

N.C.P.I.—CRIM. 222.60 INJURING TELECOMMUNICATION WIRES. FELONY. G.S. 14-154.

The defendant has been charged with willfully [injuring] [destroying] [pulling down] a [[telegraph] [telephone] [cable telecommunications] [electric-power-transmission]] [[pedestal] [pole] [line] [wire] [fiber insulator] [power supply] [transformer] [transmission apparatus] [equipment] [fixture]] used in the transmission of [telegraph] [telephone] [cable telecommunications] [electrical power service] [wireless communications regulated by the Federal Communications Commission].

For you to find the defendant guilty of this offense, the State must prove two things beyond a reasonable doubt:

If you find from the evidence beyond a reasonable doubt that on or about the alleged date the defendant willfully [injured] [destroyed] [pulled down] a [[telegraph] [telephone] [cable telecommunications] [electric-power-transmission]] [[pedestal] [pole] [line] [wire] [fiber insulator] [power supply] [transformer] [transmission apparatus] [equipment] [fixture]] used in the transmission of [telegraph] [telephone] [cable telecommunications] [electrical power service] [wireless communications regulated by the Federal Communications Commission], it would be your duty to return a verdict of guilty. If you do
