

GENERAL ASSEMBLY OF NORTH CAROLINA SESSION 2005

SESSION LAW 2006-80 HOUSE BILL 2200

AN ACT TO ENHANCE THE EMBARGO AUTHORITY OF THE SECRETARY OF ENVIRONMENT AND NATURAL RESOURCES AND LOCAL HEALTH DIRECTORS AND TO DIRECT THE DEVELOPMENT OF A STATE PLAN TO PROTECT THE FOOD SUPPLY FROM INTENTIONAL CONTAMINATION.

The General Assembly of North Carolina enacts:

SECTION 1. G.S. 130A-21 reads as rewritten: "§ 130A-21. Embargo.

(a) <u>In addition to the authority of the Department of Agriculture and Consumer</u> <u>Services pursuant to G.S. 106-125</u>, <u>The the</u> Secretary of Environment and Natural Resources <u>and or</u> a local health director has authority to exercise embargo authority concerning food or drink pursuant to G.S. 106-125(a), (b) and (c) when delegated the authority by the Commissioner of Agriculture. the food or drink is in an establishment that is subject to regulation by the Department of Environment and Natural Resources pursuant to this Chapter or that is the <u>subject of an investigation pursuant to</u>

- Regional EHS
- Local Health Director, after consultation with a Regional EHS
 - What about Consolidated Agency Directors?
- Director of the Division of Environmental Health
- Director's Designee

Who May Exercise Embargo Authority?

• Three key issues:

✓ May not delegate authority to local EHS
 ✓ Health director must "consult with" Regional EHS

✓NCDA must be notified whenever an embargo action is taken

What Types of Establishments are Subject to Embargo?

Any establishment that is:

- Regulated under G.S. Chapter 130A (e.g., food and lodging, institutions, mass gatherings)
- Regulated by Commission for Public Health but not included in Ch. 130A (e.g., child care centers)
- The subject of a communicable disease investigation under G.S. 130A-144

The Embargo Process

- Documentation is important
- Photographs?
 - Temperature on the thermometer
 - Product identification (lot #s, brand)
- Size relationships
- Location
- Permission to take photos?

The Embargo Process

- The Health Director needs to see the situation
- If not available the Supervisor, Team Leader, or other EHS is to witness the action
