Lamar vs Houston Preview

Lamar went 17-15 last year (10-10 in the Southland Conference), and they will be led by Davion Buster, who was the team's top scorer in 2019, averaging 14.6 points per game. Senior forward Avery Sullivan will also be back, after averaging close to a double-double last year. Sullivan scored 12.3 points a game while also hauling in 8.2 rebounds. The Cardinals averaged 72.3 points a game last year, and they'll face a very tough challenge out of the gate.

Lamar coach Tic Price said this week that his squad is embracing the underdog label.
