testimony of such witness or the documentary evidence which was not provided.

(c) Commission Counsel shall provide the respondent judge with any exculpatory evidence of which he or she is aware and which is relevant to the allegations of the complaint.

(d) Both Commission Counsel and respondent judge shall have a continuing duty to supplement information required to be exchanged under this rule.

(e) The taking of depositions, serving of requests for admission, and other discovery procedures authorized by the Rules of Civil Procedure, shall be permitted only by stipulation of the parties or by order of the Commission Chairperson for good cause shown, and in such manner and upon such conditions as the Chairperson may prescribe.

(f) Disputes concerning discovery shall be determined by the Chairperson, whose decision may not be appealed prior to the conclusion of the disciplinary recommendation hearing and the entry of a recommendation for discipline or other final order by the Commission.

(g) Unless the time is extended by order of the Commission, all discovery shall be completed within 60 days of the filing of the answer.

RULE 16. AMENDMENTS TO NOTICE OR ANSWER

At any time prior to the conclusion of the disciplinary recommendation hearing, the hearing panel may allow or require amendments to the Statement of Charges or to the Answer. The Statement of Charges may be amended to conform to the proof or to set forth additional facts, whether occurring before or after the commencement of the disciplinary recommendation hearing. In the event of an amendment setting forth additional facts, the respondent judge shall be given a reasonable time to answer the amendment and to prepare and present his or her defense to the matters charged thereby.

RULE 17. DISCIPLINARY RECOMMENDATION HEARING

Upon the filing of an Answer, or upon the expiration of the time allowed for its filing, the hearing panel shall order a disciplinary recommendation hearing before it upon the charges contained in the Statement of Charges. The disciplinary recommendation hearing shall be held no sooner than 60 days after filing of the Answer or, if no Answer is filed, 60 days after the expiration of time allowed for its filing, unless the judge consents to an earlier disciplinary recommendation hearing. The Commission shall serve a notice of the disciplinary recommendation hearing upon the respondent judge in the same manner as service of the Statement of Charges under Rule 12.

Upon the date set for the disciplinary recommendation hearing, such disciplinary recommendation hearing shall proceed whether or not the respondent judge has filed an Answer,

and whether or not he or she appears in person or through counsel. At least six members, or alternates, shall be present continually during the presentation of evidence at the disciplinary recommendation hearing.

Commission Counsel, or other counsel appointed by the Commission for that purpose, shall present evidence in support of the charges alleged in the Statement of Charges. Commission counsel may call the respondent judge as a witness.

The disciplinary recommendation hearing shall be recorded verbatim in accordance with the provisions of Rule 10.

RULE 18. RIGHTS OF RESPONDENT; BURDEN OF PROOF

The respondent judge shall have the right to representation by counsel and the opportunity to defend against the charges by the introduction of evidence, examination and cross-examination of witnesses and to address the hearing panel in argument at the conclusion of the disciplinary recommendation hearing. The respondent judge shall also have the right to the issuance of subpoenas to compel the attendance of witnesses or the production of documents and other evidentiary material.

Upon the entry of an appearance by counsel for the respondent judge, a copy of any notices, pleadings, or other written communications sent to the respondent judge shall be furnished to such counsel by the Executive Director.

Commission Counsel shall have the burden of proving the existence of grounds for a recommendation of discipline by clear, cogent and convincing evidence, as that term is defined by the Supreme Court.

RULE 19. WITNESSES; OATHS; SUBPOENAS

The respondent judge and the Commission shall have the right to call witnesses to testify to the character of the respondent and any genuine dispute of material facts between the parties in the disciplinary recommendation hearing. Neither the respondent judge nor the Commission shall call more than four character witnesses in such a proceeding. Additional character witnesses may submit affidavits or be identified and tendered for the record. Neither the respondent judge nor the Commission shall be limited in the number of witnesses called to testify to material facts in a disciplinary recommendation hearing.

Every witness who testifies before the hearing panel at a disciplinary recommendation hearing shall be required to declare, by oath or affirmation, to testify truthfully. The oath or affirmation may be administered by any member of the Commission. A subpoena to compel the attendance of a witness at a disciplinary recommendation hearing before the Commission, or a subpoena for the production of documentary evidence, shall be issued in the name of the State upon request of any party, and shall be signed by a member of the Commission, by the Executive Director, or by Commission Counsel. A subpoena shall be served, without fee, by any officer authorized to serve a subpoena pursuant to the provisions of N.C. Gen. Stat. § 1A-1, Rule 45(b).

Witnesses shall be reimbursed in the manner provided in civil cases in the General Court of Justice, and their expenses shall be borne by the party calling them unless, when mental or physical disability of the judge is in issue, in which case the Commission shall bear the reasonable expenses of the witnesses whose testimony is related to the disability. Vouchers authorizing disbursements by the Commission for witnesses shall be signed by the Chairperson or Executive Director.

RULE 20. RULES OF EVIDENCE

Except as otherwise provided in these rules, the Rules of Evidence as set forth in Chapter 8C of the North Carolina General Statutes shall apply in all disciplinary recommendation hearings under these rules. Rulings on evidentiary matters shall be made by the Chairperson, or by member presiding in the absence of the Chairperson.

RULE 21. MEDICAL EXAMINATION

When the mental or physical condition or health of the respondent judge is in issue, a denial of the alleged condition shall constitute a waiver of medical privilege for the purpose of the Commission proceeding, and the respondent judge shall be required to produce, upon request of Commission Counsel, his or her medical records relating to such condition. The respondent judge shall also be deemed to have consented to a physical or mental examination by a qualified licensed physician or physicians designated by the Commission. A copy of the report of such examination shall be provided to the respondent judge and to the Commission. The examining physician or physicians shall receive the fee of an expert witness, to be set by the Commission.

RULE 22. STIPULATIONS

At any time prior to the conclusion of a disciplinary recommendation hearing, the respondent judge may stipulate to any or all of the allegations of the Statement of Charges in exchange for a stated disposition, which may include a stated recommendation to the Supreme Court for discipline. The stipulation shall be in writing and shall set forth all material facts relating to the proceeding and the conduct of respondent. The stipulation shall be signed by the respondent judge, his or her counsel, and by Commission Counsel. The stipulation shall be submitted to the hearing panel, which shall either approve the stipulation or reject it. If the stipulation provides for a stated recommendation for discipline, it must be approved by the affirmative vote of not less than five members of the hearing panel. If the stipulation is rejected by the hearing panel, it shall be deemed withdrawn and will not be considered in any proceedings before, or deliberations of, the hearing panel. If the hearing panel approves the stipulation, it shall prepare a written recommendation to the Supreme Court consistent therewith and transmit such recommendation in accordance with the provisions of Rules 24 and 25.

RULE 23. CONTEMPT POWERS

The Commission has the same power as a trial court of the General Court of Justice to punish for contempt, or for refusal to obey lawful orders or process of the Commission. See N.C.

Gen. Stat. § 7A-377(d).

RULE 24. PROCEDURE FOLLOWING DISCIPLINARY RECOMMENDATION HEARING

At the conclusion of the disciplinary recommendation hearing, the hearing panel shall deliberate and determine whether to dismiss the proceeding or to file a recommendation with the Supreme Court. In all cases, the Executive Director shall notify the respondent judge in writing of the decision of the hearing panel within 60 days after the conclusion of the disciplinary recommendation hearing, unless the time is extended by order of the Chairperson.

At least five members of the Commission must concur in any recommendation to issue a public reprimand, censure, suspend, or remove any judge. If the hearing panel reaches a decision to recommend the public reprimand, censure, suspension or removal of a judge, the Executive Director shall prepare a proposed record of the proceedings and a written decision setting forth the hearing panel's findings of fact, conclusions of law, and recommendation. The proposed record of the proceeding shall include a verbatim transcript of the disciplinary recommendation hearing as well as a copy of the video recording of such disciplinary recommendation hearing. Such proposed record and decision shall be served upon the respondent judge and his or her counsel, if any, in the same manner as service of the complaint under Rule 12.

RULE 25. TRANSMITTAL OF RECORD TO THE SUPREME COURT

A respondent who is recommended for public reprimand, censure, suspension, or removal is entitled to a copy of the proposed record to be filed with the Supreme Court, and if the respondent has objections to it, to have the record settled by the Commission's chair. Unless the respondent judge files objections to the proposed record, or a proposed alternative record, within 10 days after the proposed record and the recommendation of the hearing panel have been served upon him or her, the proposed record shall constitute the official record. If the respondent judge files objections or a proposed alternative record, the Commission Chairperson shall send written notice to Commission Counsel and to the respondent judge and his or her counsel, setting a time and place for a hearing to settle the record, and the record as settled by the Commission Chairperson shall be the official record.

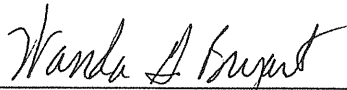

Within 10 days after the official record has been settled, the Executive Director shall certify the record and decision of the Commission and file it with the Clerk of the Supreme Court. The Executive Director shall concurrently serve upon the respondent judge, in the same manner as service of the complaint under Rule 12, a notice of the filing of such record and decision, specifying the date upon which it was filed in the Supreme Court. The Executive Director shall also transmit to the respondent judge copies of any changes to the official record occurring as a result of the settlement of the record.

RULE 26. PROCEEDINGS IN THE SUPREME COURT

The respondent is entitled to present a brief and to argue the respondent's case, in person and through counsel, to the Supreme Court. Proceedings in the Supreme Court shall be as prescribed by Supreme Court Rule. See N.C. Gen. Stat. § 7A-33 and The Rules for Review of

Article 30.
Judicial Standards Commission.

▸ **7A-374.1. Purpose.**

The purpose of this Article is to provide for the investigation and resolution of inquiries concerning the qualification or conduct of any judge or justice of the General Court of Justice. The procedure for discipline of any judge or justice of the General Court of Justice shall be in accordance with this Article. Nothing in this Article shall affect the impeachment of judges under the North Carolina Constitution, Article IV, Sections 4 and 17. (2006-187, s. 11.)

▸ **7A-374.2. Definitions.**

Unless the context clearly requires otherwise, the definitions in this section shall apply throughout this Article:

- (1) "Censure" means a finding by the Supreme Court, based upon a written recommendation by the Commission, that a judge has willfully engaged in misconduct prejudicial to the administration of justice that brings the judicial office into disrepute, but which does not warrant the suspension of the judge from the judge's judicial duties or the removal of the judge from judicial office. A censure may require that the judge follow a corrective course of action. Unless otherwise ordered by the Supreme Court, the judge shall personally appear in the Supreme Court to receive a censure.
- (2) "Commission" means the North Carolina Judicial Standards Commission.
- (3) "Incapacity" means any physical, mental, or emotional condition that seriously interferes with the ability of a judge to perform the duties of judicial office.
- (4) "Investigation" means the gathering of information with respect to alleged misconduct or disability.
- (5) "Judge" means any justice or judge of the General Court of Justice of North Carolina, including any retired justice or judge who is recalled for service as an emergency judge of any division of the General Court of Justice.
- (6) "Letter of caution" means a written action of the Commission that cautions a judge not to engage in certain conduct that violates the Code of Judicial Conduct as adopted by the Supreme Court.
- (7) "Public reprimand" means a finding by the Supreme Court, based upon a written recommendation by the Commission that a judge has violated the Code of Judicial Conduct and has engaged in conduct prejudicial to the administration of justice, but that misconduct is minor. A public reprimand may require that the judge follow a corrective course of action.
- (8) "Remove" or "removal" means a finding by the Supreme Court, based upon a written recommendation by the Commission, that a judge should be relieved of all duties of the judge's office and disqualified from holding further judicial office.
- (9) "Suspend" or "suspension" means a finding by the Supreme Court, based upon a written recommendation by the Commission, that a judge should be relieved of the duties of the judge's office for a period of time, and upon conditions, including those regarding treatment and compensation, as may be specified by the Supreme Court. (2006-187, s. 11; 2013-404, s. 1.)

▪ **7A-375. Judicial Standards Commission.**

(a) The Judicial Standards Commission shall consist of the following residents of North Carolina: one Court of Appeals judge, two superior court judges, and two district court judges, each appointed by the Chief Justice of the Supreme Court; four members of the State Bar who have actively practiced in the courts of the State for at least 10 years, elected by the State Bar Council; and four citizens who are not judges, active or retired, nor members of the State Bar, two appointed by the Governor, and two appointed by the General Assembly in accordance with G.S. 120-121, one upon recommendation of the President Pro Tempore of the Senate and one upon recommendation of the Speaker of the House of Representatives. The Court of Appeals judge shall act as chair of the Commission.

(b) The Court of Appeals judge shall serve at the pleasure of the Chief Justice. Terms of other Commission members shall be for six years. No member who has served a full six-year term is eligible for reappointment. If a member ceases to have the qualifications required for the member's appointment, that person ceases to be a member. Vacancies of members, other than those appointed by the General Assembly, are filled in the same manner as the original appointment, for the remainder of the term. Vacancies of members appointed by the General Assembly are filled as provided under G.S. 120-122. Members who are not judges are entitled to per diem and all members are entitled to reimbursement for travel and subsistence expenses at the rate applicable to members of State boards and commissions generally, for each day engaged in official business.

(c) If a member of the Commission who is a judge becomes disabled, or becomes a respondent before the Commission, the Chief Justice shall appoint an alternate member to serve during the period of disability or disqualification. The alternate member shall be from the same division of the General Court of Justice as the judge whose place the alternate member takes. If a member of the Commission who is not a judge becomes disabled, the Governor, if he appointed the disabled member, shall appoint, or the State Bar Council, if it elected the disabled member, shall elect, an alternate member to serve during the period of disability. If a member of the Commission who is not a judge and who was appointed by the General Assembly becomes disabled, an alternate member shall be appointed to serve during the period of disability in the same manner as if there were a vacancy to be filled under G.S. 120-122. In a particular case, if a member becomes disqualified, or is successfully challenged for cause, the member's seat for that case shall be filled by an alternate member selected as provided in this subsection.

(d) A member may serve after expiration of the member's term only to participate until the conclusion of a disciplinary proceeding begun before expiration of the member's term. Such participation shall not prevent the successor from taking office, but the successor may not participate in the proceeding for which the predecessor's term was extended. This subsection shall apply also to any judicial member whose membership on the Commission is automatically terminated by retirement or resignation from judicial office, or expiration of the term of judicial office.

(e) Members of the Commission and its employees are immune from civil suit for all conduct undertaken in the course of their official duties.

(f) The chair of the Commission may employ, if funds are appropriated for that purpose, an executive director, Commission counsel, investigator, and any support staff as may be necessary to assist the Commission in carrying out its duties. With the approval of the Chief Justice, for specific cases, the chair also may employ special counsel or call upon the Attorney General to furnish

counsel. In addition, with the approval of the Chief Justice, for specific cases, the chair or executive director also may call upon the Director of the State Bureau of Investigation to furnish an investigator who shall serve under the supervision of the executive director. While performing duties for the Commission, the executive director, counsel, and investigator have authority throughout the State to serve subpoenas or other process issued by the Commission in the same manner and with the same effect as an officer authorized to serve process of the General Court of Justice.

(g) The Commission may adopt, and may amend from time to time, its own rules of procedure for the performance of the duties and responsibilities prescribed by this Article, subject to the approval of the Supreme Court. (1971, c. 590, s. 1; 1973, c. 50; 1975, c. 956, s. 13; 1997-72, s. 1; 2006-187, s. 11.)

▪ **7A-376. Grounds for discipline by Commission; public reprimand, censure, suspension, or removal by the Supreme Court.**

(a) The Commission, upon a determination that any judge has engaged in conduct that violates the North Carolina Code of Judicial Conduct as adopted by the Supreme Court but that is not of such a nature as would warrant a recommendation of public reprimand, censure, suspension, or removal, may issue to the judge a private letter of caution.

(b) Upon recommendation of the Commission, the Supreme Court may issue a public reprimand, censure, suspend, or remove any judge for willful misconduct in office, willful and persistent failure to perform the judge's duties, habitual intemperance, conviction of a crime involving moral turpitude, or conduct prejudicial to the administration of justice that brings the judicial office into disrepute. A judge who is suspended for any of the foregoing reasons shall receive no compensation during the period of that suspension. A judge who is removed for any of the foregoing reasons shall receive no retirement compensation and is disqualified from holding further judicial office.

(c) Upon recommendation of the Commission, the Supreme Court may suspend, for a period of time the Supreme Court deems necessary, any judge for temporary physical or mental incapacity interfering with the performance of the judge's duties, and may remove any judge for physical or mental incapacity interfering with the performance of the judge's duties which is, or is likely to become, permanent. A judge who is suspended for temporary incapacity shall continue to receive compensation during the period of the suspension. A judge removed for mental or physical incapacity is entitled to retirement compensation if the judge has accumulated the years of creditable service required for incapacity or disability retirement under any provision of State law, but he shall not sit as an emergency justice or judge. (1971, c. 590, s. 1; 1979, c. 486, s. 2; 2006-187, s. 11; 2013-404, s. 2.)

▪ **7A-377. Procedures.**

(a) Any citizen of the State may file a written complaint with the Commission concerning the qualifications or conduct of any justice or judge of the General Court of Justice, and thereupon the Commission shall make such investigation as it deems necessary. The Commission may also make an investigation on its own motion. The Commission may issue process to compel the attendance of witnesses and the production of evidence, to administer oaths, and to punish for contempt. No justice or judge shall be recommended for public reprimand, censure, suspension, or removal unless he has been given a hearing affording due process of law.

(a1) Unless otherwise waived by the justice or judge involved, all papers filed with and proceedings before the Commission, including any investigation that the Commission may make,

are confidential, and no person shall disclose information obtained from Commission proceedings or papers filed with or by the Commission, except as provided herein. Those papers are not subject to disclosure under Chapter 132 of the General Statutes.

(a2) Information submitted to the Commission or its staff, and testimony given in any proceeding before the Commission, shall be absolutely privileged, and no civil action predicated upon that information or testimony may be instituted against any complainant, witness, or his or her counsel.

(a3) If, after an investigation is completed, the Commission concludes that a letter of caution is appropriate, it shall issue to the judge a letter of caution in lieu of any further proceeding in the matter. The issuance of a letter of caution is confidential in accordance with subsection (a1) of this section.

(a4) Repealed by Session Laws 2013-404, s. 3, effective August 23, 2013.

(a5) If, after an investigation is completed, the Commission concludes that disciplinary proceedings should be instituted, the notice and statement of charges filed by the Commission, along with the answer and all other pleadings, remain confidential. Disciplinary hearings ordered by the Commission are confidential, and recommendations of the Commission to the Supreme Court, along with the record filed in support of such recommendations are confidential. Testimony and other evidence presented to the Commission is privileged in any action for defamation. At least five members of the Commission must concur in any recommendation to issue a public reprimand, censure, suspend, or remove any judge. A respondent who is recommended for public reprimand, censure, suspension, or removal is entitled to a copy of the proposed record to be filed with the Supreme Court, and if the respondent has objections to it, to have the record settled by the Commission's chair. The respondent is also entitled to present a brief and to argue the respondent's case, in person and through counsel, to the Supreme Court. A majority of the members of the Supreme Court voting must concur in any order of public reprimand, censure, suspension, or removal. The Supreme Court may approve the recommendation, remand for further proceedings, or reject the recommendation. A justice of the Supreme Court or a member of the Commission who is a judge is disqualified from acting in any case in which he is a respondent.

(a6) Upon issuance of a public reprimand, censure, suspension, or removal by the Supreme Court, the notice and statement of charges filed by the Commission along with the answer and all other pleadings, and recommendations of the Commission to the Supreme Court along with the record filed in support of such recommendations, are no longer confidential.

(b) Repealed by Session Laws 2006-187, s. 11, effective January 1, 2007.

(c) The Commission may issue advisory opinions to judges, in accordance with rules and procedures adopted by the Commission.

(d) The Commission has the same power as a trial court of the General Court of Justice to punish for contempt, or for refusal to obey lawful orders or process issued by the Commission. (1971, c. 590, s. 1; 1973, c. 808; 1989 (Reg. Sess., 1990), c. 995, s. 2; 1997-72, s. 2; 2006-187, s. 11; 2013-404, s. 3.)

▪ **7A-378.** Repealed by Session Laws 2013-404, s. 4, effective August 23, 2013.
