A conviction in which the judgment of conviction has been canceled and the records expunged pursuant to this subsection shall not be thereafter deemed a conviction for purposes of this subsection or for purposes of disqualifications or liabilities imposed by law upon conviction of a crime, including the additional penalties imposed for second or subsequent convictions of Article 5 of Chapter 90 of the General Statutes. Cancellation and expunction under this subsection may occur only once with respect to any person. Disposition of a case under this subsection at the district court division of the General Court of Justice shall be final for the purpose of appeal.

The granting of an application filed under this subsection shall cause the issue of an order to expunge from all official records, other than the confidential files retained under G.S. 15A-151, all recordation relating to the petitioner's arrest, indictment or information, trial, finding of guilty, judgment of conviction, cancellation of the judgment, and expunction of records pursuant to this subsection.

The judge may waive the condition that the petitioner attend the drug education school if the judge makes a specific finding that there was no drug education school within a reasonable distance of the defendant's residence or that there were specific extenuating circumstances which made it likely that the petitioner would not benefit from the program of instruction.

The court shall also order all law enforcement agencies, the Department of Correction, the Division of Motor Vehicles, and any other State or local agencies identified by the petitioner as bearing records of the conviction and records relating thereto to expunge their records of the
