OBLIGATIONS AND DISBURSEMENT

G.S. 159-28
Preaudit Process

Before an obligation is incurred, finance officer (or deputy finance officer) must:

1. Check to see if there is an appropriation in budget ordinance or project ordinance for amount due this fiscal year
2. Check to see if sufficient funds remain in the appropriation to cover amount that will come due this fiscal year
3. Affix signed preaudit certificate to any “writing” that evidences contract/agreement/order*

*This instrument has been preaudited in the manner required by the Local Government Budget and Fiscal Control Act.*
Process triggered when:

1. A local unit enters into contract or agreement (or places an order) for goods or services that are accounted for in the budget resolution; **AND**
2. the local unit is obligated to pay money by the terms of the contract/agreement/order; **AND**
3. the local unit anticipates paying at least some of the money in the current fiscal year (fiscal year in which the contract/agreement/order entered into)*.

Is a Preaudit Required?

- City clerk purchases approximately $40 in supplies (donuts, cookies, drinks) from local Walmart before each board meeting.
- County parks and recreation director orders t-shirts in April from Amazon.com for summer sports camp program that begins in June. The cost is $5.90 per shirt.
- County manager hires new finance officer in September for $56,000 salary.
- City planning department places a phone order for $100 in office supplies in December.

- County enters into contract with town in February to buy water. The rate will be $6.20 per 1000 gallons plus a $21 monthly fixed fee.
- Town enters into contract with county to provide water to properties in the unincorporated area of the county. County agrees to collect payments from customers and remit money to town. The county will not buy water from the town and will not subsidize the payments from individual customers.
- City enters into multi-year construction contract with contractor--$120,000 is expected to come due this fiscal year; $340,000 is expected to come due next fiscal year.

If No Preaudit.....

- Any individual or officer who enters into contract/agreement/order or causes funds to be disbursed without following statutory processes may be held personally liable for amounts committed or disbursed

2. Check to see if there is (still) an appropriation in budget ordinance or project ordinance for amount due
3. Check to see if sufficient funds remain in the appropriation to cover amount due
4. Affix signed disbursement certificate to check, draft or electronic payment*
