

2014 Legislation Affecting Criminal Law and Procedure

Robert L. Farb, © UNC School of Government

September 2014

Below are summaries of recently enacted legislation affecting criminal law and procedure. To obtain the text of the legislation, click on the link provided below or go to the North Carolina General Assembly's website, www.ncleg.net. (Once there, click on "Session Laws" on the right side of the page and then "2013-2014 Session" under "Browse Session Laws.") Be careful to note the effective date of each piece of legislation.

1. **[S.L. 2014-3 \(H 1050\): Controlled substances excise tax change; vapor products regulated in prisons and jails.](#)** This 48-page session law amends various revenue laws and includes a few changes affecting criminal law. The section numbers and pages of the session law are noted to facilitate locating the provisions.

Effective May 29, 2014, amended G.S. 105-113.107(a) (controlled substances excise tax) adds an excise tax at the rate of \$50.00 for each gram, or fraction thereof, of any "low-street-value drug" (defined in G.S. 105-113.106(4d)) that is sold by weight. Section 14.25 (pages 44-45).

Effective for offenses committed on or after December 1, 2014, G.S. 14-344.1(a)(3) is revised concerning the sales and use tax requirements when reselling admission tickets on the Internet. Section 14.27 (page 45).

Effective July 1, 2014, amended G.S. 148-23.1 prohibits the possession or use of "vapor products" (defined in amended G.S. 148-23.1(d) to include electronic cigarettes, cigars, etc.) at a state correctional facility. The sanctions for violations of G.S. 148-23.1 remain as disciplinary actions against inmates or employees or loss of visitation privileges of visitors as specified in the statute. Section 15.2 (page 47).

Effective for offenses committed on or after December 1, 2014, amended G.S. 14-258.1(c) and (e) prohibit the sale or delivery of vapor products to an inmate in a prison or jail and prohibit a jail inmate from possessing vapor products. A violation of G.S. 14-258.1(c) or (e) remains a Class 1 misdemeanor. Section 15.2 (page 47).

2. **[S.L. 2014-4 \(S 786\): Oil and gas exploration, development, and production.](#)** This lengthy session law contains many provisions concerning oil and gas exploration, development, and production. Some pertinent criminal law provisions are summarized here. New G.S. 113-391.1 (trade secret and confidential information) provides that the knowing and willful disclosure of confidential information to an unauthorized person is a Class 1 misdemeanor. New G.S. 113-395.2 provides that the unlawful subsurface injection of waste in connection with oil and gas exploration is a Class 1 misdemeanor. New G.S. 113-395.4 provides that conducting seismic or geophysical data collection activities through physical entry to land without a landowner's written consent is a Class 1 misdemeanor. These provisions are effective December 1, 2014.
3. **[S.L. 2014-21 \(H 777\): Sex offender prohibited from residing with 1,000 feet of Boys and Girls Clubs of America site.](#)** This session law amends the definition of "child care center" in G.S. 14-208.16(b) to prohibit a registered sex offender or a person who is required to register from residing within 1,000 feet of a permanent location of an organized club of Boys and Girls Clubs of America. The law is applicable to all people registered or required to register as a sex offender on or after June 24, 2014. However, the session law does not apply to a person who has established a residence before June 24, 2014, in accordance with G.S. 14-208.16(d)(1), (2), or (3).

4. **[S.L. 2014-22 \(S 463\)](#): Law expanded statewide that provides that county detention facility may house up to 64 inmates per dormitory under certain conditions.** G.S. 153A-221(d) provides that a dormitory in a county detention facility may house up to 64 inmates as long as the dormitory meets certain conditions. This session law, effective June 18, 2014, makes this statutory subdivision applicable to all counties in the state by deleting the provision that limited its applicability to counties with a population exceeding 300,000 according to the most recent decennial federal census.
5. **[S.L. 2014-27 \(H 698\)](#): Criminal history checks authorized of current members of volunteer or paid fire departments and emergency medical services; urban search and rescue program created.** This session law amends G.S. 114-19.12, effective January 1, 2015, to authorize criminal history checks of current members of volunteer or paid fire departments and emergency medical services. The current statute only authorizes checks of applicants for these positions. The session law also adds a new Article 6 to G.S. Chapter 166A, effective July 1, 2014, to create a statewide urban search and rescue program to be maintained by the Division of Emergency Management of the state Department of Public Safety. The program will provide, among other things, for an urban search and rescue team to assist in the removal of trapped victims during emergencies, including collapsed structures, trench excavations, elevated locations, and in other technical rescue situations. The program must include contract response teams located strategically across the state that are available to provide 24-hour dispatch from the Division of Emergency Management Operations Center. The Secretary of Public Safety may contract with local government units to provide contract response teams to implement the program. Before implementation of the program, the department must study its costs, including the apportionment of costs between State and local government entities, and a report of the results of the study must be provided to a designated legislative committee and the Fiscal Research Division by January 15, 2015.
6. **[S.L. 2014-53 \(H 1220\)](#): Pilot study on safety and efficacy of hemp extract treatment for intractable epilepsy.** This session law authorizes university-based studies of the safety and efficacy of hemp extract treatment for intractable epilepsy. In doing so, it enacts new G.S. 90-94.1 to exempt from criminal penalties the people involved in the study who possess or administer “hemp extract” as defined in the statute, which is effective on the adoption of rules by the state Department of Health and Human Resources. The rules must be adopted by October 1, 2014.
7. **[S.L. 2014-58 \(H 1025\)](#): Ramp meter violation created.** This session law contains several changes involving the state Department of Transportation. Of direct relevance to criminal law, section 10 amends G.S. 20-4.01 to define “ramp meter” as a traffic control device that consists of a circular red and circular green display placed at a point along an interchange entrance ramp. New G.S. 20-158(c)(6), effective for offenses committed on or after December 1, 2014, provides that when a ramp meter is displaying a circular red display, vehicles facing the red light must stop. When displaying green, a vehicle may proceed for each lane of traffic facing the meter. When the display is dark or not red or green, a vehicle may proceed without stopping. A violation of the subdivision is an infraction without assessment of driver’s license points or insurance surcharge.
8. **[S.L. 2014-77 \(S 794\)](#): Presumptive child support guidelines to include retroactive support obligation.** G.S. 50-13.4(c1) requires the Conference of Chief District Court Judges to prescribe statewide presumptive guidelines to compute a parent’s child support obligations and to review them at least once every four years. This session law, effective July 22, 2014, amends the statute to

require the guidelines to include retroactive support obligations.

9. **S.L. 2014-100 (S 744): 2014 Appropriations Act.** This session law makes base budget appropriations for current operations and other changes. Unless otherwise noted, the provisions are effective July 1, 2014. The section numbers and pages of the session law are noted to facilitate locating the provisions.

Medical examiner system. Amended G.S. 130A-382 provides that the Chief Medical Examiner in appointing medical examiners for each county must give preference to physicians but may also appoint physician assistants, nurse practitioners, nurses, coroners, or emergency medical technician paramedics. Studies are authorized of the Office of Chief Medical Examiner and the medical examiner system. Sections 12E.5 and 12E.6 (pages 79-80).

Specified legislative committees are required jointly to study the merger of the State Crime Laboratory and the Office of the State Medical Examiner into a single independent state agency and to report to the 2015 legislative session. Section 17.3 (page 183).

Marine fisheries joint enforcement agreement. Amended G.S. 113-224 authorizes the marine fisheries director or designee to enter an agreement with the National Marine Fisheries Service of the U.S. Department of Commerce allowing Division of Marine Fisheries inspectors to accept delegation of law enforcement powers over matters within the jurisdiction of the service. Section 14.11 (page 126).

Alcohol Beverage Control (ABC) Commission. Effective October 1, 2014, the ABC Commission is transferred administratively from the Department of Commerce to the Department of Public Safety, but the commission will exercise its powers independently of the Secretary of Public Safety. Section 15.2A (page 137).

Effective for criminal charges brought on or after October 1, 2014, amended G.S. 18B-904 requires the ABC Commission to immediately suspend permits issued by it for 30 days if (1) ALE agents or local ABC Board officers provide advance notice to the commission's legal division staff of an ongoing undercover operation; and (2) after executing a search warrant resulting from the undercover operation, five or more people are criminally charged with violations of gambling, disorderly conduct, prostitution, controlled substance, or felony counterfeit trademark laws. Section 15.2A1 (page 137).

All misdemeanants to serve sentences in local confinement facilities. Various statutes are amended to remove all misdemeanants, including impaired driver (DWI) defendants, from the state prison system, expanding on changes made in 2011. All misdemeanor sentences in excess of 90 days and all DWI sentences, regardless of length, are served through the State Misdemeanant Confinement Program. Amended G.S. 15A-1351(a) provides that all terms of special probation imposed at sentencing for misdemeanors, including impaired driving, must be served in a local confinement or treatment facility, not in prison. This section is effective October 1, 2014, and applies to (1) defendants placed on probation or sentenced to imprisonment for impaired driving under G.S. 20-138.1 on or after January 1, 2015; and (2) defendants placed on probation or sentenced to imprisonment for all other misdemeanors other than impaired driving under G.S. 20-138.1 on or after October 1, 2014. Section 16C.1 (pages 155-59).

Confinement in response to violation (CRV) for probationers. Amended G.S. 15A-1344(d2), effective for probation violations occurring on or after October 1, 2014, provides that the 90-day term of confinement ordered for a felony shall not be reduced by credit for time already served in the case; instead, the credit shall be applied to the suspended sentence. The statute is also amended to delete the provision for misdemeanors that confinement awaiting the probation hearing must be first credited to any CRV imposed. For a comprehensive analysis of these credit changes, see Jamie Markham, *Sentencing Legislation Review Part I: New Credit Rules for CRV*, North

Carolina Criminal Law (UNC School of Government, September 8, 2014), <http://nccriminallaw.sog.unc.edu/?p=4921>. The amended statute also makes clear that CRV confinement for felonies will be in a state correctional facility, and misdemeanor CRV will be served where the defendant would have served an active sentence (either the local jail or the Statewide Misdemeanant Confinement program, depending on the length of the sentence). Section 16C.10 (page 161) authorizes the Department of Public Safety to convert closed facilities into “treatment and behavior modification facilities” for probationers serving a CVR period. Section 16C.8 (page 161).

Reorganization of State Bureau of Investigation (SBI), Division of Criminal Information, and Alcohol Law Enforcement Section. The Division of Criminal Information is transferred from the Department of Justice to the Department of Public Safety. The remainder of the State Bureau of Investigation is transferred from the Department of Justice as a new section within the Law Enforcement Division of the Department of Public Safety. However, the SBI will be an independent agency under the direction and supervision of the SBI Director, who will be appointed for an eight-year term by the Governor subject to confirmation by the General Assembly. The Alcohol Law Enforcement Section is relocated as a branch (Alcohol Law Enforcement Branch) under the SBI, but the branch will be separate and discrete. Amended G.S. 18B-500(b) provides that an alcohol law enforcement agent’s primary responsibility is the enforcement of ABC and lottery laws, deleting both the Controlled Substances Act and any duty assigned by the Secretary of Public Safety or the Governor. Section 17.1 (pages 164-83).

Transfer of Private Protective Services Board and Alarm Systems Licensing Board to Department of Public Safety. The Private Protective Services Board and the Alarm Systems Licensing Board are transferred from the Department of Justice to the Department of Public Safety. Section 17.5 (page 185).

Indigent Defense Services fee transparency. The Office of Indigent Defense Services (IDS), in consultation and cooperation with the Office of State Controller and Office of State Budget and Management, is required to develop and implement a plan for making certain information in fee applications by attorneys publicly available online, with guidelines set out in the section. IDS must report by October 1, 2014, to specified legislative subcommittees on its progress in developing the plan. Section 18A.1 (page 186).

Four special superior court judgeships abolished and two new special superior court judgeships requested to be designated by the Chief Justice as business court judgeships. Four special superior court judgeships are abolished as specified in the section, and the Chief Justice of the North Carolina Supreme Court is requested to designate two newly-created special superior court judgeships as business court judgeships, which will involve the Governor appointing the judges subject to confirmation by the General Assembly. Section 18B.6 (page 190).

Determination of allocation of assistant district attorneys to prosecutorial districts to include consideration of National Center for State Courts workload formula. The determination of the allocation of assistant district attorneys to prosecutorial districts to be recommended by the Administrative Office of the Courts to the General Assembly (G.S. 7A-60) and developed by the General Assembly (G.S. 7A-63) must consider the workload formula established by the National Center for State Courts. Section 18B.7 (page 191).

Court costs assessed for private hospital performing toxicological testing for prosecutorial district as well as expert witness fees. Amended G.S. 7A-304(a), applicable to fees assessed on or after December 1, 2014, creates two new court cost provisions for convicted defendants under specified circumstances: (1) for a private hospital performing toxicological testing (bodily fluids for the presence of alcohol or controlled substances) under contract with a prosecutorial district, the sum of \$600 is to be remitted to the State Treasurer for the General Court of Justice; and (2) for an

expert witness employed by a private hospital performing toxicological testing under contract with a prosecutorial district who completes a chemical analysis under G.S. 20-139.1 and testifies at trial, the sum of \$600 is to be remitted to the State Treasurer for the General Court of Justice. Section 18B.14 (pages 191-93).

State Auditor to report criminal misconduct. Amended G.S. 147-64.6(c) provides that whenever the State Auditor believes that information received or collected by the Auditor may be evidence of criminal misconduct, the Auditor must report that information to either the State Bureau of Investigation or the district attorney of the county where the alleged misconduct occurred. Section 25.3 (pages 208-209).

Remote driver's license renewal. Amended G.S. 20-7(f), applicable to driver's licenses renewed on or after the date when the Division of Motor Vehicles (DMV) adopts rules, authorizes the DMV to offer remote renewal of a driver's license by mail, telephone, electronic device, or secure means as specified in the new statutory provision. Section 34.8 (pages 213-14).

Regulation of unmanned aircraft systems (commonly known as drones). New G.S. 15A-300.1 and -300.2, applicable to acts occurring on or after October 1, 2014, generally prohibits using an "unmanned aircraft" (defined as an aircraft operated without the possibility of human intervention from within or on the aircraft and is not a model aircraft) system to: (1) conduct surveillance of a person, an occupied dwelling, or private real property without consent; or (2) photograph a person without consent for the purpose of publishing or otherwise publicly disseminating the photograph. There are five law enforcement exceptions: (i) to counter a high risk of a terrorist attack, (ii) to conduct surveillance within an officer's plain view when the officer has a legal right to be at the location, (iii) execute a search warrant authorizing the use of unmanned aircraft system, (iv) having reasonable suspicion of specified imminent circumstances, and (v) photograph gatherings where the general public is invited. A civil remedy is authorized for statutory violations. Evidence obtained in violation of the statute is inadmissible in a criminal prosecution except when obtained under an objectively reasonable, good-faith belief that the actions were lawful. An unmanned aircraft system may not be launched or recovered from any state or private property without consent. A local government may adopt an ordinance to regulate the use of a local government's property for the launch or recovery of an unmanned aircraft system. Section 34.30 (pages 227-28).

The following new or amended criminal offenses are effective for offenses committed on or after December 1, 2014. New G.S. 14-7.45 provides that all crimes committed by use of an unmanned aircraft system while in flight over the state shall be governed by state laws, which will determine whether the conduct of the unmanned aircraft system while in flight over the state constitutes a crime by the owner. New G.S. 14-280.3 provides that a person who interferes with a manned aircraft by an unmanned aircraft system is guilty of a Class H felony. New G.S. 14-401.24 provides that a person who (1) possesses or uses an unmanned aircraft or aircraft system with an attached weapon is guilty of a Class E felony, or (2) fishes or hunts using an unmanned aircraft system is guilty of a Class 1 misdemeanor. New G.S. 14-401.25 provides that under certain circumstances the unlawful distribution of images taken by an unmanned aircraft system is a Class A1 misdemeanor. Amended G.S. 113-295 provides that the use of an unmanned aircraft system to unlawfully interfere under subsection (a) of the statute with a person taking wildlife resources is a Class 1 misdemeanor. Section 34.30 (pages 228-29).

New Article 10 (G.S. 63-95 and -96) of G.S. Chapter 63 prescribes the training (including a knowledge and skills test) required to operate an unmanned aircraft system and the license required for the commercial operation of such a system. New G.S. 63-96(e) provides that the operation of an unmanned aircraft system for commercial purposes unless otherwise permitted under the statute is a Class 1 misdemeanor. Section 34.30 (pages 229-30).

The ban on the procurement or operation of an unmanned aircraft system by a state or local

government is effectively extended until December 31, 2015, unless the Office of the State Chief Information Officer approves an exception. Section 7.16 (page 26).

10. **[S.L. 2014-103 \(H 366\)](#): Trespass law changes; periodic inspections by N.C. Housing Finance Agency.** Amended G.S. 14-159.12 (first-degree trespass) adds to the Class A1 misdemeanor in subsection (c) a trespass on the premises of any facility used or operated for agricultural activities as defined in G.S. 106-581.1. Amended G.S. 14-159.3 (trespass to land on motorized all-terrain vehicle) (1) requires that the owner's consent to allow a person to use the vehicle must be in writing; and (2) provides that a landowner who gives a person written consent to operate an all-terrain vehicle on his or her property owes the person the same duty of care that he or she owes a trespasser. Both trespass law changes are effective for offenses committed on or after December 1, 2014.
Amended G.S. 153A-364 (county periodic inspections) and G.S. 160A-424 (city periodic inspections), effective August 6, 2014, provide that a residential building or structure that is subject to periodic inspections by the N.C. Housing Finance Agency shall not be subject to periodic inspections if the agency has issued a finding that the building or structure is in compliance with federal standards.
11. **[S.L. 2014-107 \(S 773\)](#): Videoconferencing of inpatient commitment hearing; slayer statute modified.** Amended G.S. 122C-268(g), effective August 6, 2014, provides that an inpatient commitment hearing may be held by interactive videoconferencing between a treatment facility and a courtroom. Amended G.S. 31A-6, effective for property subject to Article 3 of G.S. Chapter 31A for decedents dying on or after October 1, 2014, modifies the slayer statute (barring slayer from inheriting homicide victim's property) to account for property held in joint tenancy in unequal shares.
12. **[S.L. 2014-108 \(H 272\)](#): Modification of site of Division of Motor Vehicles (DMV) hearing considering alleged ignition interlock violation; single registration renewal sticker.** Amended G.S. 20-17.8(j), applicable to hearings requested on or after October 1, 2014, provides that the site of a DMV hearing considering an alleged ignition interlock violation may be conducted in the county where the person resides when evidence of the violation is an alcohol concentration report from an ignition interlock system. All ignition interlock violation hearings under this statute were previously required to be conducted in the county where the charge was brought. The act also modifies G.S. 20-66(c), effective January 1, 2015, to provide that a *single* registration renewal sticker issued by DMV must be displayed on the registration plate that it renews in the place prescribed by the Commissioner.
13. **[S.L. 2014-114 \(H 1145\)](#): Mopeds required to be registered with Division of Motor Vehicles (DMV).** Effective for offenses committed on or after July 1, 2015 (note the year in this date), new G.S. 20-53.4 provides that mopeds must be registered with the DMV, and the moped owner must pay the same base fee and be issued the same type of registration card and plate as for a motorcycle. To be registered and to operate on a highway or public vehicular area (PVA), (1) a moped must have a manufacturer's certificate of origin; and (2) the moped must be designed and manufactured for use on highways and PVAs. Amended G.S. 20-76 sets out procedures when an applicant for registration of a moped is unable to present a manufacturer's certificate of origin. Effective August 6, 2014, the Joint Legislative Transportation Oversight Committee must study whether additional statutory changes are needed to ensure a moped's safe operation, including whether insurance should be required. The committee must report to the 2015 legislative session.

14. **[S.L. 2014-115 \(H 1133\): Miscellaneous criminal law changes-1.](#)** This 58-page session law makes miscellaneous changes to a variety of statutes, including criminal provisions, which are effective on August 11, 2014, unless otherwise noted. The section numbers and pages of the session law are noted to facilitate locating the provisions.

Crime Victims' Rights Act changes. Amended G.S. 15A-830(a)(7), involving the Crime Victims' Rights Act, revises the listing of offenses included within the act to reflect reclassifications and repeals, and specifically states that the changes do not adversely affect the rights granted to victims before these changes become effective. Section 2.1 (pages 2-3).

Magistrates' authority to take guilty pleas. Amended G.S. 7A-273(2) (magistrates' authority to accept guilty pleas) includes open burning offenses under Article 78 of G.S. Chapter 106. Section 20 (page 13).

Local jail may sell or give vapor products to inmates. Effective for offenses committed on or after December 1, 2014, amended G.S. 14-258.1 allows local confinement facilities to give or sell vapor products or FDA-approved tobacco cessation products to inmates in their custody. Section 23 (page 13).

Superior court clerk's reporting duties. A clerk of superior court's reporting duties under G.S. 14-404(c1) to the National Instant Criminal Background Check System (NICS) involving pistol permits issued by sheriffs are delayed from beginning on July 1, 2014, to January 1, 2015, and clarifies that the clerk must determine which information can "practicably be transmitted" to NICS. Section 23.5 (pages 13-14).

Transferring seized firearm to law enforcement agency. Amended G.S. 15-11.1(b1)(4) allows a court order transferring a seized firearm to a law enforcement agency to be issued without a written request of the head of the agency. Section 24.5 (page 14).

Motor vehicle law definition of "serious traffic violation." Amended G.S. 20-4.01(41a) includes within the definition of a "serious traffic violation" the unlawful use of a mobile telephone while operating a commercial motor vehicle. Section 28.3 (pages 18-19).

Commercial driver's license law changes. Amended G.S. 20-37.13 provides that the issuance of a commercial driver's learner's permit is a precondition to the initial issuance of a commercial driver's license and also a precondition to the upgrade of a commercial driver's license if the upgrade requires a skills test. Section 28.5 (page 19).

Repeal of local acts governing disposition of deadly weapons. Local acts for five counties (Harnett, Pamlico, Perquimans, Scotland, and Warren) are repealed that had governed the disposition of deadly weapons after a conviction. Disposition in these counties are now governed by G.S. 14-269.1 (confiscation and disposition of deadly weapons) in the same manner as the other 95 counties. Section 61 (page 53).

15. **[S.L. 2014-119 \(H 369\): Miscellaneous criminal law changes-2.](#)** This session law makes miscellaneous changes to a variety of statutes affecting criminal law. The changes are effective September 18, 2014, unless otherwise noted.

Expunction changes. Amended G.S. 15A-145.5 (expunction of certain misdemeanors and felonies; no age limitation) adds to the list of offenses that are not considered a "nonviolent misdemeanor" or "nonviolent felony": (1) an offense under G.S. 14-54(a) (felony breaking or entering), 14-54(a1) (breaking or entering with intent to terrorize), or 14-56 (breaking or entering motor vehicle), and (2) any offense that is an attempt to commit an offense described in G.S. 15A-145.5(a)(1) through (8). This change applies to petitions filed on or after December 1, 2014, but petitions filed before that date are not abated by the change. Amended G.S. 15A-145.5(f), effective September 18, 2014, and applicable to expunctions issued under this statute before, on, or after that date, effectively provides that fingerprint records related to this expunction must be expunged.

New conditional discharge provisions. Amended G.S. 15A-1341 (probation), effective December 1, 2014, provides that when a defendant pleads guilty or is found guilty of a Class H or I felony or a misdemeanor, the court may, on joint motion of the defendant and the prosecutor, defer further proceedings for the possibility of conditional discharge. The court must make certain findings (defendant has not been convicted of a felony or a misdemeanor involving moral turpitude, not previously placed on probation, etc.) without entering a judgment of guilt and place the defendant on probation to allow the defendant to demonstrate good conduct. Another conditional discharge provision provides that when a defendant is eligible for the drug treatment court program under Article 62 of G.S. Chapter 7A, a court may, without entering a judgment of guilt and with the defendant's consent, defer proceedings and place the defendant on probation to allow participation in and completion of the drug treatment court program.

On fulfillment of the terms and conditions of a conditional discharge, a plea or finding of guilt previously entered must be withdrawn and the court must discharge the defendant and dismiss the proceedings. However, if there is a violation of a term or condition of conditional discharge, the court may enter an adjudication of guilt and proceed as otherwise provided.

Reduced punishment if defendant possesses marijuana paraphernalia. New G.S. 90-113.22A creates the Class 3 misdemeanor of possession of marijuana paraphernalia, and marijuana is removed from the current Class 1 misdemeanor of possession of drug paraphernalia in G.S. 90-113.22. Also, the new Class 3 misdemeanor is made a lesser-included offense of the Class 1 misdemeanor. These changes are effective for offenses committed on or after December 1, 2014.

Cell phone offenses in prisons or jails. Effective for offenses committed on or after December 1, 2014, amended G.S. 14-258.1: (1) increases the punishment from a Class 1 misdemeanor to a Class H felony under subsection (d) for giving or selling a cell phone or other device to a state prisoner or local confinement facility inmate; and (2) provides that a state prisoner or local confinement facility inmate who possesses a cell phone or other device commits a Class H felony.

Broaden scope of assault on or threat against legislative, executive, or court officials. The criminal statutes (G.S. 14-16.6 and 14-16.7) punishing assaults on and threats against legislative, executive, and court officials are broadened to include an assault or threat on another person as retaliation against these officials. These changes are effective for offenses committed on or after December 1, 2014.

Course exemption for concealed handgun permit for retired correctional officer. Amended G.S. 14-415.12A(a) adds a "qualified retired correctional officer" (as defined in new G.S. 14-415.10(4c)) to officers who are exempt from the course requirement to obtain a concealed handgun permit.

Remote video testimony by forensic and chemical analysts. New G.S. 15A-1225.3 (forensic analyst's remote testimony involving the results of forensic testing under G.S. 8-58.20 in criminal proceeding or juvenile court) and new G.S. 20-139.1 (chemical analyst's remote testimony involving results of blood or urine analysis in any court or administrative hearing), effective for testimony admitted on or after September 1, 2014, authorizes remote testimony if: (1) the State has provided a copy of the analyst's report to the defendant's attorney or an unrepresented defendant; (2) the State notifies the attorney or an unrepresented defendant at least 15 business days before the proceeding of its intention to use remote testimony; and (3) the defendant's attorney or an unrepresented defendant fails to file a written objection with the court, with a copy to the State, at least five business days before the proceeding of the defendant's objection to the introduction of the remote testimony.

Detention officers authorized to carry weapons on educational property. Amended G.S. 14-269.2 (weapons on campus or other educational property), effective for offenses committed on or after December 1, 2014, authorizes detention officers employed by and authorized by the sheriff to carry firearms on campus or educational property when discharging official duties.

Dangerous firearms in G.S. 14-316 (permitting child under 12 to use dangerous firearms only under limited conditions). Subsection (b) of G.S. 14-316 (permitting child under 12 to use dangerous firearms only under limited conditions) provides that air rifles, air pistols, and BB guns are not considered dangerous firearms except in certain listed counties. This session law, effective for offenses committed on or after December 1, 2014, removes Anson, Caswell, Chowan, Cleveland, Cumberland, Harnett, Stanly, and Surry counties from that list of counties.

Punishments for carrying concealed weapon. Amended G.S. 14-269(c), effective for offenses committed on or after December 1, 2014, makes the following changes: (1) the punishment for a second or subsequent offense for a violation of G.S. 14-269(a1) (carrying concealed gun when not otherwise permitted to do so) is increased from a Class I felony to a Class H felony; and (2) provides that a violation of G.S. 14-269(a1) that is punishable under G.S. 14-415.21(a) (infraction for person with concealed handgun permit to carry concealed handgun without permit in one's possession or fails to disclose to officer that person holds permit and is carrying a concealed handgun) is not punishable under G.S. 14-269.

16. **[S.L. 2014-120 \(S 734\): Miscellaneous criminal law changes-3.](#)** This 40-page session law makes miscellaneous changes to a variety of statutes, including criminal provisions, which are effective on September 18, 2014, unless otherwise noted. The section numbers and pages of the session law are noted to facilitate locating the provisions.

Surety may use assistance of other bondsmen and runners to effect arrest or surrender of defendant. Amended G.S. 15A-540 provides that a surety may utilize the services and assistance of any surety bondsman, professional bondsman, or runner licensed under G.S. 58-71-40 to effect the arrest or surrender of a defendant under G.S. 15A-540. Section 12 (page 9).

Euthanasia of venomous reptile clarified. Amended G.S. 14-419(b) clarifies that the final disposition of a venomous reptile for which antivenin approved by the U.S. Food and Drug Administration is not readily available must be euthanized unless the species is protected under federal law. Section 39 (page 28).

Felony taking of Venus flytrap; taking certain wild plants from another's land. New G.S. 14-129.3 provides that the unlawful taking of any Venus flytrap is a Class H felony. Amended G.S. 14-129 increases the Class 3 misdemeanor punishment for taking certain wild plants from another's land from a minimum fine of \$10 to \$75 and from a maximum fine of \$50 to \$175, and specifies that each plant taken constitutes a separate offense. The exemption of various counties from the provisions of this statute is deleted. The clerk of superior where a conviction occurs that involves any species that also appears in the North Carolina Protected Plants list created under Article 19B of G.S. Chapter 106 must report the conviction to the Plant Conservation Board, which may consider a civil penalty. All these provisions are applicable to offenses committed on or after December 1, 2014. Section 52 (pages 36-37).
