Ellis Hankins Municipal Administration Scholarship

The Ellis Hankins Municipal Administration Fund offers partial tuition assistance to qualified MUNICIPAL applicants and their units of government. Since these scholarships have historically been designed to help applicants who might not otherwise be able to attend the course, financial need will weigh heavily in the award decision. Other factors that will be considered are the number of individuals in a particular unit that have already graduated from the course and how critical the course is to the governmental unit and the applicant's future career goals.

Important to Note:
- The application deadline is July 1, 2018
- The application must be completed in its entirety
- You must print clearly or type your answers
- You must ALSO submit a program application. This scholarship application is not valid without a submitted application to attend MCA. (located on the MCA course page under the Register Tab).
- You will receive an email confirmation within 1-2 days after you submit your application.
- Recipients will be notified of their status by Susan Hutchinson on or before August 1, 2018 via email.
