

**Elected Officials Program
Leading and Governing with Emotional Intelligence
September 25, 2020
10-2:30**

AGENDA

Learning objectives:

1. Help participants understand different Emotional Intelligence (EI) skills and how mastery of these skills connects with the elected officials needs assessment conducted in 2019
2. Identify skill areas that align with effective governance
3. Practice improving different areas of EI skills
4. Apply knowledge gained to brief scenarios
