

N.C.P.I.—CRIM. 216.80 PURCHASE OF REGULATED METALS BY SECONDARY METALS RECYCLERS FROM OTHER THAN A FIXED LOCATION. MISDEMEANOR. G.S. 66-11(d)(1).

The defendant has been charged with knowingly and willfully purchasing regulated metals<sup>1</sup> from other than a fixed location<sup>2</sup>.

For you to find the defendant guilty of this offense, the State must prove three things beyond a reasonable doubt:

First, that the defendant purchased regulated metals from other than a fixed location.

Second, that the defendant purchased regulated metals for cash consideration.

And Third, that the defendant acted knowingly and willfully.

If you find from the evidence beyond a reasonable doubt that on or about the alleged date, the defendant knowingly and willfully purchased regulated metals from other than a fixed location for cash consideration, it would be your duty to return a verdict of guilty. If you do not so find or have a reasonable doubt as to one or more of these things, it would be your duty to return a verdict of not guilty.
