

N.C.P.I.—CRIM. 215.87 MAKING A FALSE REPORT CONCERNING A THREAT OF MASS VIOLENCE ON EDUCATIONAL PROPERTY. G.S. 14-277.5(b).¹ FELONY.

The defendant has been charged with making a false report concerning an act of mass violence [on educational property] [at the location of a curricular or extracurricular activity sponsored by a school].

For you to find the defendant guilty of this offense, the State must prove three things beyond a reasonable doubt:

First, that the defendant reported by any means of communication to any [person] [group of persons] that (*describe threat of mass violence*²) was going to occur at (*describe place*).

Second, that (*describe place*) was [an educational property]³ (or) [the location of a curricular or extracurricular activity sponsored by a school]⁴.

And Third, that this report of mass violence was false and the defendant knew or had reason to know it was false.

If you find from the evidence beyond a reasonable doubt that on or about the alleged date the defendant falsely reported to [another person] (or) [group of persons] that (*describe threat of mass violence*) was going to occur at (*describe place*), [an educational property] (or) [the location of a curricular or extracurricular activity sponsored by a school], and that the defendant knew or had reason to know that the report was false, it would be your duty to return a verdict of guilty. If you do not so find or have a reasonable doubt as to one or more of these things, it would be your duty to return a verdict of not guilty.

¹ G.S. 14-277.5(c) authorizes the court to order restitution (costs and consequential damages).

² G.S. 14-277.5(a)(2) defines mass violence as physical injury that a reasonable person would conclude could lead to permanent injury (including mental or emotional injury) or death of two or more people.

³ Educational property is defined in G.S. 14-269.2

⁴ School is defined in G.S. 14-269.2.
