

Ellis Hankins Municipal Administration Scholarship

The Ellis Hankins Municipal Administration Fund offers partial tuition assistance to qualified MUNICIPAL applicants and their units of government. Since these scholarships have historically been designed to help applicants who might not otherwise be able to attend the course, financial need will weigh heavily in the award decision. Other factors that will be considered are the number of individuals in a particular unit that have already graduated from the course and how critical the course is to the governmental unit and the applicant's future career goals.
