1 Advancing prostitution is defined in G.S. § 14-203 as (a) soliciting for a prostitute by performing any of the following acts when acting as other than a prostitute or a patron of a prostitute: (1) soliciting another for the purpose of prostitution, (2) arranging or offering to arrange a meeting of persons for the purpose of prostitution, (3) directing another to a place knowing the direction is for the purpose of prostitution, or (4) using the internet, including any social media Web site, to solicit another for the purpose of prostitution; (b) keeping a place of prostitution by controlling or exercising control over the use of any place that could offer seclusion or shelter for the practice of prostitution and performing any of the following acts when acting as other than a prostitute or a patron of a prostitute: (1) knowingly granting or permitting the use of the place for the purpose of prostitution, (2) granting or permitting the use of the place under circumstances from which the person should reasonably know that the place is used or is to be used for purposes of prostitution, or (3) permitting the continued use of the place after becoming aware of facts or circumstances from which the person should know that the place is being used for the purpose of prostitution.

2 Sub-subdivision (c) also states a person can profit from prostitution by any means other than those described in sub-subdivisions (a) and (b) of subdivision (b), including from a person who patronizes a prostitute. This sub-subdivision does not apply to a person engaged in prostitution who is a minor. A person cannot be convicted of promoting prostitution under this sub-subdivision if the practice of prostitution underlying the offense consists exclusively of the accused's own acts of prostitution under G.S. 14-204.
